The "must-read YA thriller" (Bustle) from #1 New York Times bestselling author of *One of Us Is Lying* about a small town with deadly secrets. "When it comes to YA suspense, Karen M. McManus is in a league of her own..." --Entertainment Weekly
Echo Ridge is small-town America. Ellery's never been there, but she's heard all about it. Her aunt went missing there at age seventeen. And only five years ago, a homecoming queen put the town on the map when she was killed. Now Ellery has to move there to live with a grandmother she barely knows. The town is picture-perfect, but it's hiding secrets. And before

school even begins for Ellery, someone has declared open season on homecoming, promising to make it as dangerous as it was five years ago. Then, almost as if to prove it, another girl goes missing. Ellery knows all about secrets. Her mother has them; her grandmother does too. And the longer she's in Echo Ridge, the clearer it becomes that everyone there is hiding something. The thing is, secrets are dangerous--and most people aren't good at keeping them. Which is why in Echo Ridge, it's safest to keep your secrets to yourself. Fans of the hit thriller that started it all can watch the

secrets of the Bayview Four be revealed in the One of Us is Lying TV series now streaming on NBC's Peacock!

On a Saturday morning, Mike Nolan, a hard-driving, hard-living lawyer in his early fifties, was hit by a truck during a 40-mile bike ride on New Jersey's Route 35 and given up for dead. Instead, after months of recovery, Mike looked the same as he always had. The only difference? He had absolutely no memory. *Guys Like Us*, like a reverse memoir, is the attempt by his son, Sean, to tell Mike who he is through recollections of rare moments together and tales of the Nolan family on the Jersey shore. The Nolans, a clan planted in Ocean County by Mike's father, Joe, are people who suffer no fools and take no prisoners; you had better wear thick skin when they are around. Three strong characters? Joe,

Mike and Sean? dominate *Guys Like Us*. Add an enormous Cadillac that Joe and Sean bomb around in, Sean behind the wheel at the ripe age of eight. Stir in the boardwalks and beaches of the Jersey shore and near-lethal family feuds, and the pot boils. Sean Nolan does not fall far from the tree. It doesn't take long for Sean to realize he has to tell Mike, among many other things, how impossible he could be. And that dark secrets, long held in a young boy's heart, are out of reach to him forever. Giving his father back his memory, one funny, painful moment at a time, Nolan paints a poignant, often hilarious, portrait of their shared past. *Keep it Like a Secret* Courier Dover Publications

A Quest for Truth University of Chicago Press

This stunning new novel from Tatiana de Rosnay, author of the acclaimed New York Times bestseller *Sarah's Key*, plumbs the depths of complex family relationships and the power of a past secret to change everything in the present. It all began with a simple seaside vacation, a brother and sister recapturing their childhood. Antoine Rey thought he had the perfect surprise for his sister Mélanie's birthday: a weekend by the sea at Noirmoutier Island,

where the pair spent many happy childhood summers playing on the beach. It had been too long, Antoine thought, since they'd returned to the island—over thirty years, since their mother died and the family holidays ceased. But the island's haunting beauty triggers more than happy memories; it reminds Mélanie of something unexpected and deeply disturbing about their last island summer. When, on the drive home to Paris, she finally summons the courage to reveal what she knows to Antoine, her emotions overcome her and she loses control of the car. Recovering from the accident in a nearby hospital, Mélanie tries to recall what caused her to crash. Antoine encounters an unexpected ally: sexy, streetwise Angèle, a mortician who will teach him new meanings for the words life, love and death. Suddenly, however, the past comes swinging back at both siblings, burdened with a dark truth about their mother, Clarisse. Trapped in the wake of a shocking family secret shrouded by taboo, Antoine must confront his past and also his troubled relationships with his own children. How well does he really know his mother, his children, even

himself? Suddenly fragile on all fronts as a son, a husband, a brother and a father, Antoine Rey will learn the truth about his family and himself the hard way. By turns thrilling, seductive and destructive, with a lingering effect that is bittersweet and redeeming, *A Secret Kept* is the story of a modern family, the invisible ties that hold it together, and the impact it has throughout life. A film is now in production, to star Melanie Laurent (*Inglourious Basterds*, *Now You See Me*), Laurent Lafitte (*The Crimson Rivers*, *Little White Lies*), and Audrey Dana (*Roman de Gare*, *The Clink of Ice*) and will begin shooting in April!

Keeping Her Secret Partridge Publishing Satyajit, a successful movie director, has accomplished all that there is to achieve fame, success, and wealth yet he harbors a sense of discontentment within. While the audience cheers for his brand of cinema and the industry fills its coffers by amassing collections from his films, he, personally, is dejected at the prospect of making yet another of those ostentatious, melodramatic romantic family dramas. His inability to find a balance in his relationships and his core need to live up to his potential makes him search for answers and leads him to a realization that his anguish is a result of the projection of his frustration on those who care about him. When he lays his hands on a script that has the potential to fulfill his heart's desire, he grabs the opportunity with both hands and sets out on a trip to research and unearth more details. During

the course of this road trip, he meets different people who not only provide him the necessary answers that would turn his vision into a magnum opus but also provide a deep understanding of the eternal principles of life and, most importantly, the unchanging and universal truth.

This was the South of the migrant worker and sharecropper, where white social backlash exacted a terrible price on ordinary blacks. In turbulent times, everyday life can require great courage, and friendships can lead to ultimate tests of loyalty. For college student Matt Mayer, the job of migrant worker turns into the education of a lifetime in this context. After he befriends two black co-workers, he finds himself in the path of danger more than once. He is quickly driven to decide if he should follow the unwritten rules that dictate day-to-day race relations, or honor the bonds of friendships he has formed. How can a white college student from the Midwest, with little exposure to any race but his own, make sense of the complex social

rules of a still segregated South? And, more importantly, how will his experience shape the man he will become?

Sixteen-year-old Sana Kiyohara has too many secrets. Some are small, like how it bothers her when her friends don't invite her to parties. Some are big, like the fact that her father may be having an affair. And then there's the one that she can barely even admit to herself—the one about how she might have a crush on her best friend. When Sana and her family move to California, she begins to wonder if it's finally time for some honesty, especially after she meets Jamie Ramirez. Jamie is beautiful and smart and unlike anyone Sana's ever known. There are just a few problems: Sana's new friends don't trust Jamie's crowd; Jamie's friends clearly don't want her around anyway; and a sweet guy named Caleb seems to have more-than-friendly feelings for her. Meanwhile, her dad's affair is becoming too obvious to ignore. Sana always figured that the hardest thing would be to tell people that she wants to date a girl, but as she quickly

learns, telling the truth is easy...what comes after it, though, is a whole lot more complicated.
