Increased concentration and rising
market power require new rules. Market
investigations are necessary to
complement existing regulations.

Plunkett Research, Ltd.

Kawasaki Jet Ski 1992-1994 Haynes
Manuals N. America, Incorporated
Ski Causey Enterprises, LLC

This reference book is a complete guide
to the trends and leading companies in

the engineering, research, design,
innovation and development business
fields: those firms that are dominant in
engineering-based design and
development, as well leaders in
technology-based research and
development. We have included
companies that are making significant
investments in research and
development via as many disciplines as
possible, whether that research is being
funded by internal investment, by fees
received from clients or by fees collected
from government agencies. In this
carefully-researched volume, you'll get
all of the data you need on the American

Engineering & Research Industry, including: engineering market analysis, complete industry basics, trends, research trends, patents, intellectual property, funding, research and development data, growth companies, investments, emerging technologies, CAD, CAE, CAM, and more. The book also contains major statistical tables covering everything from total U.S. R&D expenditures to the total number of scientists working in various disciplines, to amount of U.S. government grants for research. In addition, you'll get expertly written profiles of nearly 400 top Engineering and Research firms - the largest, most successful corporations in all facets of Engineering and Research, all cross-indexed by location, size and type of business. These corporate

profiles include contact names, addresses, Internet addresses, fax numbers, toll-free numbers, plus growth and hiring plans, finances, research, marketing, technology, acquisitions and much more. This book will put the entire Engineering and Research industry in your hands. Purchasers of either the book or PDF version can receive a free copy of the company profiles database on CD-ROM, enabling key word search and export of key information, addresses, phone numbers and executive names with titles for every company profiled.
