RORY ALENA

The Autism Revolution Createspace Independent Publishing Platform

Introducing Adam, who has Asperger syndrome -- Reading feelings -- Tones of voice -- Playing with others -- Loud noises -- Confusing groups -- Unexpected change -- Motor skills -- Special interests -- What is Asperger syndrome? -- How to help -- How teachers can help.

The Asperger Love Guide Routledge

Offers practical advice so readers can get the most out of middle and high school, both academically and socially, from sensory sensitivity to awkwardness, dating to driving.

Asperger's and Girls Jessica Kingsley Publishers

A thorough overview of Asperger syndrome for mental health professionals. Despite the dramatic proliferation of research, clinical perspectives, and first-person accounts of Asperger Syndrome (AS) in the last 15 years, much of this information has focused on the application of the diagnosis to children, even though AS displays persistence over time in individuals. This book is one of the only guides to Asperger Syndrome as it manifests itself in adults. It integrates research and clinical experience to provide mental health professionals with a comprehensive discussion of AS in adulthood, covering issues of diagnosis as well as co-morbid psychiatric conditions, psychosocial issues, and various types of interventions—from psychotherapy to psychopharmacology. It also discusses basic diagnostic criteria, controversies about the disorder, and possible interventions and treatments for dealing with the disorder.

How to be Yourself in a World That's Different Jessica Kingsley Publishers

The author, who himself suffers from the syndrome, explains how to cope with the problem, covering areas such as social interaction, nurturing interests, dealing with family, and finding work that suits one's strengths and talents.

The Official Strategy Guide for Teens with Asperger's Syndrome and Nonverbal Learning Disorders Sourcebooks, Inc.

Based on academic research, experiences as a counselor specializing in this area and personal relationship experiences, the author uses quotations and real-life examples to illustrate her points with a compassionate understanding. Practical everyday topics include living and coping with AS, anger and AS, getting the message across, sex and AS, parenting, staying together, and "AS cannot be blamed for everything."

Asperger Syndrome Althea Press

Offers insights by a teenager with Asperger's syndrome into the difficulties of the disorder, including information on fascinations and obsessions, sensory perception, sleep, bullies, moral dilemmas, eating, and socializing.

Asperger's Syndrome For Dummies Routledge

Asperger's Syndrome For Dummies covers everything that both people living with the condition and

their families need to know. From explaining symptoms and getting a diagnosis, through to overcoming bullying in schools and choosing between the therapy and medical treatments available, this is a complete guide to surviving and thriving with the condition. Asperger's Syndrome For Dummies includes: Part I: Understanding Asperger's syndrome (AS) Chapter 1: Introducing Asperger's syndrome Chapter 2: Discovering the causes of Asperger's syndrome Chapter 3: Diagnosing Asperger's syndrome Part II: Living with Asperger's syndrome Chapter 4: Enjoying Life with Asperger's Chapter 5: Getting the most out of education and the workplace Chapter 6: Finding independence and advocating for your rights Part III: Supporting people with Asperger's syndrome Chapter 7: Parenting and Asperger's syndrome Chapter 8: Relating to adults with Asperger's syndrome Chapter 9: Creating an AS friendly environment Part IV: Discovering therapies, medication, diet and environments for AS Chapter 10: Navigating Behavioural Therapies for Asperger's Syndrome Chapter 11: Understanding medication and diet in Asperger's syndrome Part V: Part of Tens Chapter 12: Ten Organisations to go for help and information Chapter 13: Ten positives about living with Asperger's Chapter 14: Ten famous people who probably had Asperger's A User Guide to Adolescence Jessica Kingsley Publishers

Take Control of Asperger's Syndrome: The Official Strategy Guide for Kids With Asperger's Syndrome and Nonverbal Learning Disorders is a unique handbook for kids and teens on living successful lives with these disorders by taking control of their strengths to overcome their weaknesses. Drawing on their experiences as parents and teachers of kids with Asperger's syndrome (AS) and Nonverbal Learning Disorders (NLD), the authors provide tips on understanding the disorders, living with the symptoms, succeeding in school, completing homework, talking to others about strengths and needs, making friends and socializing, and using technology to connect with other kids with these disorders. By interviewing hundreds of kids who live with AS and NLD, the authors include ideas, information, and advice for kids, by kids just like them. This handy guidebook is sure to help any child or teen with AS or NLD navigate life's challenges with successful outcomes.

Asperger's and Adulthood Springer Science & Business Media

Being a teen or tween isn't easy for anyone but it can be especially tough for Asperkids. Jennifer O'Toole knows; she was one! This book is a top secret guide to all of the hidden social rules in life that often seem strange and confusing to young people with Asperger syndrome. The Asperkid's (Secret) Book of Social Rules offers witty and wise insights into baffling social codes such as making and keeping friends, blending in versus standing out from the crowd, and common conversation pitfalls. Chock full of illustrations, logical explanations, and comic strip practice sessions, this is the handbook that every adult Aspie wishes they'd had growing up. Ideal for all 10-17 year olds with Asperger syndrome, this book provides inside information on over thirty social rules in bite-sized chunks that older children will enjoy, understand, and most importantly use daily to navigate the mysterious world around them.

A Survival Guide Jessica Kingsley Publishers

A life skills guide for individuals with autism and Asperger's syndrome discusses social skills and strategies needed for success in the adult world, including discussion of perspective-taking,

nonverbal communication skills, and stress management.

The Asperger Personal Guide AAPC Publishing

A guide to Asperger's syndrome answers common questions parents may have about the condition covering such topics as detecting early signs, getting the correct diagnosis, and helping a child develop social skills.

Asperger Syndrome Jessica Kingsley Publishers

The Mom's Guide to Asperger Syndrome and Related Disorders is written primarily for parents of children who have newly been diagnosed with Asperger Syndrome. It is especially a great resource for the preschool through elementary school years. The book draws from the author's personal experience both as the mom of a son with Asperger Syndrome and her study of and work with children and adolescents with special needs. The result is a practical guide, written for other Aspie parents in a clear, concise, and sometimes humorous tone. This user-friendly book leaves no stone unturned, as it explains, in a friendly, familiar voice, situations and issues that all parents with an AS child will encounter at one point or another. Above all else, the book arms parents with basic, sound information empowering them to seek out the very best services and programs for their child. From dealing with sensory issues and bullying to staying on top of homework, The Mom's Guide to Asperger Syndrome and Related Disorders offers easy-to-use suggestions. The Mom's Guide to Asperger Syndrome and related disorders should be used as a practical, valuable reference throughout the years.

The Aspie Teen's Survival Guide W. W. Norton & Company

'This book breaks down the social, emotional and practical aspects of relationships so usefully that it is a good resource for teachers and others working with neurotypical individuals. In fact the book so sensibly discusses pitfalls, strategies and individual responsibilities that it would be valuable reading for teenagers generally as well as for individuals with Asperger syndrome' - Tess Coll, autism outreach teacher 'The Asperger Love Guide is recommended reading for those with Asperger's syndrome who are seeking or within a relationship. The authors provide a clear explanation of how the characteristics of Asperger's syndrome can affect the development of a relationship and the expression of love. They then provide sound practical advice for individuals and couples. I really enjoyed reading The Asperger Love Guide and will be recommending the book to my clients' - Professor Tony Attwood 'This is the first book I've read in a long time that, once started, I couldn't put down until it was finished. It is an exceptionally good read. The 77 pages are written succinctly with no waffle - just straight to the point. I will definitely buy a copy of this book for the whole family to use! I will use it to guide Joe (my 17 year old Asperger son) when he's ready for it. It's not a book he would read himself; in fact I read the section "the merits of single life" out loud to him a bit like a bed time story' - Action for ASD 'There is a great need for more awareness of Asperger syndrome and how it affects personal relationships. The National Autistic Society find this a helpful guide' - Cathy Mercer, NAS 'This book sets out some helpful facts about relationships in a neat, simple form' - Asperger United 'An excellent self 'help-text'... the book is a clear and matter-of-fact guide to relationships and is unapologetic in offering straightforward and helpful advice for romantic success... Not a word is wasted, and as well as being highly recommended for individuals with Asperger's Syndrome, should also be read by education professionals supporting young people with

Asperger's Syndrome in schools, colleges and universities' - SENCO Update 'Aimed primarily at individuals with Asperger syndrome, this very readable book is in fact of use to a much wider audience. The issues are discussed openly and logically and the advice given is both sympathetic and very matter of fact... The book breaks down the social, emotional and practical aspects of relationships so usefully that it is a good resource for teachers and others working with neurotypical individuals. Infact the book so sensibly discusses pitfalls, strategies and individual responsibilities that it would be valuable reading for teenagers generally as well as for individuals with Asperger syndrome' - British Journal of Special Education Material based on the experiences of the people on the Autistic Spectrum is usually written by neurotypical writers. Here, Genevieve and Dean, both adults with Asperger's Syndrome, share their advice and tips for romantic success. The chapters cover: o building self-esteem; o the best places to meet potential partners; o dating; o maintaining relationships. Both authors work with the Asperger community, either providing support or training, so their insight is based upon other people's experiences as well as their own. This is shown in a number of case studies that support the elements described in each chapter. They write in a clear, accessible and non-patronizing way which will suit their audience. This will prove to be an invaluable book to those with Asperger's or those that support Asperger people. Dean Worton is a 31 year-old high functioning individual with a very positive expression of Asperger Syndrome. He runs a successful UK-based website for adults with Asperger Syndrome and hosts real-life meet-ups around the UK for its members. His key interest is in encouraging adults with AS to live positively and successfully with the gifts that Asperger Syndrome provides. He also works in administration and resides in North-West England. Genevieve Edmonds is a 23 year old with 'residual' Asperger Syndrome, which she views as a significant gift. She works as an associate of the Missing Link Support Service in Lancashire supporting those 'disabled by society' including individuals with ASD. She speaks and writes frequently in the field of Autism, along with giving training, workshops and soon counselling. She aims to empower those with ASD, carers and professionals in the understanding of Asperger Syndrome as a difference rather than an impairment. She lives and works in a solution-focused way and is based in North-West England

A Guide for Adults and Those Who Love Them Jessica Kingsley Publishers

Asperger Syndrome and high-functioning autism are detected earlier and more accurately today than ever before. Children and teens with these disorders often stand out for their precocious intelligence and language abilities--yet profound social difficulties can limit every aspect of their lives. This hopeful, compassionate guide shows parents how to work with their child's unique impairments and capabilities to help him or her learn to engage more fully with the world and live as self-sufficiently as possible. From leading experts in the field, the book is packed with practical ideas for helping children relate more comfortably to peers, learn the rules of appropriate behavior, and participate more fully in school and family life. It also explains what scientists currently know about autistic spectrum disorders and how they are diagnosed and treated. Real-life success stories, problem-solving ideas, and matter-of-fact advice on everything from educational placements to career planning make this an indispensable reference that families will turn to again and again.

Take Control of Asperger's Syndrome Jessica Kingsley Publishers

Does your other half have Asperger Syndrome or do you suspect that he or she is on the autism

spectrum? This quick and helpful relationships guide provides all the information you need for relationship success with your ASD partner. In the second edition of this best-selling book, Maxine Aston draws on over a decade of experience working with couples affected by Autism Spectrum Disorder. Updates include reference to recent research and information on same sex relationships, sensory issues and pregnancy. Full of bite-size tips and advice, the book explains Asperger Syndrome, discusses whether or not seeking an autism diagnosis will help, and offers simple strategies for coping with a range of relationship challenges including communication, social, and intimacy difficulties.

The Essential Guide: Adult Aspergers, Aspergers in Adults, Adults with Aspergers Createspace Independent Publishing Platform

The author, Craig Kendall, is the father of a child with Asperger's syndrome. He has written several books on Asperger's syndrome and autism. In this book, Craig covers the issues that affect adults with Asperger's syndrome as well as those who love and support them. Chapter topics include: 1. Employment and Adults with Asperger's: the interview, ten job interview tips, workplace issues, 8 issues to consider in selecting a job / 5. Services for Adults with Asperger's / How and when do I tell people I have Asperger's?: 4 reasons to disclose, 4 reasons NOT to disclose / 6. Self Advocacy: Learning to advocate for yourself / 7. How to Lead a Meaningful Life: Depression and anxiety, The search for meaning in adults with AS / 8. Getting an Asperger's Diagnosis as an Adult: Why to get a diagnosis, Resistance to or problems with getting a diagnosis, How to find a good therapist /9. Therapy Options: Common reasons adults refuse therapy, Overview of different types of therapy, psychotherapy, 3 information processing problems, Occupational Therapy (OT) /10. Nutrition and Eating Right: Supplements that can help your health, Diets, Seven reasons to avoid fast food

Raising Self-Esteem and Making the Most of Yourself as a Adult with Asperger's Syndrome AAPC Publishing

A gifted education Legacy Award winner, *Take Control of Asperger's Syndrome: The Official Strategy Guide for Teens With Asperger's Syndrome and Nonverbal Learning Disorder* is a unique handbook for kids and teens on living successful lives with these disorders by taking control of their strengths to overcome their weaknesses. Drawing on their experiences as parents and teachers of students with Asperger's syndrome (AS) and Nonverbal Learning Disorder (NLD), the authors provide tips on

understanding the disorders, living with the symptoms, succeeding in school, completing homework, talking to others about strengths and needs, making friends and socializing, and using technology to connect with other kids and teens with these disorders. By interviewing dozens of kids and teens who live with AS and NLD, the authors include ideas, information, and advice for students, by students just like them. This handy guidebook is sure to help any child or teen with AS or NLD navigate life's challenges with successful outcomes. Named one of the Pennsylvania State Librarians Association's Young Adult Top Forty nonfiction books of 2010. Ages 10-16

A Guide for Friends and Family Perigee Trade

World-renowned experts join those with Asperger's Syndrome to resolve issues that girls and women face every day!

A Parent's Guide to Asperger Syndrome and High-Functioning Autism, First Edition Routledge

Will Attwood was finishing a three-year sentence in prison when he was formally diagnosed with Asperger's syndrome for the first time. After his diagnosis he recognised just how much it had been affecting his life behind bars. This book is a practical advice guide for people with autism who have been sentenced to time in prison. Will shares his first-hand knowledge of what to expect and how to behave within the penal system. He sheds light on topics that are important for people with autism, answering questions such as: How should you act with inmates and guards? How do you avoid trouble? What about a prison's environmental stimuli may cause you anxiety? His thoughtful, measured writing debunks rumours about daily life in prison, and the useful tips and observations he offers will help anyone with autism prepare for the realities of spending time incarcerated, and be enormously helpful to those working with offenders on the autism spectrum.

Adult Asperger's Syndrome Guilford Press

Recognising Autism and Asperger's Syndrome is an accessible guide, offering information and guidance, self-help and coping strategies and illustrated throughout with personal quotes, vignettes and anecdotes from clients with autism with whom the author has worked clinically. The book captures the individual stories, quotations and experiences, observed in adult autism diagnostic services, woven in with contemporary research, theory and clinical insights. It outlines the history of the condition and the present criteria for obtaining a diagnosis. With exercises, tips, questionnaires, psycho-educational work and advice sheets, this new edition also elucidates the female presentation of autism that has attained significance in the recent times. The book is deliberately aimed at a broad audience of people: those who have just received a diagnosis and want to know more, those who are considering seeking a diagnosis, family members, relatives, friends and clinicians, including mental health workers, psychologists, support workers and all those who work with autistic people.
