Review every skill and question type needed for SAT success - with eight total practice tests. The Official SAT Study Guide includes eight official SAT(R) practice tests - all of them created by the test maker. As part of the College Board's commitment to transparency, all practice tests are available on the College Board's website, but The Official SAT Study Guide is the only place to find them in print along with over 250 pages of additional instruction, guidance, and test information. With guidance and practice problems that reflect the most recent information, this edition takes the best-selling SAT guide and makes it even more relevant and useful. Be ready for the SAT with strategies and up-to-date information straight from the exam writers. The Official SAT Study Guide will help students get ready for the SAT with:
- 8 official SAT practice tests, written in the exact same process and by the same team of authors as the actual exam - detailed descriptions of the math and evidenced based reading and writing sections - targeted practice questions for each SAT question type - seamless

integration with Official SAT Practice on Khan Academy. Note: The optional SAT Essay is discontinued for weekend SAT.
