This book is about poverty and why these two (2) kinds of people are not alike. One of them has more resources, while the other has a limited supply or shortages. I will state why these people most likely have a positive mindset unlike the opposite

one; some are struggling financially and others have more freedom. This literature is based on my experiences and observation of their attitude and behavior every time I encounter each one of them. Some people believe that being rich require fancy cars, mansions, popularity, airplane, and a lot of money. Thus, being rich only demands a good mindset. If your perception is set only for

material things, there are times you will lose it. However, when you have a mindset, same as those rich individual; you're not afraid to lose everything. Since, you knew that you can have it back. Being rich is having a heart, mind and soul. It's based on emotion, contribution, and leadership. Even if you have all the money in the world, yet lack proper thinking; you will never call

yourself rich. As rich people didn't teach their children the value of money, rather create it with their hands.

The definite origins of OPM in one book In 2017, economic journalist and Original Pilipino Music obsessive Tina Arceo-Dumlao published Himig at Titik: A Tribute to OPM Songwriters, a limited-edition collection of interviews with the progenitors of OPM, the songwriters of

the 1970s and the 1980s, from Manila Sound to all the way to Socio-Political Themes Redux, her love letter to the music she grew up with. Now Inquirer Books presents a revised and updated e-book version of Himig at Titik: A Tribute to OPM Songwriters, with rare full-color photographs, including exclusive interviews with Hotdog's Dennis Garcia, Sen. Tito Sotto, Pepe Smith,

Sampaguita, Freddie Aguilar, Lolita Carbon, Willy Cruz, National Artist for Music Ryan Cayabyab, Danny Javier, Jim Paredes, Jose Mari Chan, Rey Valera, Vehnee Saturno, Odette Quesada, Joey Ayala, Gary Granada, Gary Valenciano and many others. Himig at Titik is an e-book that celebrates the music that is truly sariling atin. Part of the proceeds will benefit the PhilPop Foundation.

Himig at Titik: A Tribute to OPM Songwriters by Tina Arceo-Dumlao is available for P695 (\$14) from Amazon, Google Books, Apple Books, Lazada and the Inquirer Shop. *Queen of the Universe* Shepherds Voice Publications, Inc. When Bong Serrano learned that his older brother, Boying, had cancer, the notes he had jotted down about his childhood took on new meaning. Memories of his time with his family in the Philippines came rushing back. At the center of those memories were the precious moments he'd spent with his Kuya. Faced with his brother's impending death, Bong asked himself: "What if one day I lose my memories? Who will remember us?" Thus began Bong's yearslong journey of immortalizing not only his childhood but also his country's history and traditions. Bong grew up in the southern province of Batangas, on Luzon Island. Batangas: My Sky and Earth is a celebration of that childhood. This memoir takes you into a world made rich by the intricate descriptions of life in the Philippines in the 1970s and '80s, where the family unit is close, and many households are multigeneratio

nal. From family dynamics to church duties to delicious food and the inevitable annual typhoons, Bong invites you to experience his culture from the inside. Throughout this memoir, Bong honors his childhood home and country and the memory of his beloved brother. The choice to interweave Tagalog throughout this book's pages helps to steep the story in Filipino culture

further. A whole village raised this boy, and as Bong looks back on his childhood, the lessons he learned come to the foreground: clarity, forgiveness, tradition, and love. *Awit and Corrido* Liverpool University Press
Life consists of mountains and valleys. Nobody was exempt from these. Everyone would experience pains and sufferings in their lifetime

whether they like it or not. But there was always a voice that would help us if we but listen to his voice. Listening to that voice was our way to eternal life. It was tough to listen to that voice. Tougher still to respond but the Holy spirit was always ready to give us the power, courage and strength and he always gives us the perfect amount of all we need to make it through our dark valleys. Even though

this generous divinity never abandoned us. The author was not a stranger to these pains and sufferings. She felt them when she was only eight years old. It did not stop at her young age. Her pains and sufferings continued through her adult life. She tried so much to forget and in order to do that she entered the convent. Unfortunately for her she got sick. She left the convent and spent the next twenty

years teaching. But still the memories of her lost love resurfaced again and again through his sister and niece. She immigrated to the US but he was like her shadow following her around. They saw each other again in their High school reunion but she managed to evade him. Then she decided to get married. For a while she was in peace until he called her, he was in school. She gave him an

ultimatum not to call her because she was already married. And this time she was sure, they would never cross paths again but he never listened. He continued calling her until her husband passed away. Nothing in life happens by accident. It was all by divine providence. Read the book and find out what divine intervention did in their lives.

The cause of history writing owes Ambeth Ocampo a great deal. By his extraordinary use of a relatively new genre, he has rescued history from the cold, forbidding halls of academe. He has made of history something amusing, entertaining . . . as immediate as a newspaper headline, as relevant as a rapper's song."- Carmen Guerrero-Nakpil Philippines

What would happen if people had super powers but there were no super villains to fight? Enter the world of stuporheroes, where people born with special abilities have to either get a day job as an insurance salesman, a baker, or a waiter or struggle

through the Hollywood cesspool to try to find fame, money, and fulfillment. But for two 'powers,' neither option is attractive and together they conspire to topple the superficiality of Hollywood and the superhero industry! Tarlac and the Revolutionary Landscape L.L. Press
Inspired by the work of Souvankham Thammavongsa, Catherine Hernandez and Wayson Choy, this unforgettable novel follows

the reunification of Filipino caregiver families over one Canadian winter—and the mysterious progress of Monolith, who appears and disappears in their lives. When five-year-old Monolith is taken from the Philippines to live with his mother in Canada, he immediately lashes out. Unable or unwilling to speak, he attacks her and destroys his new home. Everyone wants to know

why—and everyone has a theory. But unlike the solid certainty his name suggests, the answer isn't so simple. From a cliffside town in the Tagaytay highlands of the Philippines, to the Filipino communities in the desert of Osoyoos, the Arctic world of Iqaluit, the suburbs of southern Ontario, Sarnia's Chemical Valley, Montréal's Côte-des-Neiges, and

Toronto's Little Manila, Austria-Bonifacio takes readers into the kaleidoscope of the Filipino diaspora, uncovering the displacement, estrangement, resilience and healing that happen behind closed doors. As each chapter unfolds, truths are revealed in humorous, joyful, devastating and surprising ways: through an incisive caregiver's instruction manual, a custody battle over texts and

e-mails, a disarmingly direct self-help guide, a series of desperate résumés, a kundiman songbook, and more. Monolith appears again and again, as a misbehaving boy in a store, the subject of town gossip, a face in a fundraising campaign, a client in questionable care, a dying man's beacon of hope—and an unlikely new friend. Compellingly readable, incisive and resonant, Jennilee
