Love is in the
air in
Serendipity, a
collection of
stories
inspired by
romantic
tropes and
edited by #1
New York
Times
bestselling
author Marissa

Meyer. The
secret
admirer. The
fake
relationship.
The
matchmaker.
From stories
of first love,
unrequited
love, love that
surprises, love
that's been
there all
along, 10 of
the brightest
and award-
winning
authors
writing YA

have taken on
some of your
favorite
romantic
tropes,
embracing
them and
turning them
on their
heads.
Readers will
fall for this
collection of
stories that
celebrate love
at its most
humorous,
inclusive,
heart-
expanding,

and serendipitous. Contributors include Elise Bryant, Elizabeth Eulberg, Leah Johnson, Anna-Marie McLemore, Marissa Meyer, Sandhya Menon, Julie Murphy, Caleb Roehrig, Sarah Winifred Searle, and Abigail Hing Wen.

The Serendipity Mindset
Ballantine Books
Weary of reading lengthy novels? Let us, instead, try reading some quick,

thought-provoking accounts of unique human experiences while exploring a medley of emotions. 'Serendipity', a compilation of short stories, explores the nuances of human behaviour. Fifteen memorable and diverse characters react distinctly and differently to difficult real-life situations. The stories take the reader on a journey of love, determination,

crime and mystery, thus weaving deep into the protagonists' souls, searching for a meaning to their actions. - There is the handsome and vain Ronit, who is compelled to question his true identity, after meeting his doppelganger ... - Preeti seeks out the truth behind her friend's accidental death... - An exasperated Glenda marries a cancer patient to fulfil her inner desires... -

There is Rani, a newly-married girl, who learns the horrific story of her village... - A budding artist, Kavita, loses her right arm just as she tastes her first success... - A distraught Arjun undertakes a journey which unravels an incorrect verdict of long ago... These are only some of the characters whose lives and actions will entrance you and fascinate you. The stories will hold you spellbound

and enthralled. We guarantee that you, dear reader, will relish each one of them, and this collection will surely leave you asking for more!

Serendipity
Simon and Schuster
Sara has always loved cats. She surrounds herself with pictures of cats, stuffed cats, even cat-headed slippers. But she's never been allowed to have a real cat of her own. Her father has always told

her no, for reasons he won't explain. So when a fluffy snowball of a kitten darts through their front door and into her life, Sara believes her dream might finally come true. But convincing her father to break his strict No Cats policy seems impossible. She has less than a week to persuade him that this kitten is exactly what their lonely, broken family of two needs to heal. Told in lyrical, spare verse,

Serendipity & Me is a sparkling novel that elegantly handles the topic of loss for a middle grade audience. *Serendipity* Penguin
A woman trying to find herself finds love with her ex-husband's best friend in this novel by the #1 New York Times–bestselling author. Six years ago, Jory Ryan fled Philadelphia after a brief, tragic marriage to wealthy Ross Landers. Now Jory has come

home to make peace with the past. But the future invites trouble when Jory falls precipitously for Ross's best friend—and becomes entangled with the Landers family and the business she fled. Suddenly Jory finds herself at the helm of an empire, confronted with changes and choices she never dreamed possible, and ready to meet a new life ripe with the promise of lasting love. Praise for Fern

Michaels and Her Novels “Heartbreaking, suspenseful, and tender.” —Booklist on Return to Sender “A big, rich book in every way . . . I think Fern Michaels has struck oil with this one.” —Patricia Matthews on Texas Rich “Michaels just keeps getting better and better with each book . . . She never disappoints.” —RT Book Reviews on Forget Me Not **Serendipity** Penguin Good luck isn't just

chance—it can be learned and leveraged—and The Serendipity Mindset explains how you can use serendipity to make life better at work, at home—everywhere. Many of us believe that the great turning points and opportunities in our lives happen by chance, that they're out of our control. Often we think that successful people—and successful companies and

organizations—are simply luckier than the rest of us. Good fortune—serendipity—just seems to happen to them. Is that true? Or are some people better at creating the conditions for coincidences to arise and taking advantage of them when they do? How can we connect the dots of seemingly random events to improve our lives? In *The Serendipity Mindset*, Christian

Busch explains that serendipity isn't about luck in the sense of simple randomness. It's about seeing links that others don't, combining these observations in unexpected and strategic ways, and learning how to detect the moments when apparently random or unconnected ideas merge to form new opportunities. Busch explores serendipity from a rational

and scientific perspective and argues that there are identifiable approaches we can use to foster the conditions to let serendipity grow. Drawing from biology, chemistry, management, and information systems, and using examples of people from all walks of life, Busch illustrates how serendipity works and explains how we can train our own serendipity muscle and use it to turn the

unexpected into opportunity. Once we understand serendipity, Busch says, we become curators of it, and luck becomes something that no longer just happens to us—it becomes a force that we can grasp, shape, and hone. Full of exciting ideas and strategies, *The Serendipity Mindset* offers a clear blueprint for how we can cultivate serendipity to increase

innovation, influence, and opportunity in every aspect of our lives. *Spring Into Serendipity!* Bethany House Named Most Anticipated by Bustle | Brit + Co. This summer, will three weekends in a Fire Island share house be enough time for Maggie Monroe to fix her life, find love, and make sure she doesn't lose her friends for good? It's been six years since Maggie followed her screenwriting

dreams to Los Angeles and forgot to look back. But things in Hollywood didn't go quite to plan. Now, twenty-five and suddenly home in New York, Maggie doesn't know who she's more anxious to see: her ex-boyfriend, Mac, or her ex-best friend, Liz. For Liz, Maggie is the girl who abandoned her at the worst possible moment and an unwelcome surprise who could derail her perfect summer. Liz is recently

engaged to her high school sweetheart, Cam, but Maggie's arrival brings old wounds bubbling to the surface, exposing the cracks in Liz's apparent happily ever after. When Maggie accepts her former friends' unexpected invitation to join in their summer share house, a rental named Serendipity, she knows it's the chance she needs to get her life back on track. For three weekends,

Maggie, Liz, Cam, Mac, and their closest friends will take the ferry to Ocean Beach, Fire Island, for some sun-kissed bliss, if only they can avoid the drama of their past catching up to the present. With the nostalgic flavor of a stack of sepia-toned Polaroids, and perfect for fans of Emily Henry, Jennifer Weiner, and Ann Brashares, this big-hearted, page-turning story delves deep

into a complicated friend group as they navigate one messy yet magical midtwenties summer.

 Faith Harrington is a classic girl of privilege-until her father is convicted for running a Ponzi scheme. Now she's back in her hometown, where she runs into her teenage

crush-dark, brooding Ethan Barron, who's no stranger to scandal himself.

Cold Day in the Sun
 Harper Collins
 From New York Times Bestselling Author, Kristen Proby, comes *Serendipity*, the final installment in her gripping Bayou Magic series?My sight is a gift and also a curse. It cost me the love of my life. We may have been young, but some things you don't get over.

Like being the cause of the biggest tragedy of your boyfriend's life. It's something I'll never forget, and a reflection of who I am. But now that Jackson's back in town, with scars and a hero's badge of honor, it's time for me to be brave, too. A malevolent evil hell-bent on making my sisters and me pay for rebuffing him is still stalking my family, and some ancient writings portended

that the six
 were the only
 ones who
 could defeat
 him. Jackson
 Pruitt and I
 round out that
 magical
 number,
 which means I
 have to face
 the evil and
 the things Jack
 makes me
 feel, to save
 my family and
 my city. I
 never sought
 to reconnect
 with Jack.
 Working with
 him now
 means
 opening
 myself up to
 my feelings
 for
 him. Refusing
 means
 destruction for
 us all.

Sloan, and Lynda Mullaly Hunt will love New York Times bestselling author Amber Smith's heartwarming middle grade debut about family, friendship, and the magic connection between a girl and her dog. Eleven-year-old Sadie's school year is off to an awful start. Her best (and only) friend has moved away, her older brother is a jerk (as always), and her beloved Gramps is having more

and more trouble keeping his memories straight. But when she comes across a stray dog, she discovers something wonderful and magical—she and the dog, Dewey, are able to communicate telepathically. Sadie knows that Dewey is destined to be her friend. Dewey is quickly captured and sent to a shelter. And Sadie's moms say Dewey is dangerous, a bite risk, and that Sadie, whose mind is

always wandering with a larger than life imagination, needs to prove she's more responsible before she can adopt any pets. But Sadie is running out of time—Dewey lets Sadie know that her days at the shelter are numbered. The only solution: break Dewey out of doggie jail. In this reaffirming, magical, and uplifting story of friendship, family, and believing in yourself, New

York Times bestselling author Amber Smith assures readers: it's okay to think big and act with your whole heart.

Serendipity

Harlan Publishing Company
He's from the wrong side of the tracks. She lived in the house on the hill. Now their fortunes have reversed...but their long-ago attraction still burns. From high school golden girl to wife of a high-powered New York attorney, Faith Harrington

lived the dream. Until divorce and her father's imprisonment for fraud left her with almost nothing. Now she's back in her hometown to redesign her life, and not every face is friendly. Least of all the town rebel, whose memory lingered long after they shared one searing teenage kiss. Ethan Barron is a bad boy. Was. Was a bad boy. Now a man—a very rich man—he quietly buys the old

Harrington mansion to thumb his nose at Serendipity and the people who looked down on him. But until he reconciles with his brothers and builds a life, the victory rings hollow. Faith had been a rich girl ripe for rebellion, and his shamelessly stolen kiss still burns in his dreams. Only a fool would risk feeding town gossip by asking her to redecorate the house she grew up in.

But Ethan never did choose easy. Not when the hard way promises a much sweeter—and hotter—reward. Note: Serendipity is book one of a previously published series by NYT Bestselling Author Carly Phillips. Contains a tarnished golden girl, a bad boy in search of redemption, a brother whose first order of business is to ticket his big bro's Jag, and a town that runs on nosiness.

Blueberry Pancakes Forever

Random House Digital, Inc. Moving from Toronto to Delhi, post marriage, the story is about Tanya's struggles from being completely selfish and independent about her career and social life, to be someones wife, mother, daughter in law, and sister. Juggling it all and then losing out on her marriage. Then Neil takes control of her life and enhances it to

make it the best possible solution for her. It's a tale of being loved and saved in love. The Serendipity Collection by Carly Phillips Penguin The bestselling author of Encyclopedia an Ordinary Life returns with a literary experience that is unprecedented, unforgettable, and explosively human. Ten years after her beloved, groundbreaking Encyclopedia

of an Ordinary Life, #1 New York Times bestselling author Amy Krouse Rosenthal delivers a book full of her distinct blend of nonlinear narrative, wistful reflections, and insightful wit. It is a mighty, life-affirming work that sheds light on all the ordinary and extraordinary ways we are connected. Like she did with Encyclopedia of an Ordinary Life, Amy Krouse Rosenthal

ingeniously adapts a standard format—a textbook, this time—to explore life’s lessons and experiences into a funny, wise, and poignant work of art. Not exactly a memoir, not just a collection of observations, Textbook Amy Krouse Rosenthal is a beautiful exploration into the many ways we are connected on this planet and speaks to the awe, bewilderment, and poignancy of being alive.

“...a groundbreaking new twist on the traditional literary experience... Textbook is a delightful collection of interesting scenarios that directly point to life lessons. Rosenthal manages to spotlight grand moments and everyday moments with equal curiosity, proving that it can be both a privilege — and petrifying — to peek into one’s humanity.”—Associated Press
“Rosenthal is

a marvel... a talented storyteller with an experimental flair for formatting... This engaging, playful, and clever glimpse into one woman's life offers lots of photographs, graphic illustrations, and diagrams, resulting in a book that will make readers smile as their notions of story delivery expand."
 —Booklist
Serendipity K. J. Farnham Publishing LLC
 "The couples in this book hail from across

America and the world. Most don't live in New York City. Some never did. What mattered to me was that they met there, in one of its iconic public places. Each of the nine stories begins just before that chance meeting—when they are strangers, oblivious to how, in moments, their lives will irrevocably change."
 —from the Introduction
 The handsome Texas sailor who offers

dinner to a runaway in Central Park. The Midwestern college girl who stops a cop in Times Square for restaurant advice. The Brooklyn man on a midnight subway who helps a weary tourist find her way to Chinatown. The Columbia University graduate student who encounters an unexpected object of beauty at the Metropolitan Museum of Art. A public place in the world's greatest city.

A chance meeting of strangers. A marriage. Heart of the City tells the remarkable true stories of nine ordinary couples—from the 1940s to the present—whose matchmaker was the City of New York. Intrigued by the romance of his own parents, who met in Washington Square Park, award-winning author Ariel Sabar set off on a far-ranging search for other couples who married after first

meeting in one of New York City's iconic public spaces. Sabar conjures their big-city love stories in novel-like detail, drawing us into the hearts of strangers just as their lives are about to change forever. In setting the stage for these surprising, funny, and moving tales, Sabar, winner of the National Book Critics Circle Award, takes us on a fascinating tour of the psychological research into

the importance of place in how—and whether—people meet and fall in love. Heart of the City is a paean to the physical city as matchmaker, a tribute to the power of chance, and an eloquent reminder of why we must care about the design of urban spaces.

The Serendipity of Flightless Things

Penguin
This middle grade, magical-realism novel from the author of The

<p>Flourishing of Floralie Laurel is about an Irish girl who is sent to a mysterious town in Virginia to live with her long- lost mother, and is Alice Hoffman's Nightbird meets Claire LeGrand's The Cavendish Home for Boys and Girls! Amidst the 1971 Troubles between the Irish Republican Army and Northern Ireland, twelve-year- old Finn lives in a world of her own of fairy tales. Raised by her</p>	<p>grandmother, Nuala, who is the village storyteller, Finn spends her days playing make- believe in the forest, weaving tall tales to tell her friend Darcy, longing to go to the island of Inis Eala to meet the swans there, and waiting for her father to return from the war. She's long since stopped believing in happy endings and miracles, preferring to believe instead in serendipity, or "happy</p>	<p>mistakes." While Nuala revels in the safety and routine of their quiet village life, spunky Finn craves adventure . . . something that comes to her more quickly than expected. When Darcy becomes lost at sea and Nuala suddenly passes away, Finn is shipped off to the affluent town of Starlight Valley, Virginia, to live with her long-lost mother, Aoife, and half-</p>
--	---	--

sister, Posy-Kate. Finn is initially excited to get to know her newfound family, but she can't help but notice that things are a bit unusual. The town is encircled by thorn trees, and even stranger is Aoife's house, where the walls are covered with swan feathers and decorated with swan heads--and Aoife's shoes appear to be made out of swan bills. Finn tries to ignore the sinking feeling that

something isn't right, but she starts to believe that what's happening isn't random. Instead, it's taken directly from one of her grandmother's famous folktales, *The Children of Lir*, where a scorned mother turns all of her children into swans. But Finn stopped believing in those stories a long time ago . . . could they actually be true?
Finding Serendipity
 Penguin
 A warm and

laugh-out-loud funny story of one woman's brave quest to avoid true love. Best friends Hero and Sunday are holidaying in New York when Sunday persuades the normally conservative Hero to don a siren-red wig and the persona of Lola, a do-anything-anywhere-anytime trapeze artist. Disguised as Lola, Hero crosses paths - and a whole lot more - with gorgeous Oscar. Sparks fly, but Hero can't admit to

Oscar that she's not who he thinks she is. Flash forward two years and Hero is back in Sydney, and in a relationship with arch conservative boyfriend Pelham. Life is comfortable, stable. Until she bumps into Oscar, that is. He's determined to pursue and win her back into his arms. He's also convinced that Hero is more like her alter ego Lola than she'd like to admit. No matter how hard Oscar tries,

however, Hero insists that she's nothing like Lola, and she's not even slightly interested in him. Or so she keeps telling herself - and anyone else who'll listen. But does she protest too much? From the best-selling author of *Love Struck* and *The Wish List* comes a sparkling story about fate, love, cocktails and gorilla-grams.

 For Daphne, the glass is always half

full, a situation is better managed with a dab of lip gloss, and the boy of her dreams—the one she's read about in all of her novels—is waiting for her just around the corner. For Gabby, nothing ever works out positively; wearing any form of makeup is a waste of study time, and boys will only leave you heartbroken. Her best friend, Mule, is the only one who has been there for her every step of

the way. But when the richest boy in town befriends Gabby, and Daphne starts to hang out more and more with her best and only friend, Mule, Gabby is forced to confront the emotional barriers she has put up to stop the hurting. And for once, her sassiness may fall prey to her definition of stupidity.

A Case of Serendipity

Penguin Group Australia
One chance meeting can change

everything. Serendipity Tsang never suspected the kind, sweet guy she once met would become famous. Aiden Andale—Australia's newest hotshot tennis player. And to think she accidentally hit him on the head with a tennis ball! As years pass by, she's busy juggling her family's beloved Chinese bakery, her future career, and navigating relationships. Then she starts seeing Aiden

again—in magazines, on TV, in tennis tournaments. He's everywhere she turns. Looking happy with his life. Unlike her. But reality isn't always straightforward. What happens when serendipity finds them both again in the most unlikely of ways? Perfect for fans of tennis and baking, Chances for Serendipity is a standalone contemporary romance that spans over several years with a happily

ever after.
