In the early 1970s, César Alvarez enlists in the navy to escape a life of crime; while the decision saves him from the streets, it also lands him amid volatile racial tensions at a crucial moment in US history. "Skillfully blending his fictional hero's coming-of-age story with a real-life racial confrontation aboard ship, Carter's tale is a winning combination of military procedural, suspense, and Black history." --Booklist, STARRED Review "André Lewis Carter weaves a riveting tale about a side of the US Navy we seldom see. Tone-perfect delivery and an inarguably authentic voice mark

the debut of a powerful new talent." —David Poyer, author of *Violent Peace* "César Alvarez doesn't know if he deserves a second chance, but he gets one anyway in *Between the Devil and the Deep Blue Sea*. From the streets of Orlando to the deck of a Vietnam-bound carrier, André Lewis Carter finds ambiguity in moments of conscience, self-preservation, loyalty, and betrayal. This is an outstanding read." —Barbara J. Taylor, author of *Sing in the Morning, Cry at Night* The Vietnam War is raging, the US Navy has only recently begun the process of integration, and the country is reeling from racial turmoil and unrest. So why does César, a street-tough kid of Afro-Cuban descent, enlist in the navy? He is on the run from a life of crime and from Mr. Mike, a charismatic, sociopathic gangster who was once a mentor but has now turned on him. Escaping into a navy wrestling with its history of racism and sexism, César soon sees the absurdity of certain prejudices that seem as old as the US Armed Forces. When he is deployed aboard the USS *Kitty Hawk*, racial tensions are high and are moving quickly toward violence. Through it all, César's ever-growing sense of honor and self-worth force him to make moral decisions he never knew he was capable of. It's a fortitude he will desperately need.

In his sixteenth collection of poetry, *Between the Devil and the Deep Blue Sea* Charles Edward Eaton employs his talents in a new role -- that of humorist and keen observer of life's predicaments and difficult choices. In the title poem of his first selection, he puts the reader into the mood of compassionate humor with his portrait of Mr. Meek who cuts out paper dolls for feminine companionship. Goliath is present as contrasting oaf, as well as the broken lives in Potted Palm who have ambitions to be royal.

Adair Turner became chairman of Britain's Financial Services Authority just as the global financial crisis struck in 2008, and he played a leading role in redesigning global financial regulation. In this eye-opening book, he sets the record straight about what really caused the crisis. It didn't happen because banks are too big to fail—our addiction to private debt is to blame. Between Debt and the Devil challenges the belief that we need credit growth to fuel economic growth, and that rising debt is okay as long as inflation remains low. In fact, most credit is not needed for economic growth—but it drives real estate booms and busts and leads to financial crisis and depression. Turner explains why public policy needs to manage the growth and allocation of credit creation, and why debt needs to be taxed as a form of economic pollution. Banks need far more capital, real estate lending must be restricted, and we need to tackle inequality and mitigate the relentless rise of real estate prices. Turner also debunks the big myth about fiat money—the erroneous notion that printing money will lead to harmful inflation. To escape the mess created by past policy errors, we sometimes need to monetize government debt and finance fiscal deficits with central-bank money. Between Debt and the Devil shows why we need to reject the assumptions that private credit is essential to growth and fiat money is inevitably dangerous. Each has its advantages, and each creates risks that public policy must consciously balance.

The Devil and Tom Walker by Washington Irving Classic Short Horror Stories - *The Devil* By his interest in popular legends the first of the great American writers shows his sympathy with the Romantic movement, which prevailed in his time in all the countries of Europe. His devil, however, has not been imported from the lands across the Atlantic, but is a part of the superstitions of the New World. The author himself did not believe in "Old Scratch." The real devils for him were the

slave-traders and the witch-hunters of Salem fame. It is interesting now to read a contemporary critic of Washington Irving's devil-story: "If Mr. Irving believes in the existence of Tom Walker's master, we can scarcely conceive how he can so earnestly jest about him; at all events, we would counsel him to beware lest his own spells should prove fatal to him" (*Eclectic Review*, 1825). Few people in those days had the courage to take Old Nick good-naturedly. "Even the clever Madame de Stael," said Goethe, "was greatly scandalized that I kept the devil in such good-humour." The devil appears in many colours, principally, however, in black and red. It is a common belief in Scotland that the devil is a black man, as may also be seen in Robert Louis Stevenson's story "Thrawn Janet." There is no warrant in the biblical tradition for a black devil. Satan, however, appeared as an Ethiopian as far back as the days of the Church Fathers. The black colour presumably is intended to suggest his place of abode, whereas red denotes the scorching fires of hell. The devil was considered as a sort of eternal Salamander. In the New Testament he is described as a fiery fiend. Red was considered by Oriental nations as a diabolical colour. In Egypt red hair and red animals of all kinds were considered infernal. The Apis was also red-coloured. Satan's red beard recalls the Scandinavian god Donar or Thor, who is of Phoenician origin. Judas was always represented in mediaeval mystery-plays with a red beard; and down to the present day red hair is the mark of a suspicious character. The devil also appears as yellow, and even blue, but never as white or green. The yellow devil is but a shade less bright than his fiery brother. The blue devil is a sulphur-constituted individual. He is the demon of melancholy, and fills us with "the blues." As the spirit of darkness and death, the devil cannot assume the colours of white or green, which are the symbols of light and life. The devil's dragon-tail is, according to Sir Walter Scott, of biblical tradition, coming from a literal interpretation of a figurative expression. A few interesting remarks on the expression "The Devil and Tom Walker" current in certain parts of this country as a caution to usurers will be found in Dr. Blondheim's article "The Devil and Doctor Foster" in *Modern Language Notes* for 1918.

peak of the Somali piracy crisis, three ships – from Malaysia, Thailand and Taiwan – were hijacked and then abandoned to their fate by their employers, who lacked the money to pay ransoms. All would still be there, were it not for Colonel John Steed, a retired British military attaché, who launched his own private mission to free them. At 65, Colonel Steed was hardly an ideal saviour. With no experience in hostage negotiations and no money behind him, he had to raise the ransom cash from scratch, running the operation from his spare room and ferrying million-dollar ransom payments around in the boot of his car. Drawing on first-hand interviews, former chief foreign correspondent of *The Sunday Telegraph*, Colin Freeman, who has himself spent time held hostage by Somali pirates, takes readers on an inside track into the world of hostage negotiation and one man's heroic rescue mission.

It is a tale set thousands of years ago in the ancient times, a tale of a village, an evil king, a hero, and a deep blue sea. The village of Arutham, cursed by an invasion of the terrible King Asak and trapped by the realms of the deep blue sea, suffers for eighteen years hoping for freedom and fearing the kings wrath. King Asak rules countless villages and acquires wealth, as the devil haunts his villagers suffering from a prophecy that he fears from. The hero, Rozac Lons, an eighteen-year-old orphan living the life of a toymaker, awakens to fight and free his enchained villagers from the devil. The deep blue sea holds the dead bodies of the poor villagers, cursing the people of the village forever.
