 The Life of Ludwig van Beethoven is the
 first scholarly biography of Ludwig van
 Beethoven, covering Beethoven's life to
 1816. Thayer became aware of many
 discrepancies in the already existing
 biographies of Beethoven, so in 1849 he
 sailed for Europe to undertake his own
 researches, learning German and
 collecting information. Still after many
 updates Thayer's biography of Beethoven
 is regarded as a standard work of
 reference on the composer.

This annotated bibliography uncovers the
 wealth of resources available to
 prospective researchers and supports
 emerging scholarship and inquiry into the
 life and music of this Czech composer. It
 includes all secondary sources on Martinu
 and his music, as well as chronology of his
 life and a complete list of works.

The 1921 three-volume English edition of a landmark biography of one of the world's greatest composers.

6 duos for violin and viola Read Books Ltd

Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing many of these classic works in affordable, high quality, modern editions, using the original text and artwork.

Duo for Violin and Violoncello in D Major, Hob.VI.D1 Mel Bay Publications

Celebrate the winter season with these concert-ready arrangements influenced by a variety of folk traditions such as Celtic, old-time, bluegrass and Scandinavian fiddle. This collection of time-honored and original melodies is written with a modern string crossover twist to keep both the listener and performer engaged. All tunes are arranged by the Wires String Duo, including their original piece "Campbell Street". The audio is a stereo recording of each of the arrangements inside this collection. Includes access to online audio. [twelve miniatures for duo violin with violoncello or double bass](#) Stanford University Press

Chamber Music: A Research and Information Guide is a reference tool for anyone interested in chamber music. It is not a history or an encyclopedia but a guide to where to find answers to questions about chamber music. The third edition adds nearly 600 new entries to

cover new research since publication of the previous edition in 2002. Most of the literature is books, articles in journals and magazines, dissertations and theses, and essays or chapters in Festschriften, treatises, and biographies. In addition to the core literature obscure citations are also included when they are the only studies in a particular field. In addition to being printed, this volume is also for the first time available online. The online environment allows for information to be updated as new research is introduced. This database of information is a "live" resource, fully searchable, and with active links. Users will have unlimited access, annual revisions will be made and a limited number of pages can be downloaded for printing.
