*The Dead Don't Care* WaterBrook

"Combining the suspense and razor-sharp outlook of a Gillian Flynn novel, Maureen Connolly's debut sizzles. I finished *Little Lovely Things* in one heartbreaking, tear-batting gulp."—Jenny Milchman, USA Today bestselling author of *Wicked River* A mother's chance decision leads to a twist of fate that is every parent's worst nightmare in this gripping thriller. Could any family endure such crippling suspense? It is the wrong time to get sick. Speeding down the highway on the way to work, her two little girls sleeping in the back seat, medical resident Claire Rawlings doesn't have time for the nausea overtaking her. But as the world tilts sideways, she pulls into a gas station, runs to the bathroom, and passes out. When she wakes up minutes later, her car—and her daughters—are gone. The police have no leads, and the weight of guilt presses down on Claire as each new hour passes with no trace of her girls. All she has to hold on to are her strained marriage, a potentially unreliable witness who emerges days later, and the desperate but unquenchable belief that her daughters are out there somewhere. As uplifting as it is devastating, *Little Lovely Things* is a poignant mystery about a family shattered by tragedy and a mother's fierce determination to make it whole again—whatever that may take. Perfect for readers of *Watch Me Disappear* by Janelle Brown and *After Anna* by Lisa Scottoline! Praise for *Little Lovely Things*: "Little Lovely Things is an insightful and moving read that is well worth the journey."—Vivian Schilling, bestselling author of *Quiet* "Finding shards of hope amidst the chaos of tragedy is a testament to both the writer, and the characters she creates."—Jenny Milchman, USA Today bestselling author of *Wicked River* "A shattering adventure."—Jacquelyn Mitchard, bestselling author of *The Deep End of the Ocean*

My name is Amber Reynolds. There are three things you should know about me: 1. I'm in a coma. 2. My husband doesn't love me anymore. 3. Sometimes I lie. Amber wakes up in a hospital. She can't move. She can't speak. She can't open her eyes. She can hear everyone around her, but they have no idea. Amber doesn't remember what happened, but she has a suspicion her husband had something to do with it. Alternating between her paralyzed present, the week before her accident, and a series of childhood diaries from twenty years ago, this brilliant psychological thriller asks: Is something really a lie if you believe it's the truth?

Frank Sinatra was an entertainer of mesmerizing talent, charisma and style. As well as being one of

the bestselling musical artists of all time, he was an Academy Award-winning actor who starred in over sixty movies, and a cultural icon of seismic influence. Created in close collaboration with the Sinatra family and Frank Sinatra Enterprises, this momentous book captures the man in public and private, with exclusive unseen photographs and memorabilia from the family archives, as well as the most iconic images, outtakes and contact sheets from celebrated photo shoots. In candid accounts from his closest friends and associates, a portrait emerges of a man who was intensely loyal to his friends, enthusiastically devoted to charity and who demonstrated exceptional stamina and resilience in a career that spanned an incredible six decades. The result is a captivating tribute to one of the best-loved performers the world has ever known, in a large-format presentation every bit as swanky and swoonsome as the man himself.

*Sometimes I Lie* New World Library

From bestselling author of *The Book of Delights* and award-winning poet, a book of lyrical mini-essays celebrating the everyday that will inspire readers to rediscover the joys in the world around us. In Ross Gay's new collection of small, daily wonders, again written over the course of a year, one of America's most original voices continues his ongoing investigation of delight. For Gay, what delights us is what connects us, what gives us meaning, from the joy of hearing a nostalgic song blasting from a passing car to the pleasure of refusing the "nefarious" scannable QR code menus, from the tiny dog he fell hard for to his mother baking a dozen kinds of cookies for her grandchildren. As always, Gay revels in the natural world—sweet potatoes being harvested, a hummingbird carousing in the beebalm, a sunflower growing out of a wall around the cemetery, the shared bounty from a neighbor's fig tree—and the trillion mysterious ways this glorious earth delights us. *The Book of (More) Delights* is a volume to savor and share.

*Based on a True Story* Algonquin Books

(Piano/Vocal/Guitar Artist Songbook). This songbook includes all 15 songs from the 2006 release, Jackson's first ever gospel album. Songs: Blessed Assurance \* How Great Thou Art \* I'll Fly Away \* In the Garden \* The Old Rugged Cross \* Softly and Tenderly \* What a Friend We Have in Jesus \* and more.

In sun-soaked Florida, Crane pursues a kidnapper in between drinks It does not take much to lure Bill Crane to Florida in the wintertime. The weather would be temptation enough, but the fact that there is money to be made and gin to be drunk makes a trip to Key Largo irresistible. His ever-soused companion, Doc Williams, at his side, Crane sets out south to find out who has been threatening millionaire playboy Penn Essex with blackmail notes, first on his pillow, then in his wallet, demanding \$50,000—"or else." But as Crane soon learns, the threat is not to Penn, but to his sister. When beautiful young Camelia is kidnapped, Crane and Doc look for traitors inside the family circle. Lurching from cocktail hour to cocktail hour, they will do everything they can to find the missing girl, knowing that murderers—and hangovers—could strike at any moment.

The rules are clear—until they're broken. The first book in Lauren Layne's Redemption series gives a classic love story its edgiest twist yet. "Who knew that pretending you're not falling for someone would be so much more difficult than pretending that you are?" Stephanie Kendrick gave up her

whole summer to ace her NYU film school screenwriting course, so she's pissed to be stuck with a preppy, spoiled frat boy as her writing partner. Then again, with her piercings, black-rimmed eyes, and Goth wardrobe, Stephanie isn't exactly Ethan Price's type, either. He's probably got his eye on some leggy blonde with a trust fund . . . or does he? As the summer scene kicks off in the Hamptons, Ethan is desperate to make his snobbish mother forget the pedigreed girl who broke his heart. While Stephanie's a stretch as a decoy, the right makeover and a pastel cardigan just might do the trick. She may not love the idea of playing Ethan's brainless Barbie girlfriend, but the free rent and luxurious digs make a tempting offer. So does the promise of a ready-made screenplay idea inspired by their charade. But when Stephanie steps into Ethan's privileged world, the "acting" begins to feel all too real. The kissing and touching that were intended to fool the Hamptons crowd wind up manipulating them. And Stephanie faces a question she's too afraid to ask: Is Ethan falling for the real her or for the dolled-up princess he wants to see? Praise for *Isn't She Lovely* "Fresh and authentic, Lauren Layne's *Isn't She Lovely* packs intelligence, wit, and an addictive romance into one fantastic read! I loved the bold characters, the slow-building yet steamy romance, and the raw and painful edge of self-discovery. I couldn't put it down!"—New York Times and USA Today bestselling author Cora Carmack Lauren Layne's New York Times bestselling Oxford Novel series can be read in any order: IRRESISTIBLY YOURS I WISH YOU WERE MINE SOMEONE LIKE YOU I KNEW YOU WERE TROUBLE I THINK I LOVE YOU Don't miss any of Lauren Layne's hot reads: The Love Unexpectedly series: BLURRED LINES | GOOD GIRL | LOVE STORY | WALK OF SHAME | AN EX FOR CHRISTMAS The Sex, Love & Stiletto series: AFTER THE KISS | LOVE THE ONE YOU'RE WITH | JUST ONE NIGHT | THE TROUBLE WITH LOVE The Redemption series: ISN'T SHE LOVELY | BROKEN | CRUSHED The I Do, I Don't series: READY TO RUN | RUNAWAY GROOM

*The Book of (More) Delights* HarperCollins

This heartwarming picture book reassures children that a parent's love never lets go—based on the poignant lyrics of JJ Heller's beloved lullaby "Hand to Hold." "May the living light inside you be the compass as you go / May you always know you have my hand to hold." With delightful illustrations and an engaging rhyme scheme, this book offers the promise of security and love every child's heart longs to know. From skipping stones and counting stars to climbing trees and telling stories, every moment is wrapped snugly in the certain warmth of a parent's presence and God's blessing. With poignancy and joy, this bedtime read captures the unconditional love parents want their children to know but so often fail to express amid the chaos of daily life.

NEW YORK TIMES BESTSELLER • "Driving, wild and hilarious" (The Washington Post), here is the incredible "memoir" of the legendary actor, gambler, raconteur, and Saturday Night Live veteran. When Norm Macdonald, one of the greatest stand-up comics of all time, was approached to write a celebrity memoir, he flatly refused, calling the genre "one step below instruction manuals." Norm then promptly took a two-year hiatus from stand-up comedy to live on a farm in northern Canada. When he emerged he had under his arm a manuscript, a genre-smashing book about comedy, tragedy, love, loss, war, and redemption. When asked if this was the celebrity memoir, Norm replied, "Call it anything you damn like."

The beloved New York Times bestselling author reflects on home, family, friendships and writing in this deeply personal collection of essays. "The elegance of Patchett's prose is seductive and inviting; with Patchett as a guide, readers will really get to grips with the power of struggles, failures, and triumphs alike." —Publisher's Weekly "Any story that starts will also end." As a writer, Ann Patchett knows what the outcome of her fiction will be. Life, however, often takes turns we do not see coming. Patchett ponders this truth in these wise essays that afford a fresh and intimate look into her mind and heart. At the center of *These Precious Days* is the title essay, a surprising and moving meditation on an unexpected friendship that explores "what it means to be seen, to find someone with whom you can be your best and most complete self." When Patchett chose an early galley of actor and producer Tom Hanks' short story collection to read one night before bed, she had no idea that this single choice would be life changing. It would introduce her to a remarkable woman—Tom's brilliant assistant Sooki—with whom she would form a profound bond that held monumental consequences for them both. A literary alchemist, Patchett plumbs the depths of her experiences to

create gold: engaging and moving pieces that are both self-portrait and landscape, each vibrant with emotion and rich in insight. Turning her writer's eye on her own experiences, she transforms the private into the universal, providing us all a way to look at our own worlds anew, and reminds how fleeting and enigmatic life can be. From the enchantments of Kate DiCamillo's children's books (author of *The Beatryce Prophecy*) to youthful memories of Paris; the cherished life gifts given by her three fathers to the unexpected influence of Charles Schultz's Snoopy; the expansive vision of Eudora Welty to the importance of knitting, Patchett connects life and art as she illuminates what matters most. Infused with the author's grace, wit, and warmth, the pieces in *These Precious Days* resonate deep in the soul, leaving an indelible mark—and demonstrate why Ann Patchett is one of the most celebrated writers of our time.
