Broken Dreams (Storms of New England Book 4) Montlake Romance

Lori Lansens became one of Canada's most sought after writers more than a year before her internationally heralded first book, Rush Home Road, would see publication in April 2002. So immediately and passionately was her novel embraced that it was already front-page arts news back in April 2001. Knopf Canada was the first publisher to buy this extraordinary debut novel, but just before the 2001 London Book Fair, Little, Brown US bought the rest of the world rights for a major six-figure sum (for Rush Home Road and the author's yet-to-be-written second novel), and rights have now been sold in numerous countries. The Globe and Mail reported the record-breaking news with full, front-page coverage, and Little, Brown International

Rights Director Linda Biagi found herself talking of nothing else in London; she sold Rush Home Road to a further 9 territories with the manuscript still unedited. Biagi likened the book to some of the most important literary achievements of our time, saying, "It's as if John Irving had written *The Color Purple*." Louise Dennys, the Executive Publisher of Knopf Canada, describes it as "a novel of startling beauty and great heart that will immediately find a place within that small, special tribe of books beloved by readers the world over." The untold story of the descendants of the Underground Railroad Heartbreaking and wise, Rush Home Road tells the life story of Adelaide Shadd, who finds redemption in old age, and Sharla, a five-year-old mixed race girl abandoned to Addy's care by her white mother. Born in the first decade of the 20th century in Rusholme (inspired by the real town of Buxton), in southwestern Ontario, an all-black community settled by fugitive slaves, Addy Shadd is raped as a teenager and forced to flee the family home. She makes her way on foot to Detroit, where she becomes the housekeeper for an elderly man and his grown son, both of whom develop a crush on her. When misfortune strikes again, she sets off to make a new life for herself in Canada. Thrown off the train at Keating, not far from her birthplace, she meets and eventually marries the train porter, the wonderful Mose, with whom she has a daughter. But when tragedy strikes, Addy is left alone. Now an old woman, she lives a quiet existence in a trailer park near Chatham. Her whole world changes when a young mother asks her to babysit her daughter, as it soon becomes clear that the mother is never coming back. Addy is glad of the company, but not sure if she's up to the job of mothering this sweet, awkward five-year-old. Nor is she sure how much longer she'll be around to do so. How she manages is part of the story of this brilliantly captivating novel. Written with verve, grace and unflinching emotional acuity, Rush Home Road is an epic story that explodes our notions of identity, justice, and heroism, penetrating one of our darkest periods with profound insight and humanity. Addy Shadd is a protagonist like no other -- full of quiet, steely bravery and tenderness of heart. This spellbinding novel will leave no reader untouched.

Beneath the Blossoms Simon and Schuster

Sharlamagne Dickens cherished her family, was intrigued by the past, adored antiques, and enjoyed working at the antique store owned by her parents. Her life, like most, had been touched by tragedy and loss, yet she was happy. Though her life was not void of romance, it was void of a certain emotional passion. Still, she was young and assumed that one day some man might manage to sweep her off her feet. Sharlamagne did not expect to be entirely bowled over, however. And the day she first set eyes on Maxim Tanner, she was! Elisaveta Tanner's grandson, Maxim, was the dreamiest, most attractive archetypal male Sharlamagne and her sister, Gwen, had ever seen! Tall, dark, and illegally handsome, Maxim Tanner possessed not only fabulous looks, money, and the sweetest grandmother in the world but also a fair amount of local fame. He was gorgeous, clever, and pathetically out of reach for any average girl. And so Sharlamagne went about her life happy and satisfied—for she had no idea what sort of emotional intensity the right man could inflame in her. She had no conception of how an age-old mystery and one man could converge to unleash a passion so powerful that it would be either the greatest gift she had ever known—or her final undoing.

Drew loved their new home in Negley, Ohio. He was happier here. It was a much safer environment to raise his children. He was concerned about the pictures he found in a drawer of missing children from the area. Surely there was no need for concern as some of the pictures dated back to the 1950s. He was concerned, however, about the homeless family living in the deserted brick house across the creek. It was not a safe place for the children living there.
