*Born for Love* Fairchild Books  
 Move over, Bert and Ernie: there's a new odd couple in town! Exuberant Peanut and steadfast Moe are roommates and best friends . . . most of the time. Peanut is messy. Moe is neat. Peanut is loud. Moe is quiet. Peanut always wants more. Moe always wants a little less. Can these two learn to appreciate their differences? With bright, bold, eye-catching illustrations and two adorable characters, Gina Perry has created a book that will appeal to all the Peanuts and Moes in the world -- whether they think it's too much or not enough!  
*True Stories from a Retail Manager* Charles C Thomas Publisher  
 Featuring a unique approach that utilizes a

hypothetical department store chain as a model, Perry's Department Store: A Buying Simulation shows novice and veteran buyers how to more effectively apply their skills and knowledge in today's fast-paced, retail world. An abundance of exercises and forms illustrate how to prepare for a profitable selling season. Organized according to the traditional steps a buyer would make, Perry's Department Store enables readers to research new markets and clothing trends; project sales; determine stock requirements and markdown; develop a merchandise plan; use advertising, publicity, and public relations to generate customer awareness; examine the income statement; and better understand the relationship of the buyer to store management and manufacturers.  
*The Why of the Buy* Fairchild Books  
 This best-selling textbook explains the

essential concepts, practices, procedures, calculations, and interpretations of figures that relate to merchandising and buying at the retail level.

### Mathematics for Retail Buying

Houghton Mifflin Harcourt  
 "At once profound, spiritual, and witty, Master of the Three Ways is a remarkable work about human nature, the essence of life, and how to live simply and with awareness. In three hundred and fifty-seven verses, the author, Hung Ying-ming a seventeenth-century Chinese sage explores good and evil, honesty and deception, wisdom and foolishness, and heaven and hell. He draws from the wisdom of the Three Creeds Taoism, Confucianism, and Zen Buddhism to impress upon us that by combining simple elegance with the ordinary, we can make our lives artistic and poetic. This sense,

along with a particular understanding of Zen that makes art from the simple in everyday life, has permeated Chinese and Japanese culture to this day. The work is divided into two books. The first generally deals with the art of living in society and the second is concerned with man's solitude and contemplations of nature. These themes repeatedly spill over into each other, creating multiple levels of meaning."

[A Sister's Guide to Protecting Your Future and Enriching Your Life](#) Crooked Lane Books

Perry's Department Store: An Importing Simulation teaches business in the dynamics of the international marketplace by placing the reader in the role of a retail buyer importing jeans into the United States. The import process is divided into eight steps: profiling suitable countries for export, developing sourcing strategies, recognizing differences in working across cultures, understanding the policies and laws governing importing, classifying imported product, financing the import purchase, determining shipping procedures for imports, and completing the entry process. Resources and worksheets for the simulation are included on the accompanying CD-ROM.

**How to Stay Sane** Kensington Cozies  
This second volume of two discusses the employment of action learning in different contexts, including healthcare, education, government, military and the business world. Use of action learning in delivery of Future Search Conferences is addressed, as well as action learning in community and civil society and the future of action learning.

**Indigo Ridge** New York Review of Books  
Tipperary, 1895. Bridget Cleary's not feeling quite herself. Her husband believes she has been taken by fairies and a changeling left in her place, with devastating consequences. London, 2017. Hat is a new mother. She has a great life. So why does she want to disappear? The real-life tragedy of Bridget Cleary provides a harrowing backdrop to a modern-day thriller.

*A Daily Devotional* Random House  
"Part portrait of a place, part rescue manual, part rumination of life and death, Population: 485 is a beautiful meditation on the things that matter." — Seattle Times  
Welcome to New Auburn, Wisconsin (population: 485) where the local vigilante is a farmer's wife armed with a pistol and a Bible, the most senior member of the volunteer fire department is a cross-eyed butcher with one kidney and two ex-wives (both of whom work at the only gas station in town), and the back roads are haunted

by the ghosts of children and farmers. Michael Perry loves this place. He grew up here, and now—after a decade away—he has returned. Unable to polka or repair his own pickup, his farm-boy hands gone soft after years of writing, Perry figures the best way to regain his credibility is to join the volunteer fire department. Against a backdrop of fires and tangled wrecks, bar fights and smelt feeds, Population: 485 is a comic and sometimes heartbreaking true tale leavened with quieter meditations on an overlooked America.

*Too Much! Not Enough!* Basic Books  
Winslow Covington believes in life, liberty and the letter of the law. As Quincy, Montana's new chief of police, she's determined to prove herself to the community and show them she didn't earn her position because her grandfather is the mayor. According to her pops, all she has to do is earn favor with the Edens. But winning over the town's founding family might have been easier if not for her one-night stand with their oldest son. In her defense, it was her first night in town and she didn't realize that the rugged and charming man who wooed her into bed was Quincy royalty. Sleeping with Griffin Eden was a huge mistake, one she's trying to forget. He's insufferable, arrogant and keeps reminding everyone that she's an outsider. Winslow does her best to avoid Griffin, but when a woman is found dead on Eden property, the two of them have no choice but to cross paths. As clues to the murderer lead to one of Quincy's own, Griffin realizes Winslow is more than he gave her credit for. Beautiful and intelligent, she proves hard to resist. For him. And the killer.

*And Other Stories from a Child Psychiatrist's Notebook -- What Traumatized Children Can Teach Us About Loss, Love, and Healing* Lippincott Williams & Wilkins

Trish Perry, author of the charming novel *The Guy I'm Not Dating*, follows up with a contemporary, humorous tale of how love and life unfold in surprising ways. Rennie Young, heroine of *Too Good to Be True*, meets the gallant Truman Sayers after she faints in the boys' department of the local super store. Despite this unromantic introduction, Tru Sayers, a handsome young labor-and-delivery nurse, seems like a gift from God. But a recent divorce and other life disappointments cause Ren to question whether she can trust her heart and God. This clever novel encourages readers to lean on God's leading and to be open to life after the hurt—even when it seems too good to be true.

**Every Cradle Is a Grave** Currency

'Fashion Branding Unraveled' introduces and explains the concept of brand and the process of brand development. The work clarifies misconceptions, introduces new concepts, and proposes a step-by-step roadmap for developing an effective brand, all within the context of the fashion industry. Using an easy-to-understand approach, relevant examples, and case studies, it applies the theories and concepts covered, such as 'mass customization' and 'M-branding,' to a variety of industry segments, from luxury brands to private labels. The text includes an examination of the latest technologies, their applications, and-most important-their effects on the future of branding.

**Four Stars** Fairchild Books

Selected by the Modern Library as one of the 100 best nonfiction books of all time From the Modern Library's new set of beautifully repackaged hardcover classics by Truman Capote—also available are *Breakfast at Tiffany's* and *Other Voices, Other Rooms* (in one volume), *Portraits and Observations*, and *The Complete Stories* Truman Capote's masterpiece, *In Cold Blood*, created a sensation when it was first published, serially, in *The New Yorker* in 1965. The intensively researched, atmospheric narrative of the lives of the Clutter family of Holcomb, Kansas, and of the two men, Richard Eugene Hickock and Perry Edward Smith, who brutally killed them on the night of November 15, 1959, is the seminal work of the "new journalism." Perry Smith is one of the great dark characters of American literature, full of contradictory emotions. "I thought he was a very nice gentleman," he says of Herb Clutter. "Soft-spoken. I thought so right up to the moment I cut his throat." Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet, then between the investigation of the case and the killers' flight, Capote's account is so detailed that the reader comes to feel almost like a participant in the events.

[Fashion Branding](#) Harper Collins

Perry's Department Store: A Product Development Simulation simulates the product development experience of a buyer or product developer at fictional department store Perry's, while exposing students to the principles, concepts, knowledge, and skills needed for success in a real-world setting. The text covers the entire process of developing a new line of jeans, from defining the customer to conceptualizing the product line and selecting fabric/trims to completing a specpack. The accompanying CD-ROM provides resources and worksheets to

complete the simulation.

*Why Empathy Is Essential--and Endangered* Flatiron Books

*Designer's Guide to Fashion Apparel* explores the creative process of apparel design and the development of a collection. From budget to couture, children's to men's and women's, fashion-forward to traditional and formal to active, the text demonstrates the proper application of design principles in creating aesthetically pleasing apparel while emphasizing the importance of production parameters as dictated by the needs of the target consumer. Written from an industry perspective, the book is intended to nurture the student's interest in design while providing the thorough grounding needed for a successful career in the business.

**Perry's Department Store: A Buying Simulation** Harvest House Publishers  
 Jeanne DuPrau's *The City of Ember* meets Louis Sachar's *Holes* in this imaginative and humorous middle grade debut from Michael Perry, New York Times bestselling author of the adult novels *Population: 485* and *Truck: A Love Story*. When the world started to fall apart, the government gave everyone two choices: move into the Bubble Cities...or take their chances outside. Maggie's family chose to live in the world that was left behind. Deciding it's time to grow up and grow tough, Maggie rechristens herself "Ford Falcon"—a name inspired by the beat-up car she finds at a nearby junkyard. Ford's family goes to this junkyard to scavenge for things they can use or barter with the other people who live OutBubble. Her family has been able to survive this brave new world by working together. But when Ford comes home one day to discover her home ransacked and her family missing, she must find the strength to rescue her loved ones with the help of some unlikely friends. *The Scavengers* is a wholly original tween novel that combines an action-packed adventure, a heartfelt family story, and a triumphant journey of self-discovery in a world where one person's junk is another person's key to survival. Katherine Applegate, author of the Newbery Medal winner *The One and Only Ivan*, raves: "Michael Perry pulls out all the stops in this colorful tale."

*Valuing Black Lives and Property in America's Black Cities* Bob Perry

THE SCHOOL OF LIFE IS DEDICATED TO EXPLORING LIFE'S BIG QUESTIONS IN HIGHLY-PORTABLE PAPERBACKS, FEATURING FRENCH FLAPS AND DECKLE EDGES, THAT THE NEW YORK TIMES CALLS "DAMNABLY CUTE." WE DON'T HAVE ALL THE ANSWERS, BUT WE WILL DIRECT YOU

TOWARDS A VARIETY OF USEFUL IDEAS THAT ARE GUARANTEED TO STIMULATE, PROVOKE, AND CONSOLE. An Economist Best Book of the Year Everyone accepts the importance of physical health; isn't it just as important to aim for the mental equivalent? Philippa Perry has come to the rescue with *How to Stay Sane* -- a maintenance manual for the mind. Years of working as a psychotherapist showed Philippa Perry what approaches produced positive change in her clients and how best to maintain good mental health. In *How to Stay Sane*, she has taken these principles and applied them to self-help. Using ideas from neuroscience and sound psychological theory, she shows us how to better understand ourselves. Her idea is that if we know how our minds form and develop, we are less at the mercy of unknown unconscious processes. In this way, we can learn to be the master of our feelings and not their slave. This is a smart, pithy, readable book that everyone with even a passing interest in their psychological health will find useful. *Porcelain* Createspace Independent Publishing Platform

#1 NEW YORK TIMES BESTSELLER Our earliest experiences shape our lives far down the road, and *What Happened to You?* provides powerful scientific and emotional insights into the behavioral patterns so many of us struggle to understand. "Through this lens we can build a renewed sense of personal self-worth and ultimately recalibrate our responses to circumstances, situations, and relationships. It is, in other words, the key to reshaping our very lives."—Oprah Winfrey This book is going to change the way you see your life. Have you ever wondered "Why did I do that?" or "Why can't I just control my behavior?" Others may judge our reactions and think, "What's wrong with that person?" When questioning our emotions, it's easy to place the blame on ourselves; holding ourselves and those around us to an impossible standard. It's time we started asking a different question. Through deeply personal conversations, Oprah Winfrey and renowned brain and trauma expert Dr. Bruce Perry offer a groundbreaking and profound shift from asking "What's wrong with you?" to "What happened to you?" Here, Winfrey shares stories from her own past, understanding through experience the vulnerability that comes from facing trauma and adversity at a young age. In conversation throughout the book, she and Dr. Perry focus on understanding people, behavior, and ourselves. It's a subtle but profound shift in our approach to trauma, and it's

one that allows us to understand our pasts in order to clear a path to our future—opening the door to resilience and healing in a proven, powerful way.

*Higher Is Waiting* Fairchild Books

*Perry's Department Store: A Buying Simulation* Bloomsbury Publishing USA  
*Marriage on the Rock* Devney Perry  
*Perry's Department Store: A Buying Simulation, 4th Edition*, launches students into the exciting role of being a retail buyer in the fashion industry using a unique simulation approach that takes readers step-by-step through a real-life buying experience. The text is organized into 10 chapters that walk students through the various steps a new buyer would take to complete a six-month buying plan and a merchandise assortment plan for the women's contemporary apparel, junior apparel, women's accessories, men's apparel and accessories, men's contemporary apparel, children's, or home furnishings markets. The fourth edition has been revised with statistical information to reflect a more contemporary structure and business model for a successful department store. The new *Perry's Department Store* is organized to reflect a larger-scale department store in today's market. Students interact by researching current market and industry trends to build their business. The charts and worksheets in this book and companion website, *Perry's Department Store: A Buying Simulation STUDIO*, are replicas of those found in the retail and wholesale industry to expose students to the procedures and policies they can expect to find in a first job as an assistant buyer. This new edition and *STUDIO* launch students directly into the exciting role of a retail buyer in the fashion industry. PLEASE NOTE: Purchasing or renting this ISBN does not include access to the *STUDIO* resources that accompany this text. To receive free access to the *STUDIO* content with new copies of this book, please refer to the book + *STUDIO* access card bundle ISBN 9781501395307. *STUDIO* Instant Access can also be purchased or rented separately on BloomsburyFashionCentral.com.

**A Memoir of Andy Griffith and Mount Airy North Carolina** Harper Collins

*Marriage on the Rock* is based on Psalm 127 verse one which says, "Unless the Lord builds the house, its builders labor in vain." It is a daily devotional providing guidance for most marital circumstances. The book is based on Biblical principles; ones that should serve Christians well. However, if the principles are true, which I believe they are, people need not be

practicing Christians to improve their marriage. Even the strongest marriages can benefit from periodic reminders of how they can demonstrate their love and respect for one another. As a counselor I saw far too many couples who had been married for ten to forty years; they had amassed such bitterness and

unforgiveness that they could not move past the hurt and pain that they had inflicted on one another. By the time couples came to see me they were usually certain their spouse was the primary cause. They had little hope that things would change. Some had even tried counseling at some point but failed to

apply what they learned. Each person needs to accept their contribution to the state of their marriage. Each needs to be willing to change whether or not their spouse is willing, for we can only change ourselves. In most cases the culprit is self-centeredness. When we learn to die to self, amazing things can happen.
