Omnigraphics  
Are you tired of waiting  
for love to find you? Do  
you want to find  
romance? Do you want

to do this now? You  
can use the magick of  
the Gypsies to get the  
love you deserve and  
then keep it if you  
practice the techniques  
in Raymond Buckland's  
Secrets of Gypsy Love  
Magick. This book is  
filled with the ancient  
lore of the Gypsies,  
outlined in a way you  
can easily understand  
and use. Within these

pages you will learn how to: - Discover your future spouse - Attract a lover - Bring you and your lover closer together - Keep your spouse faithful - Retain youthful beauty and virility - Make love potions, amulets, charms and talismans - Get rid of an unwanted suitor Here is a simple way to make your lover more attentive to you: Sit before a dying fire and gaze into it. Focus your mind on your lover. Have a small basket of laurel leaves between your knees. With your left hand, take some out and toss them into the fire. As they burst into flame, chant out loud the following: Laurel leaves that burn in the fire, Draw unto me my heart's desire. When the flames have died down, repeat this two

more times. Within twenty-four hours your lover will come to visit you. There is more to this book than just getting a lover. This book also gives you magical techniques to keep a lover once you have him or her. Also, Gypsy love magick is about the family. You'll find the traditional magical methods used to create harmony, end sibling rivalry, promote understanding between a parent and child, and more. Ray Buckland has done the magickal community a great service by offering the secrets of Gypsy love magick. All you have to do is accept the gift. *Witchcraft for Tomorrow* Echo Point Books & Media, LLC This fully annotated transcript from one of the great unsung

heroes of witchcraft shares a wonderful collection of hands-on practices for the traditional witch. You will also discover a history of the Museum of Witchcraft and Magic that Cecil founded, a treatise on the practices of the wayside witches, and fascinating accounts of his meetings with Aleister Crowley and Gerald Gardner.

*Old World Witchcraft*

Weiser Books

With research sourced by the world's greatest libraries, Robbins has compiled a rational, balanced history of 300 years of horror concentrated primarily in Western Europe. Spanning from the 15th century through the 18th century, the witch-hunt frenzy marks a period of suppressed rational

thought; never before have so many been so wrong. To better understand this phenomenon, Robbins examines how the meaning of "witch" has evolved and exposes the true nature of witchcraft—a topic widely discussed in popular culture, though remarkably misunderstood. First published in 1959, Robbins' encyclopedia remains the most authoritative and comprehensive body of information about witchcraft and demonology ever compiled in a single volume. Lavishly acclaimed in academic and popular reviews, this full-scale compendium of fact, history, and legend covers about every phase of this fascinating subject

from its origins in the medieval times to its last eruptions in the 18th century.

Accompanying the text are 250 illustrations from rare books, contemporary prints, and old manuscripts, many of which have been published here for the first time.

### **Secrets of Gypsy Love Magick**

Llewellyn Worldwide  
A Down-to-Earth Guide to Traditional Wicca  
While there are many powerful variations of contemporary Witchcraft, traditional Wicca offers unique experiences for those who seek it out. This book explores structured, coven-based styles of Wicca, in which the practitioners typically trace initiatory lineages back to Wicca's early founders. Discussing

covens, initiations, lineages, practices, ethics, and more, Traditional Wicca shares tips and ideas on how to get the most from this profound approach to Witchcraft. Discover how to recognize healthy, reputable covens. Learn how to navigate the process of asking for training and succeeding in an outer court. Explore the spiritual strength of lineages, hierarchies, and initiation. This book also includes contributions from several practitioners, providing valuable first-person perspectives on what it's like to be on the traditional Wiccan path. Praise : "Like the bristles of a besom, Thorn Mooney's Traditional Wicca sweeps through the

subject of Witchcraft removing the dust and dirt of ignorance and prejudice to reveal the true heart of Wicca. Thorn writes with obvious sincerity, with feeling, and from experience. Her book covers everything from defining Witchcraft, through the workings of a coven, to actual initiation and beyond. She warns that Wicca is not for everyone and—I am personally delighted to see—includes a chapter on recognizing 'Red Flags' when first contacting others...especially those who might claim to be more than they actually are. This book is the quintessential guide for the true, sincere seeker."—Raymond Buckland, author of Buckland's Complete

Book of Witchcraft "Traditional Wicca is a unique and important book. It's amazing to me that in over 70 years of publishing on the subject of Wicca, nothing like this book has ever been written! I'm kind of jealous I didn't think to write it myself. The chapter on initiation is, by itself, worth the cover price. If you want to understand what people mean by 'traditional Wicca,' whether or not you're seeking it, this is the one book you must read."—Deborah Lipp, Wiccan high priestess and author of Merry Meet Again "Traditional Wicca is a topic that few actually understand despite its long and distinguished history. With passion and skill, Thorn delivers a book that

many familiar with Wicca will wish they had had when they were studying it, and those who find themselves on the path for the first time will rejoice at having found. Whether you intend to seek initiation or not, this book is full of valuable gems that will enhance any practice at any level. Traditional Wicca is an all-inclusive tour through the history, practices, and lore of traditional Wicca that weaves voices from all over the tradition and challenges everything you think you know about it."—Devin Hunter, author of *The Witch's Book of Power* "A masterful gem of insight and wisdom, Traditional Wicca reveals the time-honored practices of initiatory Wicca,

thought all but lost by many, but hidden like so many occult secrets in plain sight. Drawing a clear and respectful distinction between eclectic Wicca and its older more traditional sibling, Thorn Mooney takes us on a personal journey exploring the powers and the pitfalls of the initiatory inner court, revealing the persistence of a thriving and dynamic Craft that is at once orthopraxic and changing, traditional and experimental. With practical advice for the seeker, peppered with personal anecdotes from several practitioners and initiates alike, this book is a much-needed map...Highly recommended."—Storm Faerywolf, author of *Betwixt and Between Practical Color Magick*

Llewellyn Worldwide  
 Seize control of your destiny with the simple but profound practice of "Advanced Candle Magick." Ray Buckland's first book on candle magick "Practical Candleburning Rituals" explained the basic techniques of directing positive forces and making things happen. In "Advanced Candle Magick," you'll use advanced spells, preparatory work, visualization and astrology to improve and enhance your results. Create a framework conducive to potent spellwork through the use of planetary hours, days of the week, herb and stone correspondences, and color symbolism. Create positive changes in your

relationships, finances, health and spirit when you devise your own powerful rituals based upon the sample spells presented in this book. Taking spellworking one step further, Ray Buckland gives you what you've been waiting for: "Advanced Candle Magick." *Witchcraft* National Geographic Books Draw on your inner darkness and unlock the secrets of the Hidden Kingdom Whether your demons are ancient spirits or demons of your own making, you must confront them in order to reclaim the power they have stolen. Guiding you through enchantments, demonic rituals, divine possession, necromancy, and occultus maleficum, this book helps you

cultivate and explore your forsaken shadows. When you peer behind the veil of comfort and face your most powerful fears, you can truly begin to refine and strengthen your own magical will. In *Forbidden Mysteries of Faery Witchcraft*, you will learn how to: Summon primal underworld goddesses of the elemental powers Walk the bone road and help trapped spirits cross over Become a worthy vessel for divine possession Perform as an oracle, speaking the wisdom of the gods on earth Cast and break curses, the dark art of offensive magic The powerful techniques of the Faery Tradition of Witchcraft await. Through these rituals, you will glimpse the secret inner workings

of nature herself and open the doorway to unimagined sources of energy.

*Lights, Camera, Witchcraft* Llewellyn Worldwide

The complete text of the Saxon Witches Book of shadows, includes instructions for initiation ceremonies, the eight Sabbots, marriage, birth and death rites.

*Witchcraft from the Inside* Citadel Press

This is the ultimate guide to the ancient religion of Wicca by best-selling Pagan author, D. J. Conway. **WICCA: THE COMPLETE CRAFT** offers a comprehensive overview of Wiccan philosophy, dispels the common misconceptions, and is a useful primer for practicing Wicca as a spiritual lifestyle.

Included are chapters on sacred space, ritual tools, holy days, meditations and visualizations, spells and the art of spell casting, as well as terminology.

Wicca Red Wheel

Color Magick is the most effective, yet the most simple method of knowledge and practice in all the fields of psychic and spiritual development. Color surrounds us in our world and this book can show you how to put that color to work. Color Magick is powerful, yet safe. It is creative and fun to do. It is the use of a natural element in a practical way. Color Magick can be used in meditation, healing, ESP, Tarot, crystal-gazing, ritual, candle-magick, and many other forms of magical practice. Learn all of its secrets in this exciting book!

Wicca for Beginners

Visible Ink Press

Due to the sheer number of Wicca 101 books on the market, many newcomers to

the Craft find themselves piecing together their Wiccan education by reading a chapter from one book, a few pages from another. Rather than depending on snippets of wisdom to build a new faith, Wicca for Beginners provides a solid foundation to Wicca without limiting the reader to one tradition or path. Embracing both the spiritual and the practical, Wicca for Beginners is a primer on the philosophies, culture, and beliefs behind the religion, without losing the mystery that draws many students to want to learn. Detailing practices such as grounding, raising energy, visualization, and meditation, this book offers exercises for core techniques

before launching into more complicated rituals and spellwork. Finalist for the Coalition of Visionary Resources Award for Best Wiccan/Pagan Book "In her first book-length work, Sabin presents a first-rate, fresh, and thorough addition to the burgeoning field of earth-based spiritual practice volumes...written in a light, informative style that magically mines depth, breadth and brevity."—Publishers Weekly (starred review)

*Cecil Williamson's Book of Witchcraft* Simon and Schuster

A look at Witches, Witchcraft and the Wicca tradition from the author of *Buckland's Complete Book of Witchcraft* From Abracadabra to

Aleister Crowley to Gardnerian Witchcraft to Rosemary's Baby to sorcery and Zoroaster, *The Witch Book* by the late, great Raymond Buckland is unmatched in its coverage of witchcraft's historical, practical, and cultural aspects. A student of the late Wicca pioneer Dr. Gerald Gardner, Raymond Buckland has been widely credited with introducing Wicca to the United States. He was one of the world's foremost experts on Witchcraft, Wicca, and Earth religions. With 560 entries, a resource section, and 114 photos and illustrations, this is an exhaustive exploration of Witchcraft, Wicca, paganism, magic, people, places, events, literature, and more. It shows how, in pre-

Christian and early Christian times, Witchcraft (with a capital "W") was a magical and healing practice associated with early spiritual beliefs, including how the word "Witch" comes from the Old Anglo-Saxon *wicce* or *wicca*, meaning a "wise one": the wiseman or -woman of the common people who had knowledge of herbs, healing, augury, and magic. It also tackles how Witchcraft and paganism were erroneously linked with Satanism, black magic, and pop-culture distortions. It defines both the darker Christian concept and the true concept of Wicca, concentrating on the Western European and later New World versions of Witchcraft and magic.

The Witch Book is a broad and deep look at witches, witchcraft and the Wicca tradition.

### **Progressive Witchcraft**

CreateSpace  
Buckland's Complete Book of Witchcraft has influenced and guided countless students, coven initiates, and solitaires around the world. One of modern Wicca's most recommended books, this comprehensive text features a step-by-step course in Witchcraft, with photographs and illustrations, rituals, beliefs, history, and lore, as well as instruction in spellwork, divination, herbalism, healing, channeling, dreamwork, sabbats, esbats, covens, and solitary practice. Witch Crafting The

Crowood Press  
 Never say die! Can the living communicate with the dead? Many believe that spirits are constantly about us and that it is possible, through a variety of means, to speak to them and to have them speak to us. The Spirit Book: The Encyclopedia of Clairvoyance, Channeling, and Spirit Communication looks at these methods of communication, their history, and the personalities involved throughout the past three hundred years of this eternal quest. The fascinating history of Spiritualism is coaxed into the material realm as the object of this perceptive and sweeping overview by that legendary author of the occult and supernatural, Raymond

Buckland. Drawing on decades of research, writing, and transcendence, he describes sundry methods of channeling, events associated with Spiritualism, including séances and exorcism, organizations focused on clairvoyance, and a colorful host of mortals—famous and infamous—who delved into Spiritualism. Nostradamus, Helena Blavatsky, and Edgar Cayce receive their due, as well as Joan of Arc, William Blake, Susan B. Anthony, Winston Churchill, Arthur Conan Doyle, Mahatma Gandhi, Harry Houdini, and Mae West (look up and see her sometime). The Spirit Book explores Qabalah, Sibyls, Fairies, Poltergeists; phenomena such as intuition and karma;

objects useful in the attempt to cross the divide, including tarot cards, flower reading, and runes; and related practices such as Shamanism, transfiguration, meditation, and mesmerism. This comprehensive reference also reports on investigations of contemporary manifestations, including electronic voice phenomena and spirit appearances on TV screens, plus channeling, fraud, psychic research, and possession. Containing more than 500 entries and 100 illustrations, this fun, fact-filled tome is richly illustrated. Its helpful bibliography and extensive index add to its usefulness.

Scottish Witchcraft  
Llewellyn Worldwide

Witchcraft for Tomorrow answers many frequently asked questions about witchcraft including: 'How can I find a witches' coven?' and 'How can I become a witch?' Doreen Valiente tells you what the old religion of witchcraft has to offer the new age of Aquarius; how the age-old Craft of the Wise can be practised in the modern world; how to initiate yourself as a witch and found your own coven. The author, who was the leading figure in the establishment of the modern Wiccan movement, includes a new Book of Shadows (the witches' handbook of rituals and instructions) based upon ancient magical tradition but geared to the age of the future. There are witch songs,

spells, incantations and practical advice on how to run a coven and how to acquire your own collection of magical implements; as well as methods of divination and other witch lore. The author shows how the oral traditions of witchcraft throw light not only upon the origins of the present-day witch cult and the activities of the witch leader George Pickingill and his covens, but also upon the mystery of the founding of the famous magical order, the Golden Dawn. Also discussed is the relationship between the witchcraft of Britain and Europe and the magical belief of the Far East. Do both traditions hark back to the legendary city of Shamballah and to the shamanistic practices of Asia? And why do

the secret circles of the witches resemble those of the Tantric sex-magic of India?

### **Buckland's Complete Book of Witchcraft**

Llewellyn Worldwide In Old World Witchcraft, noted author Raven Grimassi covers totally new territory--in his work and in the world of popular witchcraft books published in the last few decades. This book is actually about "an enchanted worldview," one that has not necessarily been inherited from the beliefs and practices of any particular region and one which is available to us today. The "Old World" in the title is actually about a magical view of the Plant Kingdom and the spirits attached to it. While Grimassi's

previous books discuss the cultural expressions and commonality of witchcraft beliefs and practices in general, this book penetrates much deeper. Old World Witchcraft reveals rarely discussed topics such as the concept of Shadow as the organic memory of the earth. Readers will learn rooted techniques that possess power because these ways have always been connected to it. They will learn methods of interfacing with the ancestral current and with the organic memory of the earth. Through these they can connect with the timeless arts and learn methods of empowerment directly from the ancient source. Totally new information about

familiar tools is presented. For example, the mortar and pestle is a tool for spell casting, a device that creates interfacing with plant spirits and with shadow, and a focal point for veneration of the Plant Kingdom. Grimassi also presents the art of using plant ashes for magical sigil work. This book is for people who have had their fill of books that say the same things over and over, who want to take the next step, and who are eager for the more rooted ways that have remained largely hidden.

*The Witch Book*  
Llewellyn Worldwide  
A great source for anyone interested in Wicca, from seekers just beginning on the path of the old ways to those thirsting for

more knowledge about it's inner practices. It will also be an invaluable resource for anyone running (or planning to run) training groups.

*The Spirit Book*

Llewellyn Worldwide

Explains how to use the many forms of divination, explores events and predictions, and includes entries on such people as Aleister Crowley and Jeane Dixon.
