THE DEAD DO NOT  
REST TILL THEY GET  
WHAT THEY WANT. You

have arrived in the  
hills. In here, you are  
surrounded by dense,  
menacing forests,  
enveloped in a deadly  
silence . . . You never  
know what lurks here  
in the cold, dark night.  
Do not walk alone after  
sunset in the hills. A

beautiful woman in white haunts the lonely pathways, looking to enchant and ensnare men . . . All the people who died in accidents here . . . They say you hear their screams at night. And the deserted lodges sitting amidst lush greenery and calm streams . . . Spirits lie in wait here, ready to prey on the living. There are sceptics who did not heed these warnings. They tried to rationalize what they saw, what they felt. But when they came face to face with the beings that they believed didn't exist, they couldn't run away anymore . . . Ghosts of the Silent Hills is a collection that will make your nights a little scarier, encompassing the very best spine-chilling stories based on true

hauntings.

"The Red Room" is a short story written by H. G. Wells. First published in the 1896 edition of "The Idler" magazine, it is a quintessentially Gothic tale about a man who spends a night in a supposedly haunted room in Lorraine Castle in an attempt to disprove the legends surrounding it. This thrilling tale constitutes a must-read for fans of Gothic literature and Wells' seminal work, and it would make for a fantastic addition to any collection. Herbert George Wells (1866 -

1946) was a prolific English writer who wrote in a variety of genres, including the novel, politics, history, and social commentary. "The Father of Science Fiction" was also a staunch socialist, and his later works are increasingly political and didactic. Today, he is perhaps best remembered for his contributions to the science fiction genre thanks to such novels as "The Time Machine" (1895), "The Invisible Man" (1897), and "The War of the Worlds" (1898). Many vintage books such as this are becoming increasingly scarce and expensive. We are republishing this book now in an affordable, modern, high-quality edition complete with a specially commissioned

new biography of the author.

'A Khushwant Singh short story is not flamboyant but modest, restrained, well-crafted...Perhaps his greatest gift as a writer is a wonderful particularity of description'—London Magazine  
Khushwant Singh first established his reputation as a writer through the short story. His stories—wry, poignant, erotic and, above all, human—bear testimony to Khushwant Singh's remarkable range and his ability to create an unforgettable PBI - World. Spanning over half a century, this volume contains all the short stories Khushwant Singh has ever written, including

the delightfully tongue-in-cheek 'The Maharani of Chootiapuram', written in 2008.

'Khushwant's stories enthrall...[He has]an ability akin to that of Somerset Maugham...the ability to entertain intelligently'—PBI - India Today  
'His stories are better than [those of] any PBI - Indian writing in English—Times of PBI - India  
'The Collected Short Stories leaves the reader in a delightful, inebriated trance'—Sunday Chronicle

While some try to get out of prison, Soapy, the only character in O.

Henry's short story, tries to get into it. Soapy is a homeless guy who prefers the warm cell to the cold night under the New York sky. He does everything he can think of in order to draw the attention of the police. However without any success. Until he hears a magical organ anthem. How will this story develop? Will Soapy manage to get into jail or he will find another way to sort out his life? "The Cop and the Anthem" is a comical short story with a touch of irony which emphatically presents the lower class and the obstacles man has to face. William Sidney Porter (1862-1919), known simply as O. Henry, was a prolific American author of humorous literary

pieces. His fame came exceptionally quickly and he became a bestselling author of short story collections, among the most famous being "Cabbages and Kings", "The Voice of the City", and "Strictly Business." As a result of the outstanding literature legacy that O. Henry left behind, there is an American annual award after his name, given to exceptional short stories.

A collection of stories, including two of Wilde's most famous: 'The Canterville Ghost', in which a young American girl helps to free the tormented spirit that haunts an old English castle and 'The Happy Prince', who was not as happy as he seemed. Often

whimsical and sometimes sad, they all shine with poetry and magic.

'Go, kiss the world' were Subroto Bagchi's blind mother's last

words to him. These words became the guiding principle of his life. Subroto Bagchi grew up amidst what he calls the 'material simplicity' of rural and small-town Orissa, imbibing from his family a sense of contentment, constant wonder, connectedness to a larger whole and learning from unusual sources. From humble beginnings, he went on to achieve extraordinary professional success, eventually co-founding MindTree, one of India's most admired software services companies. Through personal anecdotes and simple words of wisdom, Subroto Bagchi brings to the young professional lessons in working and living,

energizing ordinary people to lead extraordinary lives. *Go Kiss the World* will be an inspiration to 'young India', and to those who come from small-town India, urging them to recognize and develop their inner strengths, thereby helping them realize their own, unique potential.

»The Canterville Ghost« is a short story by Oscar Wilde, originally published in 1891. OSCAR WILDE, born in 1854 in Dublin, died in 1900 in Paris, was an Irish prose writer, playwright, essayist, and poet. Wilde's significance as a symbol for persecuted homosexuals around the world is

immeasurable. Wilde himself was sentenced to prison and hard labour, his works were boycotted, theatrical productions were shut down, and he was publicly vilified. The Picture of Dorian Gray [1890] is his most famous work.

Freelance writer and reporter Tom Verde first became interested in such eerie occurrences while researching first-hand encounters with ghosts for a series of public radio programs. This book recounts some of the spine-tingling tales he uncovered in his research, including:

- The dagger-wielding shade who terrorized a Portland couple
  - The murdered Indian who revisited Means's Tavern
  - Famed diva Lillian Nordica, whose voice still echoes through the Farmington auditorium named in her honor
  - The hostile spirit who tried to frighten the tenants out of an Orrington house
  - Even an entire phantom ship, bound eternally for Freeport
- These are not fictitious creations

of literary imagination. People from all walks of life—including many who were positive they would never believe in ghosts—attest to these encounters.

A contemporary envisioning of a nineteenth-century poem pairs artwork by G. Brian Karas with the Henry Wadsworth Longfellow classic. His brow is wet with honest sweat; He earns whate'er he can, And looks the whole world in the face, For he owes not any man. The neighborhood blacksmith is a quiet and unassuming presence, tucked in his smithy under the chestnut tree. Sturdy, generous, and with sadness of his own, he toils through the day, passing on the tools of his trade, and come evening, takes a well-deserved rest. Longfellow's timeless poem is enhanced by

G. Brian Karas's thoughtful and contemporary art in this modern retelling of the tender tale of a humble craftsman. An afterword about the tools and the trade of blacksmithing will draw readers curious about this age-honored endeavor, which has seen renewed interest in developed countries and continues to be plied around the world.

**Desiree's Baby** Read

Desiree's Baby BY Kate Chopin is about the daughter of Monsieur and Madame Valmond, who are wealthy French Creoles in antebellum Louisiana. Abandoned as a baby, Desiree was found by Monsieur Valmond lying in the shadow of a stone pillar near the Valmond gateway.

She is courted by the son of another wealthy, well-known and respected French Creole family, Armand. They marry and have a child. People who see the baby have the sense it is different. Eventually they realize that the baby's skin is the same color as a quadroon (one-quarter African)-the baby has African ancestry. At the time of the story, this would have been considered a problem for a person believed to be white.

Few authors are as closely associated with English wit as Oscar Wilde: the sharp-witted dandy, always ready with a cutting remark. His brilliant conversational skills made him famous even before he began his

literary career. The stories in this volume showcase his drastic humour and scathing social critique. Among them, »The Model Millionaire« upends social hierarchies, and in »The Canterville Ghost,« ancient traditions meet modern times in the form of a vulgar and unsentimental American family, creating problems for a ghost that has had it too easy for centuries. OSCAR WILDE, born in 1854 in Dublin, died in 1900 in Paris, was an Irish prose writer, playwright, essayist, and poet. Wilde's significance as a symbol for persecuted homosexuals around the world is immeasurable. Wilde himself was sentenced to prison and hard labour, his works were
