Second Edition Algonquin
Books

A bestselling modern
classic—both poignant
and funny—about a boy
with autism who sets out
to solve the murder of a
neighbor's dog and

discovers unexpected truths about himself and the world. Nominated as one of America's best-loved novels by PBS's The Great American Read Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. He relates well to animals but has no understanding of human emotions. He cannot stand to be touched. And he detests the color yellow. This improbable story of Christopher's quest to investigate the

suspicious death of a neighborhood dog makes for one of the most captivating, unusual, and widely heralded novels in recent years.

 Girl Online meets Wild in this emotionally charged story of girl who takes to the wilderness to rediscover herself and escape the superficial persona she created on social media. Mari Turner's life is perfect. That is, at least, to her thousands of followers who have helped her become an internet

starlet. But when she breaks down and posts a video confessing she's been living a lie—that she isn't the happy, in love, inspirational online personality she's been trying so hard to portray—it goes viral and she receives a major backlash. To get away from it all, she makes an impulsive decision: to hike the entire John Muir Trail. Mari and her late cousin Bri were supposed to do it together, to celebrate their shared eighteenth birthday. But that was before Mari got so

wrapped up in her online world that she shut anyone out who questioned its worth—like Bri. With Bri's boots and trail diary, a heart full of regret, and a group of strangers that she meets along the way, Mari tries to navigate the difficult terrain of the hike. But the true challenge lies within, as she searches for the way back from to the girl she fears may be too lost to find: herself.

The Secret Confessions of Anne Shakespeare

Penguin

Described by its author as

'almost irresponsibly optimistic', *Saved* is a play set in London in the sixties. Its subject is the cultural poverty and frustration of a generation of young people on the dole and living on council estates. The play was first staged privately in November 1965 at the Royal Court Theatre before members of the English Stage Society in a time when plays were still censored. With its scenes of violence, including the stoning of a baby, *Saved* became a notorious play and a cause célèbre. In a

letter to the Observer, Sir Laurence Olivier wrote: 'Saved is not a play for children but it is for grown-ups, and the grown-ups of this country should have the courage to look at it.' *Saved* has had a marked influence on a whole new generation writing in the 1990s. Edward Bond is "a great playwright - many, particularly in continental Europe, would say the greatest living English playwright" (Independent)

"An intimate portrait of

one of Shakespeare's most inspired moments: the year of King Lear, Macbeth and Antony and Cleopatra. 1606, while a very good year for Shakespeare, is a fraught one for England. Plague returns. There is surprising resistance to the new king's desire to turn England and Scotland into a united Britain. And fear and uncertainty sweep the land and expose deep divisions in the aftermath of the failed terrorist attack that came to be known as the Gunpowder Plot. James

Shapiro deftly demonstrates how these extraordinary plays responded to the tumultuous events of this year, events that in unexpected ways touched upon Shakespeare's own life ... [and] profoundly changes and enriches our experience of his plays-- Publisher's description. The Passage HarperCollins In this book, Jenny Spencer presents an in-depth examination of Bond's work.

Red Black and Ignorant
Bloomsbury Publishing
A YA romance—with a

sparkling commercial voice and a dash of science—that explores a relationship over six years. The moment Spencer meets Hope the summer before seventh grade, it's something at first sight. The pair become fast friends, climbing trees and planning world travels. After years of being outshone by his older brother and teased because of his Tourette syndrome, Spencer finally feels like he belongs. But as Hope and Spencer get older and life gets messier, the clear label of

“friend” gets messier, too. Through sibling feuds and family tragedies, new relationships and broken hearts, the two grow together and apart, and Spencer, an aspiring scientist, tries to map it all out using his trusty system of taxonomy. He wants to identify and classify their relationship, but in the end, he finds that life doesn’t always fit into easy-to-manage boxes, and it’s this messy complexity that makes life so rich and beautiful.

The Joy Luck Club W. W. Norton & Company
January 1937. Clouds of war are gathering over a fogbound London. Twenty-eight year old Jack is poor, lonely and desperate to change his life. So when he's offered the chance to be the wireless operator on an Arctic expedition, he jumps at it. Spirits are high as the ship leaves Norway: five men and eight huskies, crossing the Barents Sea by the light of the midnight sun.

At last they reach the remote, uninhabited bay where they will camp for the next year. Gruhuken. But the Arctic summer is brief. As night returns to claim the land, Jack feels a creeping unease. One by one, his companions are forced to leave. He faces a stark choice. Stay or go. Soon he will see the last of the sun, as the polar night engulfs the camp in months of darkness. Soon he will reach the point of no return - when the sea will freeze, making escape impossible. And Gruhuken

is not uninhabited. Jack is not alone. Something walks there in the dark. Chronicles of England, Scotland and Ireland
Abrams

“Fawkes is the perfect mix of history and magic.”
—Cynthia Hand, New York Times bestselling author of *My Lady Jane*
Thomas Fawkes is turning to stone, and the only cure to the Stone Plague is to join his father’s plot to assassinate the king of England. Silent wars leave

the most carnage. The wars that are never declared but are carried out in dark alleys with masks and hidden knives. Wars where color power alters the natural rhythm of 17th-century London. And when the king calls for peace, no one listens until he finally calls for death. But what if death finds him first? Keepers think the Igniters caused the plague. Igniters think the Keepers did it. But all Thomas knows is that the Stone Plague infecting his eye is spreading. And if he doesn’t do something

soon, he’ll be a lifeless statue. So when his Keeper father, Guy Fawkes, invites him to join the Gunpowder Plot—claiming it will put an end to the plague—Thomas is in. The plan: use 36 barrels of gunpowder to blow up the Igniter King. The problem: Doing so will destroy the family of the girl Thomas loves. But backing out of the plot will send his father and the other plotters to the gallows. To save one, Thomas will lose the other. No matter Thomas’s choice, one

thing is clear: once the decision is made and the color masks have been put on, there's no turning back. "I was up late in the night reading, waiting to get to the fifth of November to see how the plot would actually unfold, and it did not disappoint. An imaginative, colorful tale about choosing for yourself between what's right and what others insist is the truth."

—Cynthia Hand, New York Times bestselling author of *My Lady Jane* "Hold on to your heart as this slow-burning adventure quickly

escalates into an explosion of magic, love, and the truth about loyalty." —Mary Weber, bestselling author of the *Storm Siren Trilogy* "Fawkes is a tale full of spiritual depth, tragedy, and hope. A beautifully written allegory for the magic of faith, with an achingly relatable hero who pulls you into his world heart and soul. A must-read for all fantasy fans!" —Lorie Langdon, author of *Olivia Twist* "A brilliant book that fulfills every expectation. Brandes turns

seventeenth century London into a magical place. I was captivated by the allegory of her magic system and how she blended that fantasy with history. I highly recommend this gripping and beautifully crafted book to all. It will leave you both entertained and pondering matters raised in the storyline long after you've finished reading." —Jill Williamson, Christy Award-winning author of *By Darkness Hid* and *Captives* "A magical retelling of the seventeenth century's

famous Gunpowder Plot that will sweep you back in time—to a divided England where plagues can turn you to stone and magic has a voice. Deft and clever, Fawkes is a vibrant story about the search for truth and issues relevant to us, still, today.” —Tosca Lee, New York Times bestselling author

A Long Way Gone

Penguin

The Andromeda Strain meets The Stand in this startling and stunning thriller that brings to life a unique vision of the

apocalypse and plays brilliantly with vampire mythology, revealing what becomes of human society when a top-secret government experiment spins wildly out of control. At an army research station in Colorado, an experiment is being conducted by the U.S. Government: twelve men are exposed to a virus meant to weaponize the human form by supercharging the immune system. But when the experiment goes terribly wrong, terror is unleashed. Amy, a young

girl abandoned by her mother and set to be the thirteenth test subject, is rescued by Brad Wolgast, the FBI agent who has been tasked with handing her over, and together they escape to the mountains of Oregon. As civilization crumbles around them, Brad and Amy struggle to keep each other alive, clinging to hope and unable to comprehend the nightmare that approaches with great speed and no mercy. . . .
King Lear Annotated Orion
“The Joy Luck Club is one

of my favorite books. From the moment I first started reading it, I knew it was going to be incredible. For me, it was one of those once-in-a-lifetime reading experiences that you cherish forever. It inspired me as a writer and still remains hugely inspirational." —Kevin Kwan, author of *Crazy Rich Asians* Amy Tan's beloved, *New York Times* bestselling tale of mothers and daughters, now the focus of a new documentary *Amy Tan: Unintended Memoir* on

Netflix *Four mothers, four daughters, four families* whose histories shift with the four winds depending on who's "saying" the stories. In 1949 four Chinese women, recent immigrants to San Francisco, begin meeting to eat dim sum, play mahjong, and talk. United in shared unspeakable loss and hope, they call themselves the Joy Luck Club. Rather than sink into tragedy, they choose to gather to raise their spirits and money. "To despair was to wish back for something already

lost. Or to prolong what was already unbearable." Forty years later the stories and history continue. With wit and sensitivity, Amy Tan examines the sometimes painful, often tender, and always deep connection between mothers and daughters. As each woman reveals her secrets, trying to unravel the truth about her life, the strings become more tangled, more entwined. Mothers boast or despair over daughters, and daughters roll their eyes even as they feel the

inextricable tightening of their matriarchal ties. Tan is an astute storyteller, enticing readers to immerse themselves into these lives of complexity and mystery.

The Sea A&C Black

For every athlete or sports fanatic who knows she's just as good as the guys. This is for fans of *The Running Dream* by Wendelin Van Draanen, *Grace, Gold, and Glory* by Gabrielle Douglass and *Breakaway: Beyond the Goal* by Alex Morgan. The summer before Caleb and Tessa enter high school,

friendship has blossomed into a relationship . . . and their playful sports days are coming to an end. Caleb is getting ready to try out for the football team, and Tessa is training for cross-country. But all their structured plans derail in the final flag game when they lose. Tessa doesn't want to end her career as a loser. She really enjoys playing, and if she's being honest, she likes it even more than running cross-country. So what if she decided to play football instead? What would happen

between her and Caleb? Or between her two best friends, who are counting on her to try out for cross-country with them? And will her parents be upset that she's decided to take her hobby to the next level? This summer Caleb and Tessa figure out just what it means to be a boyfriend, girlfriend, teammate, best friend, and someone worth cheering for. "A great next choice for readers who have enjoyed Catherine Gilbert Murdock's *Dairy Queen* and Miranda Kenneally's

Catching Jordan.”—SLJ

Rosencrantz and Guildenstern Are Dead
 Standard Ebooks
 An inventive and vibrant historical novel about the woman who dared to be the equal of the Bard of Avon. Dramatizing a marriage born of passion and strained by ambition, Arliss Ryan's fascinating historical novel chronicles a love affair for the ages, and the story of a woman who dares to fulfill her own surprising destiny. Anne Hathaway is weighing her prospects for marriage when a

dalliance with young Will Shakespeare, the poetry-writing son of a rural glove-maker, leaves her pregnant and wed. When Will joins a traveling acting troupe and moves to London, Anne leaves their children in his parents' care and boldly follows him. Taking up a new identity at Will's side, Anne supports his career as a struggling actor by sewing costumes and transcribing manuscripts in the rough-and-tumble world of London's theatres. As Will finds his true calling in writing,

Anne's own literary skills begin to flower, leading to a secret collaboration that makes Will the foremost playwright in Elizabethan England.
