This is a true story. His eye balls were rolling inside his skull as he came out of

Cecilia's home. "What is the problem?" we asked him. This is not the person I use to know because his behavior changed. As we began to pray for him, he turned violent that three of us could hardly hold him down. About one hundred and forty four demons were cast out of him. The last twelve demons refused to leave as they claimed ownership of this brother. We stood our ground that brother Paul is a child of God. We rebuked and cast them out. Reluctantly they left, remaining their leader that also left after all false claims. This violent brother by now was slain in the spirit and slept like a baby for quite some time. When he woke up he looked surprised wondering what has happened. What happened was that he had gone and laid hands on this said Cecilia when

he heard her screaming and shouting. Cecilia was not born again and had been demon possessed and ran mental for years. The junior sister who is a Christian shared with us in fellowship how the demons that visit or that are in her senior sister Cecilia one day threw her, the junior sister out of her own room to the outside. God spoke to Bill Vincent and said there is a battle command I want to release in your midst. The battle command is against demonic spirits. Bill really believes that there are really a lot of

demonic spirits in the church. A lot of demonic spirits come through in a lot of things that we deal with. The curse of Adam and Eve is still in full operation in the earth. It would be foolish for us to think that we have no sin in our hearts and lives. We are all stuck with having to deal with real demonic spirits. None of us can say otherwise. Many say, I don't have anything to deal with. I don't need to deal with things of this world. That's never going to be true? When we are not dealing with things, then something is wrong. We must be going the wrong direction or something. It has been estimated that 25%, of the miracles that Jesus performed were casting out demons out of people. Like it or not we have been born in a war zone. When you are born again, you are born into a war

zone. You have to realize, just because of the day Adam and Eve fell, we have been born into a war zone to have to deal with spiritual wickedness in high places. Whether there is a snake still going about, talking about the devil. He is still trying to tempt and just destroy us and sway us off the path that we are supposed to be on. Not only are we all stuck to have to battle with people who have chosen, and here is what Bill means by this, they have chosen by their own free will to live a life on the dark side.
