Industries: AUSTIN ... Shreve's Chemical

Process Industries. Covers the major

chemical processes and their technical

and economic relationships. Intended for

professionals and students, this work

offers guidance in the designing and

operating of processing units. Shreve's

Chemical Process Industries by George T.

Austin Shreve's is an end to end summary

of the major processes that occur in

chemical plants. It does a good job of

reviewing the temperatures and pressures

normal to any given process. It also has

some data on total feedstock used by one

process. Amazon.com: Shreves Chemical
