*MODERN BOOK — Modern
Essentials Modern
Essentials Oils* Written by,
Becki Andrus. Earlier
today, I was thinking
about the push-back from
modern medical
professionals regarding
natural remedies. It is not
uncommon for me to talk
with someone who tells
me that they mentioned

their essential oils to a
doctor, and the doctor
completely shut down the
idea of natural
remedies. Modern
Essential Oils — Take
Control of Your Health
With ... Essential oils are
just that - oils. They're the
life blood of a plant, and
when these plants are
grown in the right
conditions, harvested at
the correct time, and
distilled with the utmost
care (you can read more
about Young Living's Seed

to Seal process here) they
can aid in keeping our
bodies healthy,
well,...What are Essential
Oils? — Modern
Essentials The Modern
community was founded
to help other women (and
men!) like us that loved
oils and a crunchy - but
modern and hip - lifestyle
(fancy hippies, as we like
to call ourselves) to come
together and actually
provide for our families
while doing it. Modern
