CASSIUS KHAN

The Black Musician and the White City University of Michigan Press

Harley Cokliss's Chicago Blues filmed in 1972 was a remarkable film; remarkable in that it was not just a competent documentary but a film crafted with care by professionals with a love and understanding of music and a respect for its history and artists. The music and its artists of Chicago Blues reflect faithfully the structure of the city's Blues activity of the late '60s from unknown amateur to world famous stars, from house to small bar, from traditional down home to modern city style. Thus Johnny Lewis, a housepainter who played for his own amusement at home and was almost a discovery of the film team, to Muddy Waters, Chicago Blues' most famous figure. Lewis' Hobo Blues opens the film over images of the Bus Station and fixes firmly the importance of migration in the development of Chicago's postwar Blues. But with the great bulk of migrants coming from the Delta this pure East Coast offering sits oddly with the heavy electric

Mississippi sound to follow. Strictly, only Muddy and Johnny Young came from Mississippi and while they contributed to and still played in the classic Chicago style, by the '60s the influence of Mississippi and the Delta was fading fast. The young lions of the West Side were in the ascendant and it's the nervous, raw energy of Buddy Guy's guitar and searing vocal that catches the positive mood of that decade. (The political mood was also captured on this film by interviews with Rev Ridick. Alderman A.A. Rayner and in a particularly telling contribution from Dick Gregory).

Bossmen Grossman Guitar Workshop

Features on this site include a brief biography, an extensive photo gallery, a discography and a list of songs composed by Muddy Waters. There is also a list of awards won by the musician, a compilation of touring dates and even a few of Mr. Waters' favorite recipes.

The Mojo Collection National Library of Canada

Every field has its "bossman"--the one who sets the style and makes the rules. In bluegrass and early country music the man was Bill Monroe. In the world of urban blues, the man was Muddy Waters. Using their own words and dozens of remarkable photographs by David Gahr, Carl Fleischhauer and John Byrne

Cooke, the author compares and contrasts the careers of these two bossmen. Both grew up in remote rural areas. Muddy Waters heard field hollers, church music, jubilees, shouts, string band music, and the raw sound of the delta blues; for Bill Monroe it was square dance music, hymns, old country ballads and the fiddling of his Uncle Pen Vandiver. Both brought their music to the big cities: Bill to Nashville, Muddy to Chicago. Musicians who passed through their bands went on to form bands of their own, giving rise to the worlds of Bluegrass and Chicago Blues. But this is more than a book about music; it is a book about black and white America. In microcosm, it is almost a history of this country; and it sets up striking comparisons that cut deep into our heritage and ways. In the words of Pete Seeger: "Anyone in the world wanting to understand American music could well start right here."

The Voice of the Blues University of Arkansas Press

"Muddy Waters was a groundbreaking musician. This singer and guitarist helped create the Chicago Blues. He was also a major influence on other musicians, including Jimi Hendrix and the Rolling Stones. This book explores his life and music. A table of contents, glossary, index, author biography, selection of greatest hits, and sidebars are included in this title"--

The Blues Line Little, Brown

A #1 New York Times bestseller! Sarah J. Maas's brand-new CRESCENT CITY series begins with *House of Earth and Blood*: the story of half-Fae and half-human Bryce Quinlan as she seeks revenge in a contemporary fantasy world of magic, danger, and searing romance. Bryce Quinlan had the perfect life-working hard all day and partying all night-until a demon murdered her closest friends, leaving her bereft, wounded, and alone. When the accused is behind bars but the crimes start up again, Bryce finds herself at the heart of the investigation. She'll do whatever it takes to avenge their deaths. Hunt Athalar is a notorious Fallen angel, now enslaved to the Archangels he once attempted to overthrow. His brutal skills and incredible strength have been set to one purpose-to assassinate his boss's enemies, no questions asked. But with a demon wreaking havoc in the city, he's offered an irresistible deal: help Bryce find the murderer, and his freedom will be within reach. As Bryce and Hunt dig deep into Crescent City's underbelly, they discover a dark power that threatens everything and everyone they hold dear, and they find, in each other, a blazing passion-one that could set them both free, if they'd only let it. With unforgettable characters, sizzling romance, and page-turning suspense, this richly inventive new fantasy series by #1 New York Times bestselling author Sarah J. Maas delves into the heartache of loss, the price of freedom-and the power of love.

The Recorded Music of Muddy Waters, 1941-1956 Hal

Leonard Corporation

Reviews and rates the best recordings of 8,900 blues artists in all styles.

I Am the Blues Da Capo Press

The life of blues legend Robert Johnson becomes the centerpiece for this innovative look at what many consider to be America's deepest and most influential music genre. Pivotal are the questions surrounding why Johnson was ignored by the core black audience of his time yet now celebrated as the greatest figure in blues history. Trying to separate myth from reality, biographer Elijah Wald studies the blues from the inside -- not only examining recordings but also the recollections of the musicians themselves, the African-American press, as well as examining original research. What emerges is a new appreciation for the blues and the movement of its artists from the shadows of the 1930s Mississippi Delta to the mainstream venues frequented by today's loyal blues fans.

Blues Musicians of the Mississippi Delta Canongate Books
Winner of the 1993 National Book Critics Circle Award for nonfiction, this musical and cultural exploration of the rich, sorrow-laden birth of the blues is an intimate and respectful look at an integral part of African American culture--a master work that has been 60 years in the making. Photos.

The Blue Moment Simon and Schuster

"Out of the Blue: Life on the Road with Muddy Waters begins with a moment lifted from a young musician's dreams. Brian Bisesi, a guitarist barely out of his teens, is invited on stage to fill in for a missing member of the band backing blues legend Muddy Waters. This life-changing quirk of fate opens the door into a world of challenges and opportunities that Bisesi, an Italian American reared in the comforts of a New York City suburb, can barely imagine. Despite their differences, Bisesi and Waters hit it off, and what might have been a one-night stand turns into a career. From 1978-1980, Bisesi works for Waters as his road manager, bean-counter, and at times his confidant, while often sitting in with the band. Bisesi's years with the band take him to Europe, Japan, Canada, and across the United States as Waters tours-and parties-with rock gods like Eric Clapton, the Rolling Stones, a Beatle, and the gamut of musicians who came of age with Waters and introduced a younger generation to the blues. In *Out of the Blue*, Bisesi captures it all: from the pranks and tensions among bluesmen enduring a hard life on the road, to observations about Waters's technique, his love of champagne and reefer, his eye for women, and his sometimes-acrid views of contemporary music. Bisesi has sharp insights into the ill-conceived management decisions that led to the dissolution of Waters's longest-serving band in June of 1980. This book will rivet, amuse, and occasionally infuriate blues aficionados. It is a raucous and intimate portrait of the blues scene at a pivotal moment in time that fascinates music historians and blues fans alike"--

All Music Guide to the Blues UNC Press Books

(Guitar Recorded Versions). 16 songs transcribed note for note from the live album that captured Joe's tribute to Muddy Waters and Howlin' Wolf at the iconic Colorado theater. Includes: All Aboard * The Ballad of John Henry * Evil (Is Going On) * Hey Baby (New Rising Sun) * How Many More Years * I Can't Be Satisfied * Killing Floor * My Home Is on the Delta * Sloe Gin * You Shook Me * and more.

Feel Like Going Home Routledge

A Tribe Called Quest • Beastie Boys • De La Soul • Eric B. & Rakim • The Fugees • KRS-One • Pete Rock & CL Smooth • Public Enemy • The Roots • Run-DMC • Wu-Tang Clan • and twenty-five more hip-hop immortals It's a sad fact: hip-hop album liners have always been reduced to a list of producer and sample credits, a publicity photo or two, and some hastily composed shout-outs. That's a damn shame, because few outside the game know about the true creative forces behind influential masterpieces like PE's *It Takes a Nation of Millions*. . . , De La's *3 Feet High and Rising*, and Wu-Tang's *Enter the Wu-Tang (36 Chambers)*. A longtime scribe for the hip-hop nation, Brian Coleman fills this void, and delivers a thrilling, knockout oral history of the albums that define this dynamic and iconoclastic art form. The format: One chapter, one artist, one album, blow-by-blow and track-by-track, delivered straight from the original sources. Performers, producers, DJs, and b-boys—including Big Daddy Kane, Muggs and B-Real, Biz Markie, RZA, Ice-T, and Wyclef-step to the mic to talk about the influences, environment, equipment, samples, beats, beefs, and surprises that went into making each classic record. Studio craft and street smarts, sonic inspiration and skate ramps, triumph, tragedy, and take-out food—all played their part in creating these essential albums of the hip-hop canon. Insightful,

raucous, and addictive, Check the Technique transports you back to hip-hop's golden age with the greatest artists of the '80s and '90s. This is the book that belongs on the stacks next to your wax. "Brian Coleman's writing is a lot like the albums he covers: direct, uproarious, and more than six-fifths genius." -Jeff Chang, author of *Can't Stop Won't Stop* "All producers and hip-hop fans must read this book. It really shows how these albums were made and touches the music fiend in everyone." -DJ Evil Dee of Black Moon and Da Beatminerz "A rarity in mainstream publishing: a truly essential rap history." -Ronin Ro, author of *Have Gun Will Travel*

The Land where the Blues Began Hal Leonard Corporation
Gathers interviews with influential blues guitarists, including Muddy Waters, Johnny Winter, B.B. King, Albert King, Otis Rush, and Albert Collins.

Muddy Waters Hal Leonard Corporation
The Billboard illustrated encyclopedia of jazz & blues is organized chronologically by decade. Each section gives a historical overview plus an A to Z of influential artists and their key recordings.

Joe Bonamassa - Muddy Wolf at Red Rocks Hal Leonard Publishing Corporation
Muddy Waters invented electric blues and created the template for the rock and roll band and its wild lifestyle. Gordon excavates Muddy's mysterious past and early career, taking us from Mississippi fields to postwar Chicago street corners.

Chicago Blues Hachette UK
The greatest albums of all time . . . and how they happened. Organised chronologically and spanning seven decades, The MOJO Collection presents an authoritative and engaging guide to the history of the pop album via hundreds of long-playing masterpieces, from the much-loved to the little known. From The Beatles to The Verve, from Duke Ellington to King Tubby and from Peggy Lee to Sly Stone, hundreds of albums are covered in detail with chart histories, full track and personnel listings and further listening suggestions. There's also exhaustive coverage of the soundtrack and hit collections that every home should have. Like all collections, there are records you listen to constantly, albums you've forgotten, albums you hardly play, albums you love guiltily and albums you thought you were alone in treasuring, proving The MOJO Collection to be an essential purchase for those who love and live music.

The Blues Line Running Press Adult
"They call it stormy Monday, but Tuesday's just as bad/Wednesday's worse, and Thursday's also sad." There's a lot more to the blues than three chords played on an old beat-up guitar. *Squeeze My Lemon* is a collection of some of the best blues lines ever recorded. From birth ("Born under a bad sign/I've been down since I began to crawl") to death ("Everybody wants to go to heaven/But nobody wants to die") and everything in between, this volume quotes classic blues phrases by songwriter/artists B.B. King, Bessie Smith, Muddy Waters, T-Bone Walker, Robert Johnson and many, many others. Compiled by award-winning author/Grammy-nominated record producer

Randy Poe, *Squeeze My Lemon: A Collection of Classic Blues Lyrics* features classic photos of many leading blues artists. A great gift book, it is highly entertaining not only for blues lovers, but for anyone who appreciates great lyrics. Categorized by subject matter (Love - Or the Lack Thereof, Blues and Booze, Blues Behind Bars, Make Mine a Double Entendre, etc.), *Squeeze My Lemon* is a book you'll return to - and quote from - again and again.

Muddy Waters Blues Play-Along Songbook Harper Collins
The Voice of the Blues brings together interviews with many pioneering blues men including Muddy Waters, Howlin' Wolf, Little Walter, Jimmy Reed, B.B. King, and many others.

Each song on the CD includes two tracks: a full stereo mix, and a split track mix with removable guitar, bass, piano, and harmonica parts. 8 songs: Good Morning Little Schoolgirl * Honey Bee * I Can't Be Satisfied * I'm Ready * Mannish Boy * Rollin' Stone (Catfish Blues) * Trouble No More (Someday Baby) * You Shook Me.

Every Record Tells a Story Faber & Faber Classical Music & Dance
The popular Encyclopedia of the Blues, first published by the University of Arkansas Press in 1992 and reprinted six times, has become an indispensable reference source for all involved with or intrigued by the music. The work alphabetizes hundreds of biographical entries, presenting detailed examinations of the performers and of the instruments, trends, recordings, and producers who have created and popularized this truly American art form.

Can't Be Satisfied Sams
"The essential history of this distinctly American genre."—Atlanta Journal-Constitution In this "expertly researched, elegantly written, dispassionate yet thoughtful history" (Gary Giddins), award-winning author Ted Gioia gives us "the rare combination of a tome that is both deeply informative and enjoyable to read" (Publishers Weekly, starred review). From the field hollers of nineteenth-century plantations to Muddy Waters and B.B. King, *Delta Blues* delves into the uneasy mix of race and money at the point where traditional music became commercial and bluesmen found new audiences of thousands. Combining extensive fieldwork, archival research, interviews with living musicians, and first-person accounts with "his own calm, argument-closing incantations to draw a line through a century of Delta blues" (New York Times), this engrossing narrative is flavored with insightful and vivid musical descriptions that ensure "an understanding of not only the musicians, but the music itself" (Boston Sunday Globe). Rooted in the thick-as-tar Delta soil, *Delta Blues* is already "a contemporary classic in its field" (Jazz Review).
