Secrets of the Last Nazi is as controversial as it is compelling. A heart-stopping, action-

packed and scarily plausible adventure which will captivate fans of Dan Brown, Scott Mariani and Clive Cussler. THE GREATEST DISCOVERY OF THE 20TH CENTURY. KEPT SECRET. UNTIL NOW. As their hunt across Europe gathers pace, the brutal killing of one of the group signals that they are not the only ones chasing the answer. Plunged into a world of international espionage, Myles only has his intellect and instincts to keep him alive. As the team edge closer to an explosive truth, it becomes clear to him that there is a traitor amongst them. Who can Myles trust? And can he unravel the clues of the past in time to save the future? A Book Lover's Blog 'A BRILLIANT but unconventional academic races shadowy agents, a deranged killer and power-mad priests to expose a vast conspiracy...romps along at a ferocious pace.' The Sun 'I was drawn into Secrets of the Last Nazi and will highly recommend it. It was refreshing to read a book which was much grander in scale than my normal choice of story and Iain King weaves the threads of a fantastic narrative into a slick adventure.' Grab This Book 'A great conspiracy

thriller, just the sort of book I like. The whole story is based on a fascinating premise and backed up convincingly throughout. A good pace all the way through, building up and racing to an exciting finish. Would recommend to anyone who likes Scott Mariani, Dan Brown type thrillers. I will definitely look out for more books by this author.' Sue Fortin 'I loved this book...for me it was a real page turner. The blurb claims the book to be a heart-stopping, action-packed and scarily plausible adventure and I wholeheartedly agree.' Amazing, ballsy and unique characters you'll root for while on the quest to reveal the big secret. I definitely recommend it and sincerely hope you'll enjoy it. I was over the moon to hear there will be a sequel, The Last Prophecy of Rome.' This Chick Reads **Watching Over You** Random House Six were taken. Eleven years later, five come back--with no idea of where they've been. A riveting mystery for

fans of *We Were Liars*. Eleven years ago, six kindergartners went missing without a trace. After all that time, the people left behind moved on, or tried to. Until today. Today five of those kids return. They're sixteen, and they are . . . fine. Scarlett comes home and finds a mom she barely recognizes, and doesn't really recognize the person she's supposed to be, either. But she thinks she remembers Lucas. Lucas remembers Scarlett, too, except they're entirely unable to recall where they've been or what happened to them. Neither of them remember the sixth victim, Max--the only one who hasn't come back. Which leaves Max's sister, Avery, wanting answers. She

wants to find her brother--dead or alive--and isn't buying this whole memory-loss story. But as details of the disappearance begin to unfold, no one is prepared for the truth. This unforgettable novel--with its rich characters, high stakes, and plot twists--will leave readers breathless.

KEENAN It's been four years since I ran away-

from home, my brother, and my maybe father. I created a life free of expectations while pretending I wasn't being hunted by all of the above. I managed to stay under the radar all this time... or so I thought. When big brother shows up and saves my ass, I'm forced to face everything I left behind, including her. SHELDON It's been four years since I became another statistic. I made a lot of mistakes when it came to Keenan Masters. The first was loving him at all. He took something from me the night he left, and when I told him I still loved him, he told me he'd always hate me. After that, I learned how to be okay... until he came back. Gone was the boy who always knew

how to make me laugh, and in his place was a cold, arrogant monster. Fear Us is a continuation of the events from book one and two. It's recommended you read the series in order.
