**Proud DAUGHTER of an Awesome Bus Driver** Simon and Schuster

The optimal way to summarize the book is to introduce you to the characters that inhabit the book. First, meet the mom who drops off her daughter at the bus stop, watches her adorable Hayley get on the bus and then follows right behind the bus in her Benz. Then, one of the most heinous criminals of all time drives right past the school bus even though the red lights are flashing and the students are crossing the street to board the bus. A Grisham courtroom drama pales in comparison to the court case that results from these traffic violations. Journey into the dark world of the Department of Motor Vehicles where bus drivers take their written test while oppressed government workers actively cheer for their swift and ignominious failure. After bureaucratic hell, we navigate the maze of the school bus seating chart where parents' petty disputes make a stable seating chart as difficult as deciphering your monthly cable bill. There's even a history of the school bus that is short enough to ensure that your sleep is officially classified as a micro-nap. The cast of characters also includes a cursing kindergarten student with an angelic face and the tongue of the devil, fruitcakes received as Christmas gifts that have a half-life greater than Uranium-235 and a tooth fairy whose financial outlays to children ranges from Trumpian extravagance to Scroogelike parsimony. This book makes seemingly random left and right turns to investigate how commuters risk serious

injury to get past a school bus; how parents have their own time-space continuum with regard to bus pickup schedules; and how some students learn valuable life lessons on the bus ride to or from school. This trip to learn about the noble school bus includes detours into humor, sarcasm, irony, tragedy, and even redemption, but the book never veers from its journey into the dystopian world of the school bus driver where true is false, to be on time is to be late and all students should be classified as gifted.

**Big Cindy's School Bus** Raxiel Liz

In the heart-wrenching memoir, *The Bus Trip*, a mother revisits the poignant journey of love, strength, and indomitable spirit as she navigates the most devastating loss of her life – the passing of her vibrant daughter, Susu. From the exuberant days of Susu's childhood, filled with laughter, teenager years filled happiness and togetherness, college years and blossoming into a young adult with a future so bright, the incredible bond of a mother and daughter, the universal tunes of Barney, to the heartbreak of a leukemia diagnosis in her early 20s, this tale paints an intimate portrait of a family bound together by unbreakable bonds. Through every hospital visit, every lab report, and every tear-shed moment, the memory of Susu – adventurous, witty, and ever-loving – stands as a testament to the power of love that transcends life and death. As the pages unfold, readers are invited to bear witness to the transformative journey of grief and remembrance. A mother filled with inspiration from her daughter and a family clinging to the love to guide them through this unimaginable journey. For every parent, sibling, and individual who has loved deeply, *The Bus Trip* is a deeply moving story which serves as a profound reflection on the beauty of life, the pain of loss, and the eternal nature of love.

In Early Release with the General Mrs. Bearboots, a dedicated bus driver and her beloved school bus complete their morning rounds and bring the children to school. After Mrs. Bearboots gets home thinking she will have her morning break, the phone rings and she learns that she has to turn around and go back to school to pick up the students earlier than usual because of an impending snowstorm. In this charming tale, Dawn Durand offers readers a day in the life of a school bus driver and her beloved school bus, the type of day students in snow country never forget!

The fifth installment of Fast's bestselling Immigrants series, continuing the story of one of his most beloved characters, Barbara Lavette. Howard Fast's immensely popular Immigrants saga spanned six novels and more than a century of the Lavette family history. The series was considered one of the crowning achievements of his long career. This New York Times bestseller is the fifth entry in the series and focuses on one of his most beloved characters, Barbara Lavette, whom Fast based on his first wife. At sixty, Barbara is living a quiet life in San Francisco, grieving after the death of a longtime male friend. However, her spirits revive when she mounts an unexpectedly competitive congressional campaign. After narrowly losing the election, Barbara begins to reconnect with her past as a journalist and human rights activist, two passions that reignite the spark of adventure in her life. This ebook features an illustrated biography of Howard Fast including rare photos from the author's estate.

**Just a Girl in Love with Her Bus Driver** Children's Press(CT)

Coming from my personal experience, driving the school buses brought me some of the most joyful and satisfying moments in my life. They are all good students. Some were in desperate need of a caring father figure or authority figure to help guide them along their way. We have all needed that caring guidance and advice given by someone in authority to help resolve problems or difficulties. Proverbs 3:5-6 says, "Trust in the Lord with all thine heart; lean not unto thine own understanding. In all thy ways acknowledge him, and he shall direct thy paths."

**School Bus Driver** Robin Corey Books

Mo Willems, #1 New York Times best-selling creator and three-time Caldecott Honoree, presents the 20th anniversary edition of the book that started it all: Don't Let the Pigeon Drive the Bus!, now featuring an exclusive board game! Finally, a book you can say "no" to! When the Bus Driver takes a break from his route, a very unlikely volunteer springs up to take his place—a pigeon! But you've never met a pigeon like this one before. As the Pigeon pleads, wheedles, and begs his way through the book, readers answer back and decide his fate. Mo Willems' hilarious picture book was awarded a 2004 Caldecott Honor and has been inducted into the Picture Book Hall of Fame. Now, twenty years later, readers can amp up the fun in an all-new board game featuring the Pigeon! Players drive their bus pieces around town. The first player to get to the Bus Depot wins, but remember—don't let the Pigeon drive the bus! Say "No!" to all the Pigeon books! The Pigeon Finds a Hot Dog! Don't Let the Pigeon Stay Up Late! The Pigeon Wants a Puppy! The Duckling Gets a Cookie!? The Pigeon HAS to Go to School! For Mo' amazing books, check out these other great series:

into the lives of the other riders. The simple question, "Who are you" is the beginning of an adventure Cali never dreamed of. Join Cali in getting to know the ordinary, extraordinary riders on Bus 13.

**Dottie the Bus Driver in Bicycle Safety** National Geographic Books

Every young child yearns for their turn to ride the big yellow bus. Parents need to know that their children are safe on the bus. Gus the Bus Driver puts everyone's concerns at ease with his kindly face and his comforting manner. A fun and easy read for parents, children and teachers. Children will want to read this book again and again.

**The Bus Driver Who Wanted To Be God & Other Stories** Penguin

ROMAN BLAISE BLAISE "Understanding the Complex Reality of the SCHOOL BUS DRIVER'S JOB" is the testimony of a school bus driver named Roman Blaise. Throughout the school year, trying to please everyone and answer every question; screaming at the students for their safety on the bus, also smiling, playing and even dancing for them. When necessary, requiring order out of troublemakers, caution out of harassment of other drivers, fairness out of indifference. This book contains important tools of prevention, asks for more children's understanding, talks about what Roman Blaise has seen and heard, raises various problems encountered by school bus drivers, laments the loss of a colleague. It also questions the system of things and is waiting for answers, forces drivers to learn to adapt to students, raises the barrier of communication between immigrant drivers and students, and tests the driver's conscience. It ends the last school day with the tears of a black kindergartener who will miss forever the affection of his dear white female teacher. Everyone endowed with the passion to know, should reserve in his library a space for this fascinating book, "Understanding the Complex Reality of the SCHOOL BUS DRIVER'S JOB". ROMAN

When an accident leaves Dominick with a permanently injured leg fate steps in and leads him to a new profession- bus driver for children who know exactly what life is like with disabilities. But when one child's life is in peril, Dominick's courage and devotion must overcome his own handicaps. A story that offers a helping hand to child and adult, healthy and sick alike.

**Best Bus Driver Ever** Knopf Canada

The Bus Driver is a clever counting book chronicling a typical day and route in a bus driver's life. Kids will love counting along from 1 to 10 as our bus driver picks up more and more passengers with different occupations from all walks of life—and then they can count down from 10 to 1 as the driver drops them off and winds down for the day. Todd H. Doodler's engaging illustrations and rhyming text are right on the mark. Parents will enjoy reading and counting as much as their children. Come on aboard and join the fun!

**The Bus Driver's Birthday** Open Road Media

Introduction Depicted in the early 1990s in Bantfield, NY, this novel explores the controversial attitudes of the school district's administrative powers and their approach on what to do about the education of pregnant teenage students. The time line spans from the fall semester through the spring semester, approximately eight months in the lives of the principal, students, parents, and the school bus driver at Parker High School, the school dedicated exclusively for pregnant teenage girls in the Alternative School For Educational Advancement program (ASFEA). When the ASFEA comes under severe scrutiny, Mrs. Bernese Thompson, the principal at Parker High, digs in deeply, to fight for the survival of the school and the students she is professionally and personally committed to support. After experiencing the previous year's mayhem, she thoroughly believed that it prepared her for anything unexpected that could possibly come her way. Never could Mrs. Thompson have suspected nor could she have been prepared for what lay ahead. There is much more beneath the surface at Parker High. Secrets have grown in the silence of denial that now propels impending storms. Amy, Hippie, and Mrs. Burrell, the school bus driver, have to let go of their reluctance to deal with the underlying problems beneath the surface, when an unexpected tragedy forces them to act. Even though faced with overwhelming responsibility and obstacles in their young lives, some of the girls never lose sight of their dreams, while others are stripped of their dreams and much more. There was never a dull moment on the school bus in usual circumstances, but the engaging, dramatic and enlightening sequence of events at the core of this story becomes a rite of passage for them all. However, there is a bright lining in the storm clouds when the strong winds have blown and finally cleared the air. Thankfully, something wonderfully transformative occurs, for at least, most of them.

**The Bus Trip** Millbrook Press™

Billy the school bus driver picked up the kids on his route. Then, right in front of the school, the bus starts flying. The author was in the eighth grade when she wrote The Flying Bus. Erin only got to practice 21 months as a pediatrician before her life was taken from her. Royalties from this book go to the Erin Mary McLain Foundation.
