The Moon Lady 101BookFacts.com (pub-5999650418488591)

A provocative novel from the bestselling author of *The Joy Luck Club* and *The Bonesetter's Daughter*. On an ill-fated art expedition into the southern Shan state of Burma, eleven Americans leave their Floating Island Resort for a Christmas-morning tour and disappear. Through twists of fate, curses, and just plain human error, they find themselves deep in the jungle, where they encounter a tribe awaiting the return of the leader and the mythical book of wisdom that will protect them from the ravages and destruction of the Myanmar military regime. *Saving Fish*

from *Drowning* seduces the reader with a facade of Buddhist illusions, magician's tricks, and light comedy, even as the absurd and picaresque spiral into a gripping morality tale about the consequences of intentions—both good and bad—and about the shared responsibility that individuals must accept for the actions of others. A pious man explained to his followers: "It is evil to take lives and noble to save them. Each day I pledge to save a hundred lives. I drop my net in the lake and scoop out a hundred fishes. I place the fishes on the bank, where they flop and twirl. 'Don't be scared,' I tell those fishes. 'I am saving you from drowning.' Soon enough, the fishes grow calm and lie still. Yet, sad to say, I am always too late. The fishes expire. And because it is evil to waste anything, I take those dead fishes to market and I sell them for a good price. With the money I receive, I buy more nets so I can save more fishes."

The Joy Luck Club Harper Collins
Studienarbeit aus dem Jahr 2013 im Fachbereich Amerikanistik - Literatur, Sprache: Deutsch, Abstract: The issue of alienation described in the novel "The Joy

Luck Club" by Amy Tan constitutes the mother-daughter-relation of Jing-mei and her mother Suyuan. For what reasons do their reciprocal actions of communication often run into difficulties? And to what extent can the two of them be blamed for the troubles in their relationship? As the difficulties, which constantly damage the mother-daughter-relationship of Jing-mei and Suyuan, derive from external circumstances caused by their disparities in ideals and beliefs, the discrepancy between the two of them is determinate and immutable, not only due to generational divide, but rather for counter-cultural reasons. This paper will probe the causes of the troubled relation between Suyuan and Jing-mei including the matters of cultural background, language use and system of values, in which Suyuan and Jing-mei differ from each other. I aspire after covering the circumstances in which Suyuan's and Jing-mei's contact happens to be unsuccessful. By reflecting about the mother's and daughter's role in this dissent, I will contemplate whether one can be held fully accountable for the troubles, whether it is a mutual fault or the fault of none.

Amy Tan's beloved, New York Times bestselling tale of mothers and daughters, now the focus of a new documentary Amy Tan: Unintended Memoir on Netflix
Four mothers, four daughters, four families whose histories shift with the four winds depending on who's "saying" the stories. In 1949 four Chinese women, recent immigrants to San Francisco, begin meeting to eat dim sum, play mahjong, and talk. United in shared unspeakable loss and hope, they call themselves the Joy Luck Club. Rather than sink into tragedy, they choose to gather to raise their spirits and money. "To despair was to wish back for something already lost. Or to prolong what was already unbearable." Forty years later the stories and history continue. With wit and sensitivity, Amy Tan examines the sometimes painful, often tender, and always deep connection between mothers and daughters. As each woman reveals

her secrets, trying to unravel the truth about her life, the strings become more tangled, more entwined. Mothers boast or despair over daughters, and daughters roll their eyes even as they feel the inextricable tightening of their matriarchal ties. Tan is an astute storyteller, enticing readers to immerse themselves into these lives of complexity and mystery.

Decades later, Olivia describes her complicated relationship with her sister and her failing marriage, as Kwan reveals her story, sweeping the reader into the splendor and violence of mid-nineteenth century China. With her

characteristic wisdom, grace, and humor, Tan conjures up a story of the inheritance of love, its secrets and senses, its illusions and truths.
