*Good Leaders Ask
Great Questions*
Fawcett
A #1 New York Times
bestselling author and
leadership expert
answers questions
from his readers about
what it takes to be in
charge and make a
difference. John

Maxwell, America's #1
leadership authority,
has mastered the art of
asking questions, using
them to learn and
grow, connect with
people, challenge
himself, improve his
team, and develop
better ideas. Questions
have literally changed
Maxwell's life. In GOOD
LEADERS ASK GREAT
QUESTIONS, he shows
how they can change
yours, teaching why

questions are so important, what questions you should ask yourself as a leader, and what questions you should be asking your team. Maxwell also opened the floodgates and invited people from around the world to ask him any leadership question. He answers seventy of them--the best of the best--including . . . What are the top skills required to lead people through difficult times? How do I get started in leadership? How do I motivate an unmotivated person? How can I succeed working under poor leadership? When is the right time for a successful leader to move on to a new position? How do you move people into your inner circle? No matter

whether you are a seasoned leader at the top of your game or a newcomer wanting to take the first steps into leadership, this book will change the way you look at questions and improve your leadership life.

SAGA. From the author of the extraordinary #1

New York Times bestseller *The Book Thief*, I Am the Messenger is an acclaimed novel filled with laughter, fists, and love. A MICHAEL L. PRINTZ HONOR BOOK FIVE STARRED REVIEWS Ed Kennedy is an underage cabdriver without much of a future. He's pathetic at playing cards, hopelessly in love with his best friend, Audrey, and utterly devoted to his coffee-drinking dog, the Doorman. His life is one of peaceful routine and incompetence until he inadvertently stops a bank robbery. That's when the first ace arrives in the mail. That's when Ed becomes the messenger. Chosen to care, he makes his way through town helping and hurting (when

necessary) until only one question remains: Who's behind Ed's mission?

Journey of Souls Yale University Press
Sequel to *Bear, Otter, and the Kid*, *Bear, Otter, and the Kid* survived last summer with their hearts and souls intact. They've moved into the *Green Monstrosity*, and *Bear* is finally able to admit

his love for the man who saved him from himself. But that's not the end of their story. How could it be? The boys find that life doesn't stop just because they got their happily ever after. There's still the custody battle for the Kid. The return of Otter's parents. A first trip to a gay bar. The Kid goes to therapy, and Mrs. Paquinn decides that Bigfoot is real. Anna and Creed doâ€¦ well, whatever it is Anna and Creed do. There are newfound jealousies, the return of old enemies, bad poetry, and misanthropic seagulls. And through it all, Bear struggles to understand his mother's abandonment of him and his brother, only to delve deeper into their shared past.

What he finds there will alter their lives forever and help him realize what it'll take to become who they're supposed to be. Family is not always defined by blood. It's defined by those who make us wholeâ€”those who make us who we are.

Open source provides the competitive advantage in the Internet Age. According to the August Forrester Report, 56 percent of IT managers interviewed at Global 2,500 companies are already using some type of open source software in their infrastructure and another 6 percent will install it in the next two years. This revolutionary model for collaborative software development is being

embraced and studied by many of the biggest players in the high-tech industry, from Sun Microsystems to IBM to Intel. *The Cathedral & the Bazaar* is a must for anyone who cares about the future of the computer industry or the dynamics of the information economy. Already, billions of dollars have been made and lost based on the ideas in this book. Its conclusions will be studied, debated, and implemented for years to come. According to Bob Young, "This is Eric Raymond's great contribution to the success of the open source revolution, to the adoption of Linux-based operating systems, and to the success of open source users and the companies that supply

them." The interest in open source software development has grown enormously in the past year. This revised and expanded paperback edition includes new material on open source developments in 1999 and 2000. Raymond's clear and effective writing style accurately describing the benefits of open source software has been key to its success. With major vendors creating acceptance for open source within companies, independent vendors will become the open source story in 2001.

An eye-opening biography of one of the most influential psychiatrists of the modern age, drawing from his lectures, conversations, and own writings. "An important, firsthand document for readers who wish to

understand this seminal writer and thinker." —Booklist In the spring of 1957, when he was eighty-one years old, Carl Gustav Jung undertook the telling of his life story. *Memories, Dreams, Reflections* is that book, composed of conversations with his colleague and friend Aniela Jaffé, as well as chapters written in his own hand, and other materials. Jung continued to work on the final stages of the manuscript until shortly before his death on June 6, 1961, making this a uniquely comprehensive reflection on a remarkable life. Fully corrected, this edition also includes Jung's VII *Sermones ad Mortuos*. *Henni Alftan* Westland Sport
The third novel in the

masterful tetralogy, *The Sea of Fertility*, in which a brilliant lawyer will go to nearly any length to discover whether a young Thai princess is in fact the reincarnated spirit of his childhood friend. • “Surpassingly chilling, subtle, and original.” —*The New York Times*

Here, Shigekuni Honda continues his pursuit of the successive reincarnations of Kiyooki Matsugae, his childhood friend. Travelling in Thailand in the early 1940s, Shigekuni Honda, now a brilliant lawyer, is granted an audience with a young Thai princess—an encounter that radically alters the course of his life. In spite of all reason, he is convinced she is the reincarnated spirit of his friend Kiyooki. As Honda goes to great

lengths to discover for certain if his theory is correct, *The Temple of Dawn* becomes the story of one man’s obsessive pursuit of a beautiful woman and his equally passionate search for enlightenment.

The first book in Tarryn Fisher's fan-favorite Love Me with Lies trilogy, *The Opportunist* is the twisty, unconventional second-chance love story you didn't see coming! When Olivia Kaspen spots her ex-boyfriend in a Miami record shop, she ignores good sense and approaches him. It's been three years since their breakup, but when Caleb reveals he's suffering from amnesia after a recent car accident, first she feels regret—and then opportunity. If he doesn't remember her, then he also doesn't remember her manipulation, her deceit, or the horrible way she broke his heart. Seeing a chance to reunite with Caleb, she keeps their past,

and the details around the implosion of their relationship, a secret. Wrestling to keep her true identity and their sordid history under wraps, Olivia's greatest obstacle is Caleb's wicked new girlfriend, Leah, who's equally determined to possess the man who no longer remembers her. But soon Olivia must face the consequences of her lies, and in the process discover that sometimes love falls short of redemption.

Decoded is a book like no other: a collection of lyrics and their meanings that together tell the story of a culture, an art form, a moment in history, and one of the most provocative and successful artists of our

time. Praise for Decoded “Compelling . . . provocative, evocative . . . Part autobiography, part lavishly illustrated commentary on the author’s own work, Decoded gives the reader a harrowing portrait of the rough worlds Jay-Z navigated in his youth, while at the same time deconstructing his lyrics.”—Michiko Kakutani, *The New York Times* “One of a handful of books that just about any hip hop fan should own.”—*The New Yorker* “Elegantly designed, incisively written . . . an impressive leap by a man who has never been known for small steps.”—*Los Angeles Times* “A riveting exploration of Jay-Z’s journey . . . So thoroughly engrossing,

it reads like a good piece of cultural journalism.”—*The Boston Globe* “Shawn Carter’s most honest airing of the experiences he drew on to create the mythic figure of Jay-Z . . . The scenes he recounts along the way are fascinating.”—*Entertainment Weekly* “Hip-hop’s renaissance man drops a classic. . . . Heartfelt, passionate and slick.”—*Kirkus Reviews* (starred review)

Caught in the storm is a young investigator with a complex past of her own, who must race against time to maintain the balance of power in the new world. Welcome back to the exciting and shadowy world of Ashwin Sanghi, where myth and history blend into edge-of-the-seat action.

The Opportunist Inner Traditions / Bear & Co
NEW YORK TIMES, USA TODAY, and PUBLISHERS WEEKLY BESTSELLER "Full of valuable insights to guide you."—WILL SMITH "Thoughtful and life-affirming . . . a must-read."—TONY ROBBINS "This book

will put you back in charge of your own life.”—TOM BRADY A new perspective on the overused and misunderstood concept of “karma” that offers the key to happiness and enlightenment, from the world-renowned spiritual master Sadhguru. What is karma? Most people understand karma as a balance sheet of good and bad deeds, virtues and sins. The mechanism that decrees that we cannot evade the consequences of our own actions. In reality, karma has nothing to do with reward and punishment. Karma simply means action: your action, your responsibility. It isn’t some external system of crime and punishment, but an internal cycle

generated by you. Accumulation of karma is determined only by your intention and the way you respond to what is happening to you. Over time, it’s possible to become ensnared by your own unconscious patterns of behavior. In Karma, Sadhguru seeks to put you back in the driver’s seat, turning you from a terror-struck passenger to a confident driver navigating the course of your own destiny. By living consciously and fully inhabiting each moment, you can free yourself from the cycle. Karma is an exploration and a manual, restoring our understanding of karma to its original potential for freedom and empowerment instead of a source of entanglement. Through

Sadhguru's teachings, you will learn how to live intelligently and joyfully in a challenging world.
