NEW YORK TIMES bestselling author Kathryn Shay delivers an emotional series, *About the Baby*, filled with sizzling romance, heartfelt pregnancy and baby scenes, and a unique look at the healing power of forgiveness. SOON TO BE A MAJOR MOTION PICTURE—The #1 New York Times bestselling worldwide sensation with more than 12 million copies sold, "a painfully beautiful first novel that is at once a murder mystery, a coming-of-age narrative and a celebration of nature"(The New York Times Book Review), now in paperback for the first time. For years, rumors of the "Marsh Girl" have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life--until the unthinkable happens. *Where the Crawdads Sing* is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

National Jewish Book Award Winner The New York Times bestselling author of *A Fierce Radiance* and

City of Light returns with a powerful and passionate novel—inspired by historical events—about two women, one European and one American, and the mysterious choral masterpiece by Johann Sebastian Bach that changes both their lives. In the ruins of Germany in 1945, at the end of World War II, American soldier Henry Sachs takes a souvenir, an old music manuscript, from a seemingly deserted mansion and mistakenly kills the girl who tries to stop him. In America in 2010, Henry's niece, Susanna Kessler, struggles to rebuild her life after she experiences a devastating act of violence on the streets of New York City. When Henry dies soon after, she uncovers the long-hidden music manuscript. She becomes determined to discover what it is and to return it to its rightful owner, a journey that will challenge her preconceptions about herself and her family's history—and also offer her an opportunity to finally make peace with the past. In Berlin, Germany, in 1783, amid the city's glittering salons where aristocrats and commoners, Christians and Jews, mingle freely despite simmering anti-Semitism, Sara Itzig Levy, a renowned musician, conceals the manuscript of an anti-Jewish cantata by Johann Sebastian Bach, an unsettling gift to her from Bach's son, her teacher. This work and its disturbing message will haunt Sara and her family for generations to come. Interweaving the stories of Susanna and Sara, and their families, *And After the Fire* traverses over two hundred years of history, from the eighteenth century through the Holocaust and into today, seamlessly melding past and present, real and imagined. Lauren Belfer's deeply researched, evocative, and compelling narrative resonates with emotion and immediacy.

This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Illustrations.
