## **TALIYAH HATFIELD**

---

*Safe People* Simon and Schuster

Ryan and Selena Frederick were newlyweds when they landed in Switzerland to pursue Selena's dream of training horses. Neither of them knew at the time that Ryan was living out a death sentence brought on by a worsening genetic heart defect. Soon it became clear he needed major surgery that could either save his life--or result in his death on the operating table. The young couple prepared for the worst. When Ryan survived, they both realized that they still had a future together. But the near loss changed the way they saw all that would lie ahead. They would

live and love fiercely, fighting for each other and for a Christ-centered marriage, every step of the way. Fierce Marriage is their story, but more than that, it is a call for married couples to put God first in their relationship, to measure everything they do and say to each other against what Christ did for them, and to see marriage not just as a relationship they should try to keep healthy but also as one worth fighting for in every situation. With the gospel as their foundation, Ryan and Selena offer hope and practical help for common struggles in marriage, including communication problems, sexual frustration, financial stress, family tension, screen-time disconnection, and unrealistic expectations.

From the creator of the popular website Ask a Manager and New

York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole*

Survival Guide "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

### **Dad Tired and Loving It** Harmony

Too many of us have invested ourselves into relationships that left us deeply wounded. We've been abandoned or taken advantage of, and left with little to show for what we've given. We've lost our sense of security and personal value in the process. And what's worse, we tend to either repeat the same mistakes of judgment over and over . . . Or else lock the doors of our hearts entirely and throw away the key. Why do we choose the wrong people to get involved with? Is it possible to change? And if so, where does one begin? Drs. Henry Cloud and John Townsend offer solid guidance for making safe choices in relationships, from friendships to romance. They help identify the nurturing people we all need in our lives, as well as ones we need to learn to avoid. *Safe People* will help you to recognize 20 traits of relationally untrustworthy people. Discover what makes some people relationally safe, and how to avoid unhealthy entanglements. You'll learn about things within yourself that jeopardize your relational security. And you'll find out what to do and what not to do to develop a balanced, healthy approach to relationships.

### *Boundaries with Kids* Zondervan

When your nemesis also happens to be your fiancé, happily ever after becomes a lot more complicated in this wickedly funny, lovers-to-enemies-to-lovers romantic comedy debut. Naomi Westfield has the perfect fiancé: Nicholas Rose holds doors open

for her, remembers her restaurant orders, and comes from the kind of upstanding society family any bride would love to be a part of. They never fight. They're preparing for their lavish wedding that's three months away. And she is miserably and utterly sick of him. Naomi wants out, but there's a catch: whoever ends the engagement will have to foot the nonrefundable wedding bill. When Naomi discovers that Nicholas, too, has been feigning contentment, the two of them go head-to-head in a battle of pranks, sabotage, and all-out emotional warfare. But with the countdown looming to the wedding that may or may not come to pass, Naomi finds her resolve slipping. Because now that they have nothing to lose, they're finally being themselves—and having fun with the last person they expect: each other.

The Bible in a Year Notebook Zondervan

Discusses the creation of healthy boundaries and reinforced consequences to help children develop a sense of accountability for their own lives.

Stumbling Your Way to Spiritual Leadership NYU Press

"Beginning with self-examination and setting realistic expectations, the authors explore how couples can nurture and master healthy communication, build trust, and enhance the romance in their marriage"--Provided by publisher.

**Relationship** Penguin

This is a complete resource kit--containing 1 PAL video, 1 DVD, 1 Leader's Guide, 1 Participant's Guide and 1 softcover copy of *Boundaries in Marriage*--for groups of all sizes which will encourage the kind of spiritual and emotional growth and character development that enables marriage--within God's boundaries--to be fun, spiritually fulfilling, and growth producing.

How Ancient Wisdom and Modern Science Can Change Your Life  
Cambridge University Press

An easy-to-use workbook allows readers to more effectively work through the boundaries concepts in their dating life.

**Boundaries in Marriage Workbook** Harper Collins

This collection investigates intermarriage and related relationships around the world since the eighteenth century. The contributors explore how romantic relationships challenged boundary crossings of various kinds - social, geographic, religious, ethnic. To this end, the volume considers a range of related issues: Who participated in these unions? How common were they, and in which circumstances were they practised (or banned)? Taking a global view, the book also questions some of the categories behind these relationships. For example, how did geographical boundaries - across national lines, distinctions between colonies and metropolises or metaphors of the 'East' and the 'West' - shape the treatment of intermarriage? What role have social and symbolic boundaries, such as presumed racial, religious or socio-economic divides, played? To what extent and how were those boundaries blurred in the eyes of contemporaries? Not least, how have bureaucracies and law contributed to the creation of boundaries preventing romantic unions? Romantic relationships, the contributors suggest, brought into sharp relief assumptions not only about community and culture, but also about the sanctity of the intimate sphere of love and family. The chapters in this book were originally published as a special issue of *The History of the Family*.

**A Practical Guide from the Country's Foremost Relationship Expert** Vintage

NEW YORK TIMES BESTSELLER • Over a million copies sold! “An eminently practical guide to an emotionally intelligent—and long-lasting—marriage.”—Daniel Goleman, author of *Emotional Intelligence The Seven Principles for Making Marriage Work* has revolutionized the way we understand, repair, and strengthen marriages. John Gottman’s unprecedented study of couples over a period of years has allowed him to observe the habits that can make—and break—a marriage. Here is the culmination of that work: the seven principles that guide couples on a path toward a harmonious and long-lasting relationship. Straightforward yet profound, these principles teach partners new approaches for resolving conflicts, creating new common ground, and achieving greater levels of intimacy. Gottman offers strategies and resources to help couples collaborate more effectively to resolve any problem, whether dealing with issues related to sex, money, religion, work, family, or anything else. Packed with new exercises and the latest research out of the esteemed Gottman Institute, this revised edition of *The Seven Principles for Making Marriage Work* is the definitive guide for anyone who wants their relationship to attain its highest potential.

*Five Commitments to Fail-Proof Your Marriage* Zondervan

*Boundaries* is the book that's helped over 4 million people learn when to say yes and know how to say no in order to take control of their lives. Does your life feel like it's out of control? Perhaps you feel like you have to say yes to everyone's requests. Maybe you find yourself readily taking responsibility for others' feelings and problems. Or perhaps you focus so much on being loving and unselfish that you've forgotten your own limits and limitations. Or maybe it's all of the above. In the New York Times bestseller,

*Boundaries*, Drs. Henry Cloud and John Townsend help you learn when to say yes and know how to say no in order to take control of your life and set healthy, biblical boundaries with your spouse, children, friends, parents, co-workers, and even yourself. Now updated and expanded for the digital age, this book continues to help millions of people around the world answer these tough questions: Can I set limits and still be a loving person? What are legitimate boundaries? How do I effectively manage my digital life so that it doesn't control me? What if someone is upset or hurt by my boundaries? How do I answer someone who wants my time, love, energy, or money? Why do I feel guilty or afraid when I consider setting boundaries? How do boundaries relate to mutual submission within marriage? Aren't boundaries selfish? You don't have to let your life spiral out of control. Discover how boundaries make life better today! Plus, check out *Boundaries* family collection of books dedicated to key areas of life - dating, marriage, raising kids, parenting teens, and leadership. Workbooks and Spanish editions are also available.

*Fierce Marriage* Zondervan

Since the beginning of time, people have searched for happiness and have amassed many and varied opinions on how it is found. Only recently has empirical science devoted extensive research to questions such as: Is happiness within our control? What role does God play in making people happy? How do I close the gap between where I want? Drawing from the latest scientific and psychological research on the quest for happiness, *The Law of Happiness* reveals that the spiritual truths of the Bible hold the secrets to the happiness we desire. As Dr Henry Cloud unpacks these universal, eternal principles, he reveals that true happiness

is not about circumstances, physical health, financial success, or even about the people in our lives. In other words, it's not about the factors that are frequently beyond our control. Rather, happiness is found in choosing to become the kind of people God created us to be. With chapter titles like 'Happy People Connect', 'Happy People Are Envy-Free' and 'Happy People Forgive', Dr Cloud shows just how happiness is achieved as he sets readers on a pathway of spiritual transformation that connects them with the God of the universe. With these new tools, readers will discover that their relationships, their careers and their inner selves are infused with the joy they've been seeking.

*Ask a Manager* Simon and Schuster

Your life's calling is too important to let toxic people take it away. *When to Walk Away* draws from biblical and modern stories to equip you to handle toxic people in your life and live true to your God-given purpose. As Christians, we often feel the guilt and responsibility of meeting the needs of unhealthy people in our lives. Whether a sibling, parent, spouse, coworker, or friend, toxic people frequently seek to frustrate our life's calling. While you're seeking first God's kingdom, they're seeking first to distract your focus and delay your work. Instead of attempting the impossible task of mollifying toxic people, it's time we dedicate our energy to the only worthwhile effort: completing the work God has given us by investing in reliable people. It's only when we learn to say no to bad patterns that we can say yes to the good work God has planned for us. Drawing from years serving as a pastor, Gary Thomas (bestselling author of *Sacred Marriage*) looks at biblical examples from the lives of Jesus, Paul, and Nehemiah to give you insightful, biblical takeaways that you can apply right away. You'll

discover how to: Learn the difference between difficult people and toxic people Find refuge in God when you feel under attack Discern when to walk away from a toxic situation Keep a tender heart even in unhealthy relationships Grow your inner strength and invest in reliable people We can't let others steal our joy or our mission. It's time to strengthen our defense, learn to set healthy boundaries, and focus on our God-given purpose. It's time to know When to Walk Away.

[Creating and Sustaining a Strong Marriage in Today's Blended Family](#) Baker Books

Having clear boundaries is essential to a healthy, balanced lifestyle. A boundary is a personal property line that marks those things for which we are responsible. In other words, boundaries define who we are and who we are not. Boundaries impact all areas of our lives: Physical boundaries help us determine who may touch us and under what circumstances -- Mental boundaries give us the freedom to have our own thoughts and opinions -- Emotional boundaries help us to deal with our own emotions and disengage from the harmful, manipulative emotions of others -- Spiritual boundaries help us to distinguish God's will from our own and give us renewed awe for our Creator -- Often, Christians focus so much on being loving and unselfish that they forget their own limits and limitations. When confronted with their lack of boundaries, they ask: - Can I set limits and still be a loving person? - What are legitimate boundaries? - What if someone is upset or hurt by my boundaries? - How do I answer someone who wants my time, love, energy, or money? - Aren't boundaries selfish? - Why do I feel guilty or afraid when I consider setting boundaries? Dr. Henry Cloud and Dr. John Townsend offer

biblically-based answers to these and other tough questions, showing us how to set healthy boundaries with our parents, spouses, children, friends, co-workers, and even ourselves.

**Social Endogamy in History** CreateSpace

Endogamy, the custom forbidding marriage outside one's social class, is central to social history. This study considers the factors determining who married whom, whether partner selection changed over the past three hundred years and regional differences between Europe and South America.

**Boundaries** Zondervan

The 2017 Revised edition of Relationship contains ten chapters including What is Love, What is A Good Relationship, Fostering and Nurturing Relationships, Harming Relationships, Mutual Respect, Boundaries, Marriage, Breakups and Divorce, Helpful Tips, Final Thoughts, plus a Preface and an Introduction. I found this book to be such an informative and important read offering tips for all types. I couldn't agree with the author more about never ever taking your partner for granted and that love means ALWAYS saying you're sorry- actually as quickly, whole-heartedly and as often as needed. I'd recommend Bill's book to add zest to an already good relationship or to help you create the one you long for.

*Learning to Trust Again in Relationships* Zondervan

For when your trust has been broken: discover how to set firm boundaries again, how to connect deeply without being hurt, and how to safely grow your most intimate relationships. Painful relationships violate our trust, causing us to close our hearts. But to experience the freedom and love God designed us for, we eventually have to take another risk. In this breakthrough book,

bestselling author Dr. John Townsend takes you beyond the pain of the past to discover how to re-enter a life of intimate relationships. Whether you're trying to restore a current relationship or begin a new one, Townsend gives practical tools for establishing trust and finding the intimacy you long for. Beyond Boundaries will help you: Reinstatate closeness appropriately with someone who broke your trust Discern when true change has occurred Reestablish appropriate connections in strained relationships Create a safe environment that helps you trust Restore former relationships to a healthy dynamic Learn to engage and be vulnerable in a new relationship as well You can move past relational pain to trust again. Beyond Boundaries will show you how. Plus, dig even deeper into relational healing with the coordinating video study and study guide. Spanish edition also available.

[Changing the 8 Dumb Attitudes & Behaviors That Will Sink Your Marriage](#) Zondervan

Shouldn't there be more to marriage than flipping a coin to see if it will last? Is it possible to grow more in love with the person you've committed your life to? Would you like to guarantee that your marriage will last? Craig and Amy Groeschel offer singles pursuing marriage and couples at all stages of marriage five commitments to fail proof their marriage, From This Day Forward.

**Guardrails Participant's Guide** Ballantine Books

The author of Where to Draw the Line defines interpersonal boundaries, explains why they should not be crossed, and explains how to avoid having one's personal boundaries violated. Reissue.

**True Love Dates** Zondervan

Only when you and your mate know and respect each other's needs, choices, and freedom can you give yourselves freely and lovingly to one another. *Boundaries in Marriage* gives you the tools you need. Drs. Henry Cloud and John Townsend, counselors and authors of the award-winning bestseller *Boundaries*, show

you how to apply the principles of boundaries to your marriage. This book helps you understand the friction points or serious hurts and betrayals in your marriage -- and move beyond them to the mutual care, respect, affirmation, and intimacy you both long for.
