*Darkened Enlightenment* Marvel  
 Entertainment

Tom McKenney takes the reader behind  
 the closed doors of Freemasonry,  
 revealing what he believes to be a  
 deadly deception for those who belong  
 to the organization, a deception that  
 leads sincere people in a direction  
 contrary to the program of God.

The Illuminati 666 Macmillan Reference  
 USA

The premise of Darkened Enlightenment is to highlight the fact that there currently exist a number of socio-political forces that have the design, or ultimate consequence, of trying to extinguish the light of reason and rationality. The book presents a critique of modernity and provides a socio-political and cultural analysis of world society in the early twenty-first century. Specifically, this analysis examines the deterioration of democracy, human rights, and rational thought. Key features include a combination of academic analysis that draws on numerous and specific examples of the growing darkness that surrounds us along with a balanced practical, everyday-life approach to the study of the socio-political world we live in through the use

of popular culture references and featured boxes. The general audience will also be intrigued by these same topics that concern academics including: a discussion on the meaning of "fake news"; attacks on the media and a declaration of the news media as the "enemy of the people"; the rise of populism and nationalism around the world; the deterioration of freedom and human rights globally; the growing economic disparity between the rich and the poor; attempts to devalue education; a growing disbelief in science; attacks on the environment; pseudoscience as a by-product of unreasoned and irrational thinking; the political swamp; the power elites and the deep state; and the variations of Big Business that impact our daily lives. This book will make a

great contribution to such fields as sociology, philosophy, political science, environmental science, public administration, economics, psychology, and cultural studies.

*Helping (Not Hurting) Those with Emotional Difficulties* Skyhorse  
 Breaking 170 years of secrecy, this intriguing exposé takes a behind-the-scenes look at Yale's mysterious society, the Order of the Skull and Bones, and its prominent members, numbering among them Tafts, Rockefellers, Pillsburys, and Bushes. Explored is how Skull and Bones initiates have become senators, judges, cabinet secretaries, spies, titans of finance and industry, and even U.S. presidents, including George W. Bush. This book reveals that far from being a campus fraternity, the society is more

concerned with the success of its members in the postcollegiate world. Included are a verified membership list, rare reprints of original Order materials revealing the interlocking power centers dominated by Bonesmen, and a peek inside the Tomb, their 140-year-old private clubhouse.

**The Deadly Deception** The Invisible College Press, LLC

The murder of a world-famous physicist raises fears that the Illuminati are operating again after centuries of silence, and religion professor Robert Langdon is called in to assist with the case.

*The Authentic Rituals and Doctrines of the Illuminati* Here's the Key

Incorporated

For as long as there have been

Freemasons, there has been a calculated effort to disparage and their practices. In this insightful text, masons de Hoyos and Morris explore the origins of the anti-Masonic mindset and delve into the falsehoods on which critics have based these perennial sentiments. Confronting opponents one at a time, the authors methodically debunk the myths that have surrounded Freemasonry since its establishment, investigating the motives and misconceptions that derive antagonists to spread deceit about Masonic traditions.

**Proof of the Illuminati** Chosen Books  
While many claim the title, there is only one Secret Society who is rightfully the original, and historical Illuminati. If you have ever wanted to read a book about this mysterious group that contains

current, and verifiable information from one of it's Citizen Members, this is it. The Illuminati's latest incarnation, in the form of a public outreach under the name ILLUMINATIAM, began with their first 'tweet' in Oct of 2013. By late 2014, they had been discovered by iVy Taroc who, almost 3 years later, would become the first publicly verified Level 1.1 Initiate in the modern era. A distinction that was earned, and given to her by the Illuminati themselves. "V" shares her personal experiences as an Initiate, for those who are interested in knowing more about the living history of this movement, and the community of curators who are being prepared to lead us into a New Age of Enlightenment *Is it True What They Say About Freemasonry?* First

God has a glorious purpose for His people. And those who understand this will rule and reign with Jesus for eternity. God, in the eternal past, planned for mankind to live on the earth and fulfill a great purpose in the eternal future. Bishop Hamon, a pioneer of restoration in the Church, stands firmly on biblical truth as he explores that great purpose: being conformed to the likeness of Jesus. By tracking the eight major reasons God created human beings, Dr. Hamon tackles the hard issues believers face as the highest race in the universe-- including the problem of pain. It is only as we understand the process through which God conforms us to the likeness of His Son that we accomplish our highest calling.

**INITIATE of the ILLUMINATI** Lulu.com

It's no sin to hurt. Thousands of Christians suffer real emotional pain-- such as depression, anxiety, obsessiveness. Many other Christians, including prominent leaders, believe emotional problems are the result of sin or bad choices. These attitudes often only add to the suffering of those who hurt. In this book Dwight Carlson marshals recent scientific evidence that demonstrates many emotional problems are just as physical or biological as diabetes, cancer and heart disease. While he never discounts personal responsibility, Carlson shows from both the Bible and up-to-date medicine why it really is no sin to hurt. Understandably and compellingly, *Why Do Christians Shoot Their Wounded?* brings profound help for those who hurt and those who

counsel. For those who suffer, here is a powerful liberation from guilt. For those who care for the suffering, here is vivid proof that those in emotional pain deserve compassion, not condemnation. [How to Join the Illuminati Createspace Independent Publishing Platform](#) Many people are unaware that their actions and thoughts are being directed to suit the agendas of shadowy agencies, despite incontrovertible evidence that this is happening every day to ordinary people just like you! Fortunately, you hold in your hands a ticket to board the bus to mental freedom - with an Aluminum Foil Deflector Beanie (AFDB). The AFDB is the most effective, inexpensive and stylish way to combat psychotronic mind control. This definitive guide to

aluminum foil brain shielding offers everything the budding paranoid needs to fight the nefarious forces of mind control, including easy-to-follow instructions for custom-made AFDBs for adults, children, pregnant women, pets, and plants; tips and tricks from experienced paranoids; the history and underlying theory of the AFDB; and an eye-opening guide to potential enemies (trust no one - they're everywhere!). Make your Aluminum Foil Deflector Beanie now before it's too late!

Alice and her beloved pony, Scout, are on a winning streak. But Scout is only on loan to Alice and his success hasn't gone unnoticed . . . When Scout's mysterious owner Mrs Valentine suddenly puts him up for sale, the Pony Detectives make it their mission to save Scout for their friend. But as the girls investigate further, they uncover more shady goings-on than they had bargained for. The second book in the adventure-filled THE PONY DETECTIVES mysteries.

*Faith Undone* Vital Issues Press

The quest to engineer a radically new kind of car. When the X Prize Foundation announced that it would give \$10 million to anyone who could build a safe, mass-producible car that could travel one hundred miles on the energy equivalent

of a gallon of gas, the challenge attracted more than one hundred teams from all over the world—including dozens of amateurs. Many designed their cars entirely from scratch, rejecting decades of thinking about what a car should look like. Jason Fagone follows four of those teams from the build stage to the final race and beyond. The result is a gripping story of crazy collaboration, absurd risks, and poignant losses. In an old pole barn in central Illinois, childhood sweethearts hack together an electric-powered dreamboat, using scavenged parts, forging their own steel and burning through their life savings. In Virginia, an impassioned entrepreneur and his hand-picked squad of speed build a car so light that you can push it across the floor with your thumb. In West

Philly, a group of disaffected high school students come into their own as they create a hybrid car with the engine of a Harley motorcycle. And in Southern California, the early favorite—a start-up backed by millions in venture capital—designs a car that looks like an alien egg. Ingenious is a joyride. Fagone takes us into the garages and the minds of the inventors, capturing the fractious yet beautiful process of engineering a bespoke machine.

**What's the Big Secret?** Visible Ink Press

Sometimes uncovering the truth, the hidden history, means going to the source to unearth it. Budding historians, archaeologists, and anthropologists will find plenty to unearth in the sites and discoveries of this thought-provoking

series. Each insightful volume provides critical information about significant subjects and time periods, supporting key issues in the elementary social studies curriculum. Highlighted topics include New York City's African Burial Ground, the shipwrecks of the Great Lakes, and the Jamestown Colony. Readers will appreciate absorbing details seldom found in textbooks as well as historical images and what they reveal about the past

America's Secret Establishment

Lighthouse Trails Publishing

"The 66 Laws of the Illuminati: Secrets of Success," written by The House of Illuminati, provides the blueprint and tenets required for personal success. The House of Illuminati, known around the world as "The Illuminati," has broken years of silence with this publication. The Illuminati has made known its "Laws" which they indicate are the secrets of success for anyone who embarks upon the path of Light.

Organized in six chapters, the book begins with "Chapter 1: The 66 Laws." Chapter 1 details the sixty-six rules of life suggested by the Illuminati as a guaranteed guide to success. The Laws are age-old, proverbial wisdom which typically sheds light on a principle of good character. Each of the Laws is followed by a Lesson that gives further clarity; insight, meaning, and commentary to help the reader better understand how to apply the Law. Chapter 2, "A Letter to the Youth of the Present Age," is a letter written by the Illuminati to the youth of the 21st century. It is a passionate epistle in response to comments made by rap artist Jay-Z and negative, inaccurate rumors which were circulating at the time. Chapter 3, "The House of

Illuminati," shares the ancient and modern history of Illuminati. Chapter 4, "The Rituals," is a behind-the-scenes look at what happens inside the secret House including admission criteria and ceremonies. Chapter 5, "The Creed," and Chapter 6, "The Prayer," publish the Illuminati's creed and prayer which shape the essence of what the Illuminati believes. For the first time in centuries, this book is the only known source of

written documents which define The Illuminati. A detailed account of our purpose and our commitment to the "path of Light" is provided for the public. The Illuminati hopes that all readers around the world will unite in a common cause to pursue the Light and travel down a road of success. Success is guaranteed to any person who follows the Laws and learns from the Lessons. On the path of the Light, The Illuminati
