[Doctor Who: The Dalek Generation](#) Random House
 As a cargo ship rockets across the galaxy to Canto Bight, the deckhands on board trade stories about legendary Jedi Knight Luke Skywalker. But are the stories of iconic and mysterious Luke Skywalker true, or merely tall tales passed from one corner of the galaxy to another? Is Skywalker really a famous Jedi hero, an elaborate charlatan, or even part droid? The deckhands will have to decide for themselves when they hear *The Legends of Luke Skywalker*. A collection of myths and tall-tales about the legendary Jedi Luke Skywalker, written by Nebula, Hugo, and World Fantasy award-winning author Ken Liu.

[Doctor Who: The Return of Robin Hood](#) Random House
 The Time Lords are an immensely civilised, and immensely powerful, race. Yet we know very little about them, save that they can live forever (barring accidents) and possess the secrets of space and time travel. Their history has been shrouded in myth and mystery. Until now. *A Brief History of Time Lords* unlocks the secrets of this ancient, legendary alien race - a civilisation that inflicted some of its most notorious renegades and criminals on the universe, but was also the benevolent power that rid the cosmos of its most fearsome enemies. Drawn from the ancient records of Gallifrey, and handed down from generation to generation, this remarkable book reveals the Time Lords in all of their guises: pioneers and power-mad conspirators, time-travellers and tyrants, creators and destroyers. Be careful who you share it with.

[Doctor Who](#) Univ of South Carolina Press
 Over billions of years of time travel, the Doctor has run into his fair share of important people - and he's formed opinions on most of them too. Now the Twelfth Doctor has got hold of a history textbook from Coal Hill School, and he's decided to improve it with notes of his own! From Nefertiti to Robin Hood, this essential Doctor's guide gives us his unique take on Earth's most famous historical figures. Through annotations, scribbles and his trademark snarky humour, the Doctor has plenty to say about the pudding-brained humans he's met on his travels. It's history . . . but perhaps not quite as you know it!

Doctor Who: Time Lord Fairy Tales Carol Publishing Group
 Know your frenemy. 'I've had adventures too. My whole life doesn't revolve around you, you know.' When she's not busy amassing armies of Cybermen, or manipulating the Doctor and his companions, Missy has plenty of time to kill (literally). In this all new collection of stories about the renegade Time Lord we all love to hate, you'll discover just some of the mad and malevolent

activities Missy gets up to while she isn't distracted by the Doctor. So please try to keep up.

Doctor Who: The Wonderful Doctor of Oz Titan Comics
 Doctor Who stories are many things: thrilling adventures, historical dramas, tales of love and war and jelly babies. They're also science fiction - but how much of the science is actually real, and how much is really fiction? *The Scientific Secrets of Doctor Who* is a mind-bending blend of story and science that will help you see Doctor Who in a whole new light, weaving together a series of all-new adventures, featuring every incarnation of the Doctor. With commentary that explores the possibilities of time travel, life on other planets, artificial intelligence, parallel universes and more, Simon Guerrier and Dr Marek Kukula show how Doctor Who uses science to inform its unique style of storytelling - and just how close it has often come to predicting future scientific discoveries. This book is your chance to be the Doctor's companion and explore what's out there. It will make you laugh, and think, and see the world around you differently. Because anything could be out there. And going out there is the only way to learn what it is.

Jubilee Penguin UK
 When the Doctor arrives in the 19th-century village of Klimtenburg, he discovers the residents suffering from some kind of plague, a wasting disease. The victims face a horrible death, but what's worse, the dead seem to be leaving their graves. The plague warriors have returned.

The Price of Paradise Disney Electronic Content
 Even a Time Lord can't change the past. A wasteland. A dead world... No, there is a biodome, rising from the ash. Here, life teems and flourishes, with strange and lush plants, and many-winged insects with bright carapaces - and one solitary sentient creature, who spends its days watering the plants, talking to the insects, and tending this lonely garden. This is Inyit, the Last of the Kotturuh. In *All Flesh is Grass* we are transported back to The Dark Times. The Tenth Doctor has sworn to stop the Kotturuh, ending Death and bringing Life to the universe. But his plan is unravelling - instead of bringing Life, nothing has changed and all around him people are dying. Death is everywhere. Now he must confront his former selves - one in league with their greatest nemesis and the other manning a ship of the undead...

Doctor Who: A Brief History of Time Lords BBC Children's Books
 A Doctor Who adventure featuring the fifth doctor

Apollo 23 BBC Books
 A unique, in-depth look into the hidden lives and mysteries of the monsters from the hit BBC series Doctor Who—a fully illustrated color compendium that reveals proof of the existence of alien life out there and among us, packaged with removable artwork commissioned exclusively for the book. For years, world

governments and multinational organizations like the secretive UNIT have suppressed the truth. In this book, leading alienologist Justin Richards finally blows the lid off the biggest conspiracy to radically alter our world since The Scarlioni Incident. Not only is there proof that alien life exists. The aliens are already here. Based on exclusive access to classified UNIT and Torchwood files—shocking information that has been suppressed for centuries—*The Secret Lives of Monsters* reveals the terrifying truth behind the rumors and legends. Packed with iconic photographs, eyewitness accounts, diagrams and illustrations, and sixteen removable color prints, *The Secret Lives of Monsters* offers background details on a diverse range of alien species—including planetary and genetic origins, habits, social organization, and first human contact. If you want to know why the Sontaran's probic vent is his weak point or what it is used for; how Daleks reproduce; or how to determine whether your best friend is a Zygon, the answers—as well as everything you need to know to survive future invasions—are here in *The Secret Lives of Monsters*.

The Doctor and the Soul Harper Design
 Tells how the popular British science fiction television series got its start, offers plot summaries for each serial in the show's twenty seasons, and offers comments by the five actors who have played Dr. Who

Doctor Who: Legends of Camelot Random House
 "David Solomons's zany, inimitable wit makes for a series of capers that are thrilling and satisfying."- The Guardian
 On *The Secret in Vault 13* An ancient artifact buried deep within the TARDIS leads the Doctor back to London, where a deadly predator prowls the tunnels beneath the city. As the Time Lord and her friends investigate, they uncover a mystery that will take them from a secret mountain base to the depths of the ocean - and if they cannot solve it, one of them will perish. In order to save her friend, the Doctor must solve the riddle of ... the Maze of Doom!

[Doctor Who: A History of Humankind: The Doctor's Official Guide](#) Random House
 Mickey is startled to find a statue of Rose in a museum - a statue that is 2000 years old. The Doctor realises that this means the Tardis will shortly take them to ancient Rome, but when it does, he and Rose soon have more on their minds than sculpture.

Doctor Who: The Maze of Doom Createspace Independent Publishing Platform
 'Hello, sweetie!' Melody Pond, Melody Malone, River Song...She has had many names. Whoever she really is, this archaeologist and time traveller has had more adventures (and got into more trouble) than most people in the universe. And she's written a lot of it down. Well, when you're married to a Time Lord (or possibly not), you have to keep track of what you did and when. Especially

as it may not actually have happened to both of you yet. These are just a few of River Song's exploits, extracted from her journals. Sometimes, she is with the Doctor. Sometimes she's on her own. But wherever and whenever she may be, she is never far from danger and excitement. This is just a tiny portion of her impossible life. But it will reveal more than you've ever known about the legend that is River Song.

[Doctor Who Paper Dolls](#) Random House

We are all stories, in the end . . . A stunning illustrated collection of fifteen dark and ancient fairy tales from the world of Doctor Who. These captivating stories include mysterious myths and legends about heroes and monsters of all kinds, from every corner of the universe. Originally told to young Time Lords at bedtime, these twisted tales are an enchanting read for Doctor Who fans of all ages. Written by Justin Richards and illustrated by David Wardle.

[Doctor Who: Myths and Legends](#) Random House

This dual-narrative story set in the world of the Eisner-award winning Black Hammer series chronicles the legacy of a Golden Age superhero. Collects the first four issues of Doctor Star from New York Times bestselling and Eisner-winning creator Jeff Lemire! An aged crime fighter desperately wants to reconnect with his estranged son, who he hoped would one day take the mantle of Doctor Star. Over the course of the story we learn his World War II-era origin, how he got his powers, his exciting astral adventures, the formation of some of Black Hammer's greatest heroes, and more in this heartbreaking superhero tale about

fathers and sons.

The Doctor Who File Random House

Ashildr, a young Viking girl, died helping the Doctor and Clara to save the village she loved. And for her heroism, the Doctor used alien technology to bring her back to life. Ashildr is now immortal – The Woman Who Lived. Since that day, Ashildr has kept journals to chronicle her extraordinary life. The Legends of Ashildr is a glimpse of some of those stories: the terrors she has faced, the battles she has won, and the treasures she has found. These are tales of a woman who lived longer than she should ever have lived – and lost more than she can even remember. An original novel featuring the Twelfth Doctor as played by Peter Capaldi, and Ashildr as played by Maisie Williams.

Doctor Who Dark Horse Comics

A collection of fantastical and macabre Gullah-inspired folklore that illuminates African-American life in nineteenth-century South Carolina. You ask for a story. I will tell you one, fact for fact and true for true. . . . So begins "Crook-Neck Dick," one of twenty-three stories in this beguiling collection of Charleston lore. John Bennett's interpretations of the legends shared with him by African-descended Charlestonians have entertained generations. Among them are tales of ghosts, conjuring, superhuman feats, and supernatural powers; accounts of ingenuity, humor, terror, mystery, and solidarity will enchant folklorists, students of Charleston history, and all those who love a good ghost story. Julia Eichelberger, the Marybelle Higgins Howe Professor of Southern Literature and an executive board member of the

Center for Study of Slavery at the College of Charleston in South Carolina, provides an introduction. "A collection of folk story, myth, drolleries, macabre unreason . . . old tales of death, mystery, bizarre incredibilities, diabolic influence, demanding ghosts, buried treasure, enchantments, miracles, visitations, and the dead that are not dead." —Kirkus Reviews

[Doctor Strange: The Book of the Vishanti](#) Random House

For thousands of years, epic stories have been passed down from Time Lord to student, generation to generation. The truth of these tales was lost millennia ago, but the myths and legends themselves are timeless. These are the most enduring of those tales. From the princess Manussa and her giant snake Mara, to the Vardon Horse of Xeriphin, these stories shed light on the universe around us and the beings from other worlds that we meet. Myths hold up a mirror to our past, present and future, explaining our culture, our history, our hopes and fears. A collection of epic adventures from the Time Lords' mist-covered past, Myths and Legends is an unforgettable gallery of heroes and villains, gods and monsters.

Doctor Who: The Legends of Ashildr Random House

This work contains fascinating folk tales that originated from the Longendale valley of England. Filled with intriguing characters, beautiful illustrations, and well-written descriptions along with gripping storylines, this collection makes a delightful read.

Where's the Doctor? Random House
