JOHN HOWARD

Central Park Mulholland Books

While many feminist and queer movements are designed to challenge sexism, they often simultaneously police gender and sexuality—sometimes just as fiercely as the straight, male-centric mainstream does. Among LGBTQ activists, there is a long history of lesbians and gay men dismissing bisexuals, transgender people, and other gender and sexual minorities. In each case, exclusion is

based on the premise that certain ways of being gendered or sexual are more legitimate, natural, or righteous than others. As a trans woman, bisexual, and femme activist, Julia Serano has spent much of the last ten years challenging various forms of exclusion within feminist and queer/LGBTQ movements. In *Excluded*, she chronicles many of these instances of exclusion and argues that marginalizing others often stems from a handful of assumptions that are routinely made about gender and sexuality. These false assumptions infect theories, activism, organizations, and

communities—and worse, they enable people to vigorously protest certain forms of sexism while simultaneously ignoring and even perpetuating others. Serano advocates for a new approach to fighting sexism that avoids these pitfalls and offers new ways of thinking about gender, sexuality, and sexism that foster inclusivity rather than exclusivity.

Two White Queens and the One-Eyed Jack
Routledge

Offers a detailed study of the anatomical structure of the human body, and provides tips on motion, proportion, and shading the figures.

Book of the True Poem Springer Science & Business Media

'THE FRENCH SUSPENSE KING' New York Times 'It's no wonder that Musso is one of France's most loved, bestselling authors' Harlan Coben In 1999, after publishing three cult novels, celebrated author Nathan Fawles announces the end of his writing career and withdraws to Beaumont, a wild and beautiful island off the Mediterranean coast. Autumn 2018. As Fawles' novels continue to captivate readers, Mathilde Monney, a young Swiss journalist, arrives on the island, determined to unlock the writer's secrets and secure his first interview in twenty years. That same day, a woman's body is discovered on the beach and the island is cordoned off by the authorities. And so, begins a dangerous face off between Mathilde and Nathan, in which the line between truth and fiction becomes increasingly blurred... Praise for Guillaume Musso and *The Reunion* 'Extraordinary' Sunday Times 'Breathtakingly good. Do not miss it' Daily Mail 'One of the great thriller writers of our age' Daily Express 'Stylish and streamlined, nostalgic... More please' The Times 'Hugely enjoyable and

beautifully staged, with an audacious authorial coup at the death that is simply breathtaking' Irish Times 'The French call it a coup de foudre: a strike of lightning. That's how *The Reunion* zapped me, electrified me. For almost a decade, Guillaume Musso has reigned supreme as France's most popular author, and with this he's instantly poised to join the ranks of Stieg Larsson and Jo Nesbo' A.J. Finn, author of *The Woman in the Window* [Ethical Hacking](#) Gallic Books

An extraordinary story of love and vengeance in the international art world... A fast-paced and gripping tale... An extraordinary story of love and vengeance in the international art world... A fast-paced and gripping tale... Jonathan and Anna are in the final stages of planning their Bostonian high-society wedding, when Peter, an auctioneer for Christie's and Jonathan's best friend, calls with news that will change all of their lives. He has just been informed that a small London art gallery has come in to possession of five canvases by the 19th century artist, Vladimir Radskin. Jonathan, the world's foremost expert on Radskin, immediately understands the significance of the

information. If the gallery indeed has five paintings, then the collection could very well include Radskin's final canvas - a painting that has become legendary ever since it went missing in mysterious circumstances before its public unveiling in 1868. For Jonathan, who has spent the last twenty years of his career searching for this painting, its discovery and authentication would finally establish the under-appreciated Radskin as a true master. For Peter, whose recent auctions have come under fire from the critics, an ensuing high-profile sale would represent an opportunity to salvage his career. When Jonathan meets Clara, the owner of the London gallery, he is overwhelmed by a dizzying sense of déjà-vu. But in the desperate rush to authenticate the fifth painting, he simply puts this strange feeling down to their shared passion for the late Russian painter. He and Clara are both convinced that this breath-taking painting is Radskin's mythical last work, but they need proof: for *The Young Girl in the Red Dress* is unsigned. Their quest takes them from a gallery in Piccadilly to a paint workshop in Florence, from a laboratory in the Louvre to a mysterious

manor in the English countryside. The more Jonathan and Clara uncover about Radskin's last painting, the more they discover about themselves: three very different lives, three inextricably intertwined destinies, caught in a race against time. "His writing flows, it is elegant and fast paced... In Another Life is Romeo and Juliet, set in today's modern world . It's dense, beautiful, and just as tragic.' - Paris Match "His stories make us dream, his writing fills us with emotion.' - Elle

How to Learn a Foreign Language Walter de Gruyter GmbH & Co KG

The next installment in The Station Series takes readers on another lively journey through the after-life adventures of eighteen year old Piper Willow. Piper has new challenges to overcome, new names to learn and is faced with a new Station occupation. Did she make the right choice - choosing to stay at the Station and become a Volunteer? Does she really want answers to the questions that never leave her mind? How did the Station come to be? What lies beyond? Who is Andurush and what, exactly, does he want with Piper? She must ask herself once again if

she has what it takes...but this time it isn't about saving lives, it is about discovering what lies beyond death. Would you want to know?

The Workout Journal and Roadmap La Nave di Teseo Editore spa

Chilling and complex, Nightblind is an extraordinary thriller from Ragnar Jonasson, an undeniable new talent. Ari Thor Arason is a local policeman who has an uneasy relationship with the villagers in an idyllically quiet fishing village in Northern Iceland—where no one locks their doors. The peace of this close-knit community is shattered by a murder. One of Ari's colleagues is gunned down at point-blank range in the dead of night in a deserted house. With a killer on the loose and the dark Arctic waters closing in, it falls to Ari Thor to piece together a puzzle that involves a new mayor and a psychiatric ward in Reykjavik. It becomes all too clear that tragic events from the past are weaving a sinister spell that may threaten them all.

How Spies Think Penguin UK

From the #1 international bestselling author: a woman wakes up on a Central Park bench with no memory of how she

got there in this “unpredictable and moving psychological thriller that keeps you holding your breath” (Métro) Alice, a fierce and respected Parisian cop, wakes up on a Central Park bench with no memory of the night before, handcuffed to a complete stranger—a musician named Gabriel. Disoriented, dazed, and with someone else's blood on her shirt, Alice works furiously to reconnect the dots. She remembers clubbing with her friends the night before on the Champs-Élysées. Gabriel claims he was playing a gig in Dublin. Was she drugged? Kidnapped? Why is the gun in her jacket pocket missing a bullet? And whose blood is on her clothes? Over the next twenty-four hours, Alice and Gabriel race across New York in search of answers, stumbling upon a startling set of clues that point to a terrible adversary from the past. Alice must finally confront her memories of hunting the serial killer who took everything from her—a man she thought was dead, until now. From France's #1 bestselling author, Central Park is a taut and suspenseful thriller that will keep readers riveted until its final shocking twist.

Painting Women Castle Point Books

A gripping literary thriller from an exciting new voice in fiction Hailed as 'one to watch' by the UK's Telegraph, Sam Taylor is one of the most imaginative and innovative young writers at work today. With *The Amnesiac*, his United States debut, he incorporates a murder mystery and a forgotten manuscript into an exhilarating and intelligent novel. When twenty-nine-year-old James Purdew returns to England from his home in Amsterdam, it is to discover what happened during three earlier years of his life that he cannot recall. What he finds, in an old house with a tragic history, is a nineteenth-century manuscript that begins to seem less and less like a work of fiction—and more like the key to his own lost past. Memory and amnesia, fiction and reality, destiny and randomness, heaven and hell—all converge to form an engrossing gothic story that is sure to appeal to fans of Carlos Ruiz Zafon's *The Shadow of the Wind*.

Biotechnological Approaches in Biocontrol of Plant Pathogens Springer Science & Business Media

Transhumance is a form of pastoralism

that has been practised around the world since animals were first domesticated. Such seasonal movements have formed an important aspect of many European farming systems for several thousand years, although they have declined markedly since the nineteenth century. Ethnographers and geographers have long been involved in recording transhumant practices, and in the last two decades archaeologists have started to add a new material dimension to the subject. This volume brings together recent advances in the study of European transhumance during historical times, from Sweden to Spain, Romania to Ireland, and beyond that even Newfoundland. While the focus is on the archaeology of seasonal sites used by shepherds and cowherds, the contributions exhibit a high degree of interdisciplinarity. Documentary, cartographic, ethnographic and palaeoecological evidence all play a part in the examination of seasonal movement and settlement in medieval and post-medieval landscapes. Notwithstanding the obvious diversity across Europe in terms of livestock, distances travelled and socio-economic context, an extended

introduction to the volume shows that cross-cutting themes are now emerging, including mobility, gendered herding, collective land-use, the agency of non-elite people and competition for grazing and markets. The book will appeal not only to archaeologists, but to historians, geographers, ethnographers, palaeoecologists and anyone interested in rural lifeways across Europe.

The Enduring Challenge of Concentrated Poverty in America Penguin

A convenient handbook to keep you on track with your fitness goals Not seeing the maximum fitness results you know you can achieve? It's time to get serious with your most powerful tool: *The Workout Journal and Roadmap!* With a durable, cleanable cover and convenient spiral binding (lays flat for tracking anywhere!), this handy-size journal is ready to tuck into your gym bag. *The Workout Journal and Roadmap* will energize your workouts and help you take them to a whole new level. The power lies in recording: • Your training goals—whether it's more reps or sets with higher weight or going farther and faster with cardio, even flexibility and mobility goals • Where you are right now—from

body measurements to workout maxes and bests, so you can clearly see your progress and boost motivation to keep at it • Your performance for each workout—celebrate successes (physical and mental) and troubleshoot anything holding you back • Extra support from nutrition, supplements, and sleep—factors easy to overlook but also critical to reaching your fitness goals Easy-to-use log pages help you capture important workout measures—reps and sets, distance, heart rate, and more—in a strong, portable book. Plus, the simple yet powerful act of recording keeps you focused in each workout and motivated to stick to your overall fitness program. Get ready to see the results you've been chasing!

Middlebrow Matters Penguin

Anarchism and Political Modernity looks at the place of “classical anarchism” in the postmodern political discourse, claiming that anarchism presents a vision of political postmodernity. The book seeks to foster a better understanding of why and how anarchism is growing in the present. To do so, it first looks at its origins and history, offering a different view from the two traditions that characterize modern

political theory: socialism and liberalism. Such an examination leads to a better understanding of how anarchism connects with newer political trends and why it is a powerful force in contemporary social and political movements. This new volume in the Contemporary Anarchist Studies series offers a novel philosophical engagement with anarchism and contests a number of positions established in postanarchist theory. Its new approach makes a valuable contribution to an established debate about anarchism and political theory. It offers a new perspective on the emerging area of anarchist studies that will be of interest to students and theorists in political theory and anarchist studies.

The Handbook of Neuropsychiatric Biomarkers, Endophenotypes and Genes
Minotaur Books

Fate, circumstance, and the symbolism of sight collide in this modern gothic novel. On a hot June day in 1965, two six-year-old boys, Gareth and Jack, compete to see who can climb higher up a tree. When Jack falls and loses his eye on a thorn bush, the accident sets off a series of events that will bind the boys together for the rest of their lives. When the best friends meet

albino twins Clara and Blanca, a shared fate unfolds. With Gareth and Jack's help, the twins are able to reclaim their lives and leave their nightmarish past behind them. From the shores of Lake Ontario to the hustle of Berlin, from the art of ocular to punk opera, this is a story of dark secrets, suppressed desires, forgiveness, and love.

Red Widow Little, Brown

In this deliciously noir novel from the creator of HBO's *Bored to Death*, idiosyncratic private detective Happy Doll embarks on a quest to help a dying friend in a sun-blinded Los Angeles as "quirky, edgy, charming, funny and serious" as its protagonist (Lee Child). Happy Doll is a charming, if occasionally inexpert, private detective living just one sheer cliff drop beneath the Hollywood sign with his beloved half-Chihuahua half-Terrier, George. A veteran of both the Navy and LAPD, Doll supplements his meager income as a P.I. by working through the night at a local Thai spa that offers its clients a number of special services. Armed with his sixteen-inch steel telescopic baton, biting dry humor, and just a bit of a hero complex, the ex-cop

sets out to protect the women who work there from clients who have trouble understanding the word "no." Doll gets by just fine following his two basic rules: bark loudly and act first. But when things get out-of-hand with one particularly violent patron, even he finds himself wildly out of his depth, and then things take an even more dangerous twist when an old friend from his days as a cop shows up at his door with a bullet in his gut. *A Man Named Doll* is more than just a fascinating introduction to one truly singular character, it is a highly addictive and completely unpredictable joyride through the sensuous and violent streets of LA. *Excluded* A&C Black

Un thriller absolutamente trepidante por el autor que arrasa en Francia. Alice no recuerda absolutamente nada de lo que ocurrió la noche anterior... ¿Qué hace en Central Park si ayer estaba en los Campos Elíseos? Alice Schäfer, capitana de la Brigada Criminal de París, se despierta profundamente desorientada. Se encuentra en el banco de un parque, su blusa está manchada de sangre; lleva un arma que no es la suya, a la que además le falta una bala; y, lo que resulta más

inquietante, está esposada a un desconocido. Lo último que recuerda es haber bebido más de la cuenta con sus amigas (en una fiesta) en los Campos Elíseos. El resto está todo borroso. Su única esperanza es que el hombre al que está encadenada pueda ayudarla a reconstruir los hechos, pero este está tan desconcertado como ella. Se llama Gabriel Keyne, es pianista de jazz y afirma que la noche anterior tocó en un club de Dublín. El asunto se vuelve aún más perturbador cuando se percatan de que se encuentran en Central Park. ¿Cómo han llegado a Nueva York? Alice y Gabriel no tendrán otra opción que confiar el uno en el otro para desentrañar este extraño misterio... Pero la verdad es mucho más estremecedora de lo que podían imaginar. Déjate atrapar por el autor que arrasa en Francia: Cuatro años consecutivos encabezando los rankings de más vendidos en Francia. Más de veintidós millones de ejemplares de sus libros vendidos en todo el mundo. La crítica ha dicho... «Imprevisible y conmovedor, un thriller psicológico que te deja sin aliento hasta un asombroso final.» Metro News «¡400 páginas trepidantes! ¡Una historia

excepcional!» RTL «Musso se reafirma como un maestro del suspense.» La Presse «Un thriller magnífico.» TV5 Monde *After Anna* Central Park
As media environments and communication practices evolve over time, so do theoretical concepts. This book analyzes some of the most well-known and fiercely discussed concepts of the digital age from a historical perspective, showing how many of them have pre-digital roots and how they have changed and still are constantly changing in the digital era. Written by leading authors in media and communication studies, the chapters historicize 16 concepts that have become central in the digital media literature, focusing on three main areas. The first part, Technologies and Connections, historicises concepts like network, media convergence, multimedia, interactivity and artificial intelligence. The second one is related to Agency and Politics and explores global governance, datafication, fake news, echo chambers, digital media activism. The last one, Users and Practices, is finally devoted to telepresence, digital loneliness, amateurism, user generated content,

fandom and authenticity. The book aims to shed light on how concepts emerge and are co-shaped, circulated, used and reappropriated in different contexts. It argues for the need for a conceptual media and communication history that will reveal new developments without concealing continuities and it demonstrates how the analogue/digital dichotomy is often a misleading one.

[A Man Named Doll](#) Little, Brown

“A wicked sharp spy novel...Equal parts Tinker Tailor Soldier Spy and Killing Eve.”
–S. A. Cosby, author of Blacktop Wasteland and Razorblade Tears
An exhilarating spy thriller written by an intelligence veteran about two women CIA agents whose paths become intertwined around a threat to the Russia Division--one that's coming from inside the agency. Lyndsey Duncan worries her career with the CIA might be over. After lines are crossed with another intelligence agent during an assignment, she is sent home to Washington on administrative leave. So when a former colleague--now Chief of the Russia Division--recruits her for an internal investigation, she jumps at the chance to prove herself. Lyndsey was once a top

handler in the Moscow Field Station, where she was known as the "human lie detector" and praised for recruiting some of the most senior Russian officials. But now, three Russian assets have been exposed--including one of her own--and the CIA is convinced there's a mole in the department. With years of work in question and lives on the line, Lyndsey is thrown back into life at the agency, this time tracing the steps of those closest to her. Meanwhile, fellow agent Theresa Warner can't avoid the spotlight. She is the infamous "Red Widow," the wife of a former director killed in the field under mysterious circumstances. With her husband's legacy shadowing her every move, Theresa is a fixture of the Russia Division, and as she and Lyndsey strike up an unusual friendship, her knowledge proves invaluable. But as Lyndsey uncovers a surprising connection to Theresa that could answer all of her questions, she unearths a terrifying web of secrets within the department, if only she is willing to unravel it....

Multiple Myeloma HarperCollins UK
How will governments and courts protect civil liberties in this new era of hacktivism?

Ethical Hacking discusses the attendant moral and legal issues. The first part of the 21st century will likely go down in history as the era when ethical hackers opened governments and the line of transparency moved by force. One need only read the motto “we open governments” on the Twitter page for Wikileaks to gain a sense of the sea change that has occurred. Ethical hacking is the non-violent use of a technology in pursuit of a cause—political or otherwise—which is often legally and morally ambiguous. Hacktivists believe in two general but spirited principles: respect for human rights and fundamental freedoms, including freedom of expression and personal privacy; and the responsibility of government to be open, transparent and fully accountable to the public. How courts and governments will deal with hacking attempts which operate in a grey zone of the law and where different ethical views collide remains to be seen. What is undisputed is that Ethical Hacking presents a fundamental discussion of key societal questions. A fundamental discussion of key societal questions. This book is published in English. - La première moitié du XXle

siècle sera sans doute reconnue comme l'époque où le piratage éthique a ouvert de force les gouvernements, déplaçant les limites de la transparence. La page twitter de Wikileaks enchâsse cet ethos à même sa devise, « we open governments », et sa volonté d'être omniprésent. En parallèle, les grandes sociétés de technologie comme Apple se font compétition pour produire des produits de plus en plus sécuritaires et à protéger les données de leurs clients, alors même que les gouvernements tentent de limiter et de décrypter ces nouvelles technologies d'encryption. Entre-temps, le marché des vulnérabilités en matière de sécurité augmente à mesure que les experts en sécurité informatique vendent des vulnérabilités de logiciels des grandes technologies, dont Apple et Google, contre des sommes allant de 10 000 à 1,5 million de dollars. L'activisme en sécurité est à la hausse. Le piratage éthique est l'utilisation non-violence d'une technologie quelconque en soutien d'une cause politique ou autre qui est souvent ambiguë d'un point de vue juridique et moral. Le hacking éthique peut désigner les actes de vérification de pénétration professionnelle

ou d'experts en sécurité informatique, de même que d'autres formes d'actions émergentes, comme l'hacktivisme et la désobéissance civile en ligne. L'hacktivisme est une forme de piratage éthique, mais également une forme de militantisme des droits civils à l'ère numérique. En principe, les adeptes du hacktivisme croient en deux grands principes : le respect des droits de la personne et les libertés fondamentales, y compris la liberté d'expression et à la vie privée, et la responsabilité des gouvernements d'être ouverts, transparents et pleinement redevables au public. En pratique, toutefois, les antécédents comme les agendas des hacktivistes sont fort diversifiés. Il n'est pas clair de quelle façon les tribunaux et les gouvernements traiteront des tentatives de piratage eu égard aux zones grises juridiques, aux approches éthiques conflictuelles, et compte tenu du fait qu'il n'existe actuellement, dans le monde, presque aucune exception aux provisions, en matière de cybercrime et de crime informatique, liées à la recherche sur la sécurité ou l'intérêt public. Il sera également difficile de déterminer le lien

entre hacktivisme et droits civils. Ce livre est publié en anglais.

The 7th Month Simon and Schuster
#1 French Bestselling author of The Reunion 'It's no wonder that Guillaume Musso is one of France's most loved, bestselling authors' Harlan Coben
Sometimes, a second chance can come out of nowhere ... Parisian cop Martin Beaumont has never really got over his first love, Gabrielle. Their brief, intense affair in San Francisco and the pain of her rejection still haunt him years later. Now, however, he's a successful detective - and tonight he's going to arrest the legendary art thief, Archibald Maclean, when he raids the Musee d'Orsay for a priceless Van Gogh. But the enigmatic Archibald has other plans. Martin's pursuit of the master criminal across Paris is the first step in an adventure that will take him back to San Francisco, and to the edge of love and life itself.

The Girl on Paper Oxford University Press
Parigi, un appartamento senza inquilini nel centro della città, silenzioso, troppo perfetto per non nascondere misteri. Madeline, una giovane poliziotta di Londra,

lo prende in affitto per cercare un po' di riposo, dopo una serie di casi non risolti e la crisi della sua storia d'amore. Per un errore tecnico, nella stessa casa arriva anche Gaspard, venuto a Parigi per isolarsi e scrivere in tranquillità la sua nuova opera teatrale. Queste due anime solitarie e irrequiete sono così costrette a vivere assieme per qualche giorno. L'appartamento era di proprietà del celebre pittore Sean Lorenz che lo usava anche come studio, e in quelle stanze si respira ancora la sua passione per i colori

e per la luce. Distrutto dall'assassinio del giovane figlio, Lorenz è morto l'anno precedente l'arrivo dei due inquilini, lasciando in eredità tre dipinti, che tuttavia risultano oggi scomparsi. Affascinati dal suo genio e colpiti dai molti misteri che avvolgono la sua vita e, soprattutto, la sua morte, Madeline e Gaspard decidono di unire le forze per ritrovare le opere dell'artista. Ma per arrivare a scoprire il segreto che si nasconde dietro l'enigmatica figura di Sean Lorenz, Madeline e Gaspard

dovranno affrontare i loro demoni in un'indagine che li cambierà per sempre. Guillaume Musso, lo scrittore francese più amato, firma, dopo La ragazza di Brooklyn, un nuovo thriller, travolgente e ipnotico. Un tuffo vertiginoso nel misterioso mondo della creazione artistica e dei fantasmi che la animano.
