and students. Teacher's
Book provides over 100
photocopiables to save
preparation time, plus
extra tips and ideas.

Classroom Presentation Tool brings your classroom to life with the Student's Book and Workbook, on-screen and interactive.

English File - New Edition. Advanced.

Student's Book Oxford University Press
In Edgar Allan Poe's "The Tell-Tale Heart", the narrator tries to prove his sanity after murdering an elderly man because of his "vulture eye". His growing guilt leads him to hear the old man's heart beating under the floorboards, which drives

him to confess the crime to the police.

English File 4E Pre-intermediate Student Book Oxford University Press

American English File Second Edition retains the popular methodology developed by world-renowned authors Christina Latham-Koenig and Clive Oxenden: language + motivation = opportunity. With grammar, vocabulary, and pronunciation practice in every lesson, students are equipped with a solid foundation for successful

speaking. Plus - an array of digital resources provides even more choice and flexibility. Students can learn in the classroom or on the move with Online Practice. language assessment. The first goal is to explore the difference between fairness and justice in language assessment. The authors distinguish internal and external dimensions of the equitable and just treatment of individuals taking language tests which are used as gatekeeping devices to

determine access to education and employment, immigrant status, citizenship, and other rights. The second goal is to show how the extent of test fairness can be demonstrated and improved using the tools of psychometrics, in particular the models collectively known as Rasch measurement. "This book will have an enormous impact on the field of language assessment. Using Rasch analysis models to explore and identify sources of unfairness, the

authors make a compelling case for fairness in the design and implementation of language assessment instruments and for justice in the interpretation and use of test results. A real strength of the book is that it guides readers through analytical techniques in an accessible way." Dan Douglas, Professor Emeritus, Applied Linguistics Program, Iowa State University.

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has

been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-

talk someone in an email
then hit “reply all” •
you’re being
micromanaged—or not
being managed at all •
you catch a colleague in a
lie • your boss seems
unhappy with your work •
your cubemate’s loud
speakerphone is making
you homicidal • you got
drunk at the holiday party
Praise for Ask a Manager
“A must-read for anyone
who works . . . [Alison
Green’s] advice boils
down to the idea that you
should be professional
(even when others are
not) and that

communicating in a
straightforward manner
with candor and kindness
will get you far, no matter
where you
work.”—Booklist (starred
review) “The author’s
friendly, warm, no-
nonsense writing is a
pleasure to read, and her
advice can be widely
applied to relationships in
all areas of readers’ lives.
Ideal for anyone new to
the job market or new to
management, or anyone
hoping to improve their
work
experience.”—Library
Journal (starred review) “I

am a huge fan of Alison
Green’s Ask a Manager
column. This book is even
better. It teaches us how
to deal with many of the
most vexing big and little
problems in our
workplaces—and to do so
with grace, confidence,
and a sense of
humor.”—Robert Sutton,
Stanford professor and
author of The No Asshole
Rule and The Asshole
Survival Guide “Ask a
Manager is the ultimate
playbook for navigating
the traditional workforce
in a diplomatic but firm
way.”—Erin Lowry, author

of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

Make workplace conflict resolution a game that EVERYBODY wins! Recent studies show that typical managers devote more than a quarter of their time to resolving coworker disputes. The Big Book of Conflict-Resolution Games offers a wealth of activities and exercises for groups of any size that let you manage your business (instead of managing personalities). Part of the

acclaimed, bestselling Big Books series, this guide offers step-by-step directions and customizable tools that empower you to heal rifts arising from ineffective communication, cultural/personality clashes, and other specific problem areas—before they affect your organization's bottom line. Let The Big Book of Conflict-Resolution Games help you to: Build trust Foster morale Improve processes Overcome diversity issues And more Dozens of physical and

verbal activities help create a safe environment for teams to explore several common forms of conflict—and their resolution. Inexpensive, easy-to-implement, and proved effective at Fortune 500 corporations and mom-and-pop businesses alike, the exercises in *The Big Book of Conflict-Resolution Games* delivers everything you need to make your workplace more efficient, effective, and engaged. Oxford English File Third Edition Upper-Intermediate is suitable for CEFR level B2. English File Third Edition provides a comprehensive package of completely new lessons, and up-to-date texts. A proven balance of grammar, vocabulary and pronunciation and skills gives students the language they need, and fresh, lively lessons and engaging topics make classes enjoyable and provide the motivation and opportunity to practice and

improve. Oxford iTools are digital resources to meet your English language teaching and learning needs. Specifically designed for use on interactive whiteboards, Oxford iTools can also be used with data projectors and PCs or laptop computers. The English File iTools package provides the complete Student's Book, Workbook and Teacher's Book photocopyables on screen as well as interactive activities that provide whole-class fun practice of key vocabulary and

grammar. The video material is integrated into the pages, making it easy to access, and audio tracks can be played by clicking on the page. You can choose to display the script, and if you do, the words are automatically highlighted as they are spoken making it easy for students to follow, and linking listening with reading practice too. Integrated answer keys make self or peer marking much simpler as students will be able to see the correct answer on screen. It offers you the

facility to hide parts of the page, highlight text on a page or type notes/answers on to the page during the lesson. The link tool also allows you to add links to websites to support your lesson material, accessible by a single click.

Summertown Publishing
The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct

are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

3E Starter Student Book OUP Oxford NATIONAL BESTSELLER • For anyone who wants to learn a foreign language, this is the method that will finally make the words stick. “A brilliant and thoroughly modern guide to learning new languages.”—Gary Marcus, cognitive psychologist and author of the New York Times bestseller *Guitar Zero* At thirty years old, Gabriel Wyner speaks six languages fluently. He didn't learn them in school—who does?

Rather, he learned them in the past few years, working on his own and practicing on the subway, using simple techniques and free online resources—and here he wants to show others what he’s discovered. Starting with pronunciation, you’ll learn how to rewire your ears and turn foreign sounds into familiar sounds. You’ll retrain your tongue to produce those sounds accurately, using tricks from opera singers and actors. Next, you’ll begin to tackle words, and

connect sounds and spellings to imagery rather than translations, which will enable you to think in a foreign language. And with the help of sophisticated spaced-repetition techniques, you’ll be able to memorize hundreds of words a month in minutes every day. This is brain hacking at its most exciting, taking what we know about neuroscience and linguistics and using it to create the most efficient and enjoyable way to learn a foreign language in the spare

minutes of your day.
