SANFORD BALL

A Fine Romance Little,
Brown
An in-depth look at the
United States Marine
Corps-in the New York
Times bestselling tradition
of Submarine, Armored

Cav, and Fighter Wing
Only the best of the best
can be Marines. And only
Tom Clancy can tell their
story--the fascinating real-
life facts more compelling
than any fiction. Clancy
presents a unique
insider's look at the most
hallowed branch of the
Armed Forces, and the
men and women who

serve on America's front
lines. Marine includes: An
interview with the
Commandant of the
Marine Corps, General
Charles "Chuck" Krulak
The tools and technology
of the Marine
Expeditionary Unit The
role of the Marines in the
present and future world
An in-depth look at

recruitment and training
Exclusive photographs,
illustrations, and diagrams

Behind Closed Doors

New Seasons

Our critically acclaimed
bestseller *Visual
Complexity* was the first
in-depth examination of
the burgeoning field of
information visualization.
Particularly noteworthy
are the numerous
historical examples of
past efforts to make sense
of complex systems of
information. In this new
companion volume, *The
Book of Trees*, data viz
expert Manuel Lima

examines the more than
eight hundred year
history of the tree
diagram, from its roots in
the illuminated
manuscripts of medieval
monasteries to its current
resurgence as an elegant
means of visualization.
Lima presents two
hundred intricately
detailed tree diagram
illustrations on a
remarkable variety of
subjects—from some of
the earliest known
examples from ancient
Mesopotamia to the
manuscripts of medieval
monasteries to

contributions by leading
contemporary designers.
A timeline of capsule
biographies on key figures
in the development of the
tree diagram rounds out
this one-of-a-kind visual
compendium.

Love from the Heart of the Home Simon & Schuster

This poignant debut novel
in verse is a portrait of
healing, as a young girl
rediscovers life and the
soothing power of nature
after being freed from her
abusive father. For most
of her life, Lacey has been
a prisoner without even

realizing it. Her dad rarely let her, her little sister, or her mama out of his sight. But their situation changes suddenly and dramatically the day her grandparents arrive to help them leave. It's the beginning of a different kind of life for Lacey, and at first she has a hard time letting go of her dad's rules. Gradually though, his hold on her lessens, and her days become filled with choices she's never had before. Now Lacey can take pleasure in sketching the world as she sees it in her

nature journal. And as she spends more time outside making things grow and creating good memories with family and friends, she feels her world opening up and blossoming into something new and exciting.

Autumn from the Heart of the Home Little, Brown

A treasury of the author's watercolor paintings, quotations, personal anecdotes, and celebratory ideas is presented in a weekly appointment journal that offers additional space to record important events.

The Grey King Little Brown

The heir of ash and fire bows to no one. A new

threat rises in the third book in the #1 bestselling Throne of Glass series by Sarah J. Maas. Celaena Sardothien has survived deadly contests and shattering heartbreak, but now she must travel to a new land to confront her darkest truth. That truth could change her life-and her future-forever.

Meanwhile, monstrous forces are gathering on the horizon, intent on enslaving her world. To defeat them, Celaena will need the strength not only to fight the evil that is about to be unleashed

but also to harness her inner demons. If she is to win this battle, she must find the courage to face her destiny-and burn brighter than ever before.

The third book in the #1 New York Times bestselling Throne of Glass series continues Celaena's epic journey from woman to warrior.

Dare to be Creative!

Ember

Based on the diaries Susan has kept since she was in her 20s, The Fairy Tale Girl is book one of a two part series. Together the books are an

illustrated memoir, charmingly designed in Susan's style with her whimsical watercolors and personal photographs. It's an enchanting story of love and loss, mystery and magic that begins in a geranium-colored house in California, and ends up, like any good fairy tale, on the right side of the rabbit hole, in a small cottage in the woods on the New England Island of Martha's Vineyard. The *Fairy Tale Girl* humorously explores Susan's journey as an artist and as a girl/woman, from the

1950s through the 1980s. In the first book of the series we get a revealing view of Susan's early life as the oldest of eight children and the marriage she imagined would be forever; it's filled with inspiration, romance and discovery, and a leap into the unknown.

The Fairy Tale Girl Sphere Susan Branch's inimitable whimsy and charm have won her a large and loyal following across America - and made her previous gift books and cookbooks perennial bestsellers. This Keepsake Book features

recipes and paintings for Valentine's Day -- or any day that love is in the air. Ribbon marker.

Flipped Tor Teen

A classic he-said-she-said romantic comedy! This updated anniversary edition offers story-behind-the-story revelations from author Wendelin Van Draanen. The first time she saw him, she flipped. The first time he saw her, he ran. That was the second grade, but not much has changed by the seventh. Juli says: "My Bryce. Still walking around with my

first kiss.” He says: “It’s been six years of strategic avoidance and social discomfort.” But in the eighth grade everything gets turned upside down: just as Bryce is thinking that there’s maybe more to Juli than meets the eye, she’s thinking that he’s not quite all he seemed. This is a classic romantic comedy of errors told in alternating chapters by two fresh, funny voices. The updated anniversary edition contains 32 pages of extra backmatter: essays from Wendelin Van Draanen on her sources of

inspiration, on the making of the movie of *Flipped*, on why she’ll never write a sequel, and a selection of the amazing fan mail she’s received. Awards and accolades for *Flipped*: SLJ Top 100 Children’s Novels of all time IRA-CBC Children’s Choice IRA Teacher’s Choice Honor winner, Judy Lopez Memorial Award/WNBA Winner of the California Young Reader Medal “We flipped over this fantastic book, its gutsy girl Juli and its wise, wonderful ending.” — The Chicago Tribune “Van Draanen has

another winner in this eighth-grade ‘he-said, she-said’ romance. A fast, funny, egg-cellent winner.” — SLJ, Starred review “With a charismatic leading lady kids will flip over, a compelling dynamic between the two narrators and a resonant ending, this novel is a great deal larger than the sum of its parts.” —Publishers Weekly, Starred review *The Library Book* Little Brown & Company Valerie O’Connor comes from a large, close-knit, working class family in

Vermont. At the age of eighteen, she marries twenty-five-year-old Jack Marsh. He is a handsome, dashing Korean War veteran, but he is also a damaged man who cannot keep himself from taking his fears and insecurities out on his wife and his five children. To make matters worse, Jack takes Valerie away from her family, and all the way across the country, isolating her from the very people who know her and care about her the most. Too proud to ask for help or admit her

failure as a wife and mother, Valerie is unable to protect either herself or the children. One by one, pushed to the extreme, the children escape, in one fashion or another, until they are all gone, even Ricky, the youngest and perhaps the most troubled, and there is only Jack left, and Valerie must face the reality of her marriage and her life. And then, as if out of the ashes, another generation begins. Will history repeat itself? The answer is a message for us all. Visit the author's website on

www.sloanbooks.com
Christmas Memories: a Keepsake Book from the Heart of the Home (Guided Journal and Memory Book) Fox Chapel Publishing
"In the winter of 1982, long before she became the watercolor artist and author we know today, Susan Branch, 34-years-old and heartbroken from the sudden and unexpected end of her marriage in California, "ran away from home" to the Island of Martha's Vineyard hoping to gain perspective. It was meant

to be temporary, a three-month time-out from the daily grind of being broken up and miserable, but within days of her arrival, alone and not quite in her right mind, Susan "accidentally" bought a tiny one-bedroom cottage in the woods - which is how she discovered she was moving 3,000 miles away from everyone and everything she had known and loved. Funny, observant, touching, and addictive (you are not going to want this book to end), based on the diaries

she has kept all her life, Susan Branch relates her inspirational tale of lost love and self discovery, her search for roots, purpose, and destiny with laugh-out-loud honesty. A road map for overcoming loss, following your heart, and making dreams come true, charmingly hand-lettered and watercolored in Susan's inimitable style, there are diary excerpts, recipes, and hundreds of photographs."--Provided by Amazon.com.

The Blue Book of Grammar and

Punctuation Little, Brown

A Fine Romance - Falling in Love with the English Countryside is travel writing at its best by New York Times best-selling author Susan Branch. This charming book is part love story, part travel guide - a hand-written and watercolored diary/journal of Branch's six-day transatlantic crossing on board the Queen Mary 2 and two-month ramble over the backroads of rural England. There are over three hundred photos, countless

watercolor illustrations, wonderful quotes, recipes, a book list, a movie list, hand-drawn maps and much more. Travel with Susan as she makes her way around hedgerows and through wildflower meadows to visit the homes and gardens of her literary and artistic heroes, including Beatrix Potter and Jane Austen. It's a travel guide that will help you plan a trip of your own, lovely for the armchair traveler because Susan really does take you there, and perfect for all Downton Abbey

anglophiles. When you are finished, go to Susan's website where there is an interactive Appendix to the book you can experience driving across the Dales with Susan's own videos and find links to everything she writes about, the cottages and gardens you will want to see yourself. A Fine Romance is book three of Susan Branch's autobiographical trilogy. First in order is The Fairy Tale Girl, followed by Martha's Vineyard - Isle of Dreams, and finally A Fine Romance - Falling in Love

with the English Countryside. All three are hand-lettered, watercolored, filled with photos, recipes and quotes and, as Susan says, "as much magic as I could possibly stuff between the covers." Bon Voyage!

Parrotfish Little Brown

The author's third keepsake book offers a collection of her favorite recipes for cakes, pies, and other desserts for all occasions.

 Angela Katz-McNair has never felt quite right as a girl, but it's a shock to everyone when she cuts her hair short, buys some men's clothes, and announces she'd like to be called by a new name, Grady. Grady is happy about his decision to finally be true to himself,

despite the practical complications, like which gym locker room to use. And though he didn't expect his family and friends to be happy about his decision, he also didn't expect kids at school to be downright nasty about it. But as the victim of some cruel jokes, Grady also finds unexpected allies in this thought-provoking novel that explores struggles any reader can relate to. The Book of Trees Little Brown

Mary Church Terrell was an icon in the civil rights movement, advocating for equality and social justice for black women through a lifetime of campaigning and eloquent oration. Famed for being the first black woman to gain a college education in the United States, Mary Terrell put her education to great use. Beginning in the 1890s, she spoke publicly on a range of civil rights which black Americans and black women were deprived. Throughout these efforts, Terrell helped coordinate

a series of local movements which campaigned for suffrage and enfranchisement for the black population. Mary Church Terrell began a trend in the civil rights movement; her language bursting with eloquence and reason, she argued for a better intellectual, social and economic life for black Americans. Black women, who lacked even the right to vote, were compelled to join the cause, which they did in their thousands. Living to the age of 90, Terrell was a bridge between the

Reconstruction era and the modern civil rights movement.
