Frank Wood's Business Accounting 1 Pearson Education India  
This is the latest edition of the world's best-selling textbook on bookkeeping and accounting. It contains a large number of questions and answers and worked examples.

**Frank Wood's Business Accounting Volume 1, 11/e (New Edition)** John Wiley & Sons

This book has been devised to enable students to attain knowledge and understanding in carrying out cash and credit transactions in accounting. It has been structured into a number of parts to enable students to undertake a particular topic to meet their specific needs. Whilst the book centres on the two main topics of Recording and Accounting for Cash and Credit Transactions, other topics, such as Introduction to double entry have been included, since competence is needed in the double entry system of book-keeping when undertaking accounting transactions. Each chapter in the book includes 'Student Activities' to enable students to assess their progress. Practice assessments have been devised to simulate the AAT Central Assessments and the ACCA Multi-choice assessments. These are designed for the student to gain a valuable indication as to their competence and readiness for undertaking either the AAT or ACCA assessments. Transaction Accounting for NVQ Level 2 is suitable for students studying the following courses: the Lead Body for Accounting NVQ Level 2, AAT Foundation NVQ Level 2, AAT Diploma in Accounting (for non-UK students), ACCA Accounting Technician Certificate and Edexcel Accounting at NVQ Level 2. It is also ideal for other accounting courses where a basic book-keeping knowledge and understanding is required.

Business Accounting is the world's best-selling textbook on bookkeeping and accounting. Its clear explanations, in simple language, a wealth of worked examples and large number of questions and answers, have made it a popular choice with both students and lecturers for over thirty years. Other popular features are its comprehensiveness, the clarity of presentation and layout and the structured manner in which it builds knowledge in logically progressing short chapters. In this edition the distribution of chapters between the two volumes has been rationalised. Volume 1 now includes more-complete coverage of special accounting procedures and partnerships. Chapters on partnership dissolution, joint venture accounts, bills of exchange, and consignment accounts, have been incorporated from Volume 2. A selection of recent questions from examining boards and professional bodies has been included. Frank Wood's Business Accounting Volume 1  
This book has been developed to test students' knowledge of basic bookkeeping and accounting. It is specifically linked to the eighth edition of Business Accounting 1, but is general enough in content to be used alongside any text in basic accounting. It satisfies two needs: for a test bank to accompany a course in accounting used throughout the course; for a source of exam-style revision material for last-minute preparation.
