Focus on Grammar 5

(Student Book) Pearson Education ESL

This Value Pack consists of two items: Focus on Grammar 5 Student Book with MyEnglishLab (regular price \$73.31) Focus on Grammar 5 Workbook (regular price \$30.65) If you bought these items separately, you would pay \$103.96. But if you buy the Value Pack from this store now, you will save with a special price! ; Focus on Grammar maintains the proven pedagogy that

makes it the most popular contextualized grammar series worldwide. Its unique four-step approach takes students from context to communication -- blending content, reading, writing, listening, speaking and critical thinking in a complete program, and preparing students to understand and use English more effectively. ; Centered on thematic instruction Focus on Grammar allows students to interact with grammar in realistic contexts and moves them beyond controlled practice to authentic communication. ; New features include: Updated high-interest readings in multiple genres that expose students to the form, meaning, and use of grammar in natural contexts. Key vocabulary is taught, practiced, and recycled throughout each unit, to ensure acquisition. Fully redesigned grammar charts and notes that provide greater clarity. Explicit pronunciation activities to improve fluency and accuracy. Expanded listening tasks allow students to develop a range of listening skills. Flexible, ongoing

assessment -- including unit reviews, diagnostic and achievement tests, and test-generating software -- allows students to monitor their own progress and teachers to track students' mastery. (Test and test-generating software available in the Teacher's Resource Pack, available separately.) MyEnglishLab: Focus on Grammar, an easy-to-use online learning and assessment program, offers online homework and individualized instruction anywhere, anytime. Allows teachers to assign extra practice, organize homework, and track students' progress using a flexible gradebook. Includes hundreds of new automatically graded activities and assessments that support and go beyond the material in the Student Book. StartUp is a completely new course for adults and young adults who want to make their way in the world and need English to do it. StartUp makes learning easy and relevant, focusing on meaningful language that builds student confidence in using English, both in and out of class. Teachers are supported in numerous ways, minimizing preparation time and providing a flexibility that allows for personalized teaching and focus on the skills that are important for their classes. * English for 21st century learners: StartUp helps students learn English as it is spoken and used in the 21st century, such as in text messages, emails, and podcasts; in informal social texts and conversations; and in formal texts and discussions for academic and business contexts. Students acquire collaborative and critical thinking skills they need to succeed in study and at work. * Personalized, flexible teaching: StartUp gives you the flexibility to teach the way you want. The structure, the wealth of support materials and

the practice app offer more options to flip the class, to focus on different strands and skills, and to extend and differentiate instruction to meet students' individual needs. * Motivating and relevant learning: The rich integrated digital content draws students in with engaging video stories, coaching videos, video talks on compelling topics - such as innovation, relationships, and art - and much more to build the language and skills they need. * ActiveTeach allows teachers to present in class with ease and to access all the audio and video where they need it. * The new Pearson Practice English App with QR codes takes students from page to practice, and audio and video for out-of-class practice. * Rich digital media: video conversations, video talks, media projects, and presentation skills integrated throughout for listening and speaking practice. * Specific support from Grammar Coach and Pronunciation Coach videos. * MyEnglishLab provides more intensive online practice. * Comprehensive

assessment program in ExamView and MyEnglishLab.
