## ALEXIS BALLARD

Shepherd's Hey Hal Leonard Corporation

The major choral works by Johann Sebastian Bach—the Christmas, Easter, and Ascension Oratorios, and the St. Matthew, St. Mark, and St. John Passions—stand as the most frequently-performed and penetratingly discussed of the genre. Renowned Bach scholar Michael Marissen has assembled a compact, well-designed and ideally useful treatment of Bach's oratorios, providing the full German texts with literal English translations and copious annotations. He provides strict literal translations of these texts, with citations from the Luther Bible as it was known in Bach's day, along side extensive footnotes that provide information addressing the interests and concerns of today's Bach community. These are the first translations of the librettos from Bach's oratorios to accommodate the many sense-clarifying allusions to the readings of the Luther Bibles in Bach's day, to explore from historical dictionaries the meanings of previously unnoticed archaic usages, and to contrast relevant findings from modern biblical scholarship. Marissen's insights are particularly helpful, his thoroughness is impressive, and the book will be a longstanding, definitive, and essential reference for choral directors, performers, audience members, and Bach scholars alike.

Over the past seven years, Bruce Springsteen has privately devoted himself to writing the story of his life, bringing to these pages the same honesty, humor, and originality found in his songs. He describes growing up Catholic in Freehold, New Jersey, amid the poetry, danger, and darkness that fueled his imagination, leading up to the moment he refers to as The Big Bang: seeing Elvis Presley's debut on The Ed Sullivan Show. He vividly recounts his relentless drive to become a musician, his early days as a bar band king in Asbury Park, and the rise of the E Street Band. With disarming candor, he also tells for the first time the story of the personal struggles that inspired his best work. *Born to Run* will be revelatory for anyone who has ever enjoyed Bruce Springsteen, but this book is much more than a legendary rock star's memoir. This is a book for workers and dreamers, parents and children, lovers and loners, artists, freaks, or anyone who has ever wanted to be baptized in the holy river of rock and roll. Rarely has a performer told his own story with such force and sweep. Like many of his songs ("Thunder Road, "Badlands," "Darkness on the edge of Town," "The River," "Born in the U.S.A.," "The Rising," and "The Ghost of Tom Joad," to name just a few). Bruce Springsteen's autobiography is written with the lyricism of a singular songwriter and the wisdom of a man who has thought deeply about his experiences.

**Six German Dances, Allemande and Waltz** Alfred Music

A wild and witty satire of American college life from the author of *The Many Loves of Dobie Gillis*. On his first day of college, farm boy Asa Hearthrug enthusiastically jumps out of bed—and discovers that his pajama pants are caught in the bedsprings. He learns that his dog has died, and his father, in an effort to soften the blow, tells an absurd story about a female bullfighter. Next,

the freshman pays a visit to his high school sweetheart to say a heartfelt goodbye, but Lodestone La Toole is more interested in hamburgers than vows of devotion. And when Asa finally arrives at the University of Minnesota—wham!—he gets run over by a frat boy's convertible. Max Shulman's bestselling debut novel, written when he was almost as fresh-faced as his protagonist, delightfully skewers every sacred cow of collegiate life. From the faculty expert on "Merrie Olde England" who once spent two weeks on that distant land to the sidewalk booby-trap used by the Alpha Cholera fraternity to round-up reluctant pledges, Barefoot Boy with Cheek bursts at the seams with outrageous characters, delirious set pieces, and gut-busting one-liners.

"Meticulously researched, detailed and documented, this long awaited overview justly establishes Konitz as one of the most consistently brilliant, adventurous and original improvisers in the jazz tradition—a genius as rare as Bird himself." —John Zorn "Hamilton's work may well mark the inception of a format new to writing on Western music, one which avoids both the self-aggrandizing of autobiography and the stylized subjectification of biography." —The Wire "An extraordinary approach to a biography, with the man himself speaking for extended sessions. The main vibration I felt from Lee's words was total honesty, almost to a fault. Konitz shows himself to be an acute observer of the scene, full of wisdom and deep musical insights, relevant to any historical period regardless of style. The asides by noted musicians are beautifully woven throughout the pages. I couldn't put the book down—it is the definition of a living history." —David Liebman The preeminent altoist associated with the "cool" school

of jazz, Lee Konitz was one of the few saxophonists of his generation to forge a unique sound independent of the influence of Charlie Parker. In the late 1940s, Konitz began his career with the Claude Thornhill band, during which time he came into contact with Miles Davis, with whom he would later work on the legendary Birth of the Cool sessions. Konitz is perhaps best known through his association with Lennie Tristano, under whose influence much of his sound evolved, and for his work with Stan Kenton and Warne Marsh. His recordings have ranged from cool bop to experimental improvisation and have appeared on such labels as Prestige, Atlantic, Verve, and Polydor. Crafted out of numerous interviews between the author and his subject, the book offers a unique look at the story of Lee Konitz's life and music, detailing Konitz's own insights into his musical education and his experiences with such figures as Miles Davis, Stan Kenton, Warne Marsh, Lennie Tristano, Charles Mingus, Bud Powell, and Bill Evans. Andy Hamilton is a jazz pianist and contributor to major jazz and contemporary music magazines. He teaches philosophy, and the history and aesthetics of jazz, at Durham University in the United Kingdom. He is also the author of the book *Aesthetics and Music* (Continuum 2007). Joe Lovano is a Grammy Award-winning tenor saxophonist. His most recent album is *Streams of Expression*.
