Wayne Allen Sallee has been writing the pain, and writing through the pain for decades. His work has found its way onto the pages of hundreds of magazines, multiple volumes of "The Year's Best Horror," onto award ballots and into the dark recesses of readers minds. His work is raw. His stories draw vivid, stark images and even darker pieces from the back doors of the imagination. This is volume I of his complete works. Volumes II and III are in production. The stories in this volume include: The Dennis Cassidy Trilogy I Am The American Dream The Touch Rail Rider Bullets Can't Stop It The Scarlet Sponge Send in the Clown Wayne's World Roustabout Fiends by Torchlight Mitch From Hunger I Cannot Protect Her Ever Again Midnight Mists Off Bubbly Creek Days of Fiction Past Joy Motel Chicago Claire de lune Lover Doll Faded Dreams of Division Street My Own Personal Jesus

Vampire Navy SEALs, shifters, hot heroes, suspense, and romance - Welcome to the supernatural world where vampires are born, not made. Join Jo Mason as she fights to save humanity alongside the smoking hot Vampire Navy SEAL Webb London and his team of vampires. The series is full of action-packed scenes, intrigue, and a slow-burn romance with a guaranteed happily ever after. This is an upper young adult/new adult vampire romance box set. The boxset contains over 1500 pages of non-stop action in this paranormal romance collection. Books in this bundle: Book One: On the Edge of Humanity Dragged into the principal's office at my latest loathsome school, I meet the darkly appealing Webb London. My world as I know it implodes. Part of a secret Navy SEAL team of natural-born vampires, Webb reveals an evil cartel has abducted my twin brother Sam to claim an agent in his blood. But what flows through his veins runs through mine as well. A dormant gene, if activated, is all it will take to transform me into a vampire. Now, that could be my only hope to save Sam. Time is running out, and the stakes couldn't be higher. His life, or my humanity? One way or another, nothing will ever be the same. Book Two: On the Edge of Eternity A human boy wants to date me. Another wants to kill me. And a Navy SEAL vampire keeps sending me mixed messages. Yet as I adjust to my novel powers and battle to restrain my vampiric urges, an enemy is closing in. Book Three: On the Edge of Destiny I'm days away from standing trial for the death of my nemesis. My next home could be a cold dark cell in a vampire prison, and my DNA is the secret ingredient my enemy needs to build an army of vampires. But nothing can faze me. I have an expert lawyer on my case. The facts are indisputable. My powers are lethal and stronger to combat my enemy, and my relationship with the smoking hot Vampire Navy SEAL, Webb London, is thriving. Until the nightmares begin. Book Four: On the Edge of Misery My dreams warned me of the danger coming for Webb. There's a chance they could lead me to him. If I only could fall into a restful sleep that now eludes me. The stress is taking its toll on my body and powers until the phone rings. They say they'll trade my life for his. Warn me that I must come alone. With the watchful eyes

of my father and brother, it will be next to impossible to escape. Still, I will stop at nothing to save the man I love. Book Five: On the Edge of Infinity War is coming. I've dreamed of it. I feel it deep down in my bones. It's pulsing with a sinister strength deadlier than anything I've faced before. It's time to take a stand. To rise up against my adversaries who want me dead or enslaved. I want a family, an ordinary life, and that fable happy ending with my one true love, Webb. Now, I can only pray we both make it out alive. Praise for the series: "A FANTASTIC series that I was sucked into and binge read the five-book collection!!!
