Two years later, when she runs into him again, she ends up exactly where she has always dreamed of being-in his arms. Kia is a dream Chase has not allowed himself to entertain. He can't help feeling, though, that with her body already won it is her heart that he most desires. And even though they both agreed it would only be for pleasure, the pull of love is getting stronger.

Yeshua of Nazareth has two sisters: Damaris, married to a wealthy merchant's son, and Pheodora, married to a simple shepherd from Bethlehem. When Pheodora's husband suffers an unexpected reversal of fortune and is thrown into debtor's prison, she returns to Nazareth, where she pins her hopes on two she-goats who should give birth to spotless white kids that would be perfect for the upcoming Yom Kippur sacrifice. In the eighteen months between the kids' birth and the opportunity to sell them and redeem her husband from prison, Pheodora must call on her wits, her family, and her God in order to provide for her daughters and survive. But when every prayer and ritual she knows is about God's care for Israel, how can she trust that God will hear and help a lowly shepherd's wife?

Where many see the Bible as the pathway to Heaven, others say it should be covered in a brown paper bag because it is so, so filthy. There are hundreds of sex acts implied in the first book of the bible. How has nobody ever described how each of

them would have played out in biblical language? If the writers and translators of the Bible had been a little less prudish we might have an entirely different relationship between sex and religion than we have now. In Genesis there is sex before marriage, threesomes, incest, group sex, kinky fetish cuckolding, gay sex and more. Isn't it time that you read the Bible for the dirty parts? Using the seminal King James Bible in its Elizabethan English as spring board, "Genesis Deflowered" makes the beginning of the Bible come out as a sexy, readable and fun erotic novel.

Comics Squad #3: Detention! Image Comics

Named one of "40 Gifts for the Book Lover on Your List," by Good Housekeeping: The definitive book about Joan Rivers' tumultuous, victorious, tragic, hilarious, and fascinating life. Joan Rivers was more than a legendary comedian; she was an icon and a role model to millions, a fearless pioneer who left a legacy of expanded opportunity when she died in 2014. Her life was a dramatic roller coaster of triumphant highs and devastating lows: the suicide of her husband, her feud with Johnny Carson, her estrangement from her daughter, her many plastic surgeries, her ferocious ambition and her massive insecurities. But Rivers' career was also hugely significant in American cultural history, breaking down barriers for her gender and pushing the boundaries of truth-telling for women in public life. A juicy, intimate biography of one of the greatest comedians ever -- a performer whose sixty year career was borne, simply, out of a desire to make people laugh so she could feel loved -- Last Girl Before Freeway delves into the inner workings of a woman who both reflected and redefined the world around her.
