Though left uncompleted, "Kubla Khan"  
is one of the most famous examples of  
Romantic era poetry. In it, Samuel  
Coleridge provides a stunning and  
detailed example of the power of the  
poet's imagination through his whimsical  
description of Xanadu, the capital city of  
Kublai Khan's empire. Samuel Coleridge  
penned "Kubla Khan" after waking up  
from an opium-induced dream in which  
he experienced and imagined the  
realities of the great Mongol ruler's  
capital city. Coleridge began writing  
what he remembered of his dream  
immediately upon waking from it, and  
intended to write two to three hundred  
lines. However, Coleridge was  
interrupted soon after and, his memory

of the dream dimming, was ultimately unable to complete the poem. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.

Plato at the Googleplex Sura Books  
The Allegory of the Cave, or Plato's Cave, was presented by the Greek philosopher Plato in his work Republic (514a-520a) to compare "the effect of education (παιδεία) and the lack of it on our nature". It is written as a dialogue between Plato's brother Glaucon and his mentor Socrates, narrated by the latter. The allegory is presented after the analogy of the sun (508b-509c) and the

analogy of the divided line (509d-511e). All three are characterized in relation to dialectic at the end of Books VII and VIII (531d-534e). Plato has Socrates describe a group of people who have lived chained to the wall of a cave all of their lives, facing a blank wall. The people watch shadows projected on the wall from objects passing in front of a fire behind them, and give names to these shadows. The shadows are the prisoners' reality.

### **Plato, with an English Translation**

Cliffs Notes

These four dialogues cover time surrounding the execution of Socrates. As he was charged, tried, and condemned to death, the four dialogues stand as final testaments to his credo of virtue. These are texts that have shaped thousands of years of thought on the meaning of life and personal conduct. *Plato* Cambridge University Press  
Reviews topics in American and world history, suggests test-taking strategies, and includes three full-length practice tests.

*Publishers' circular and booksellers' record*

The Princeton Review

Acclaimed philosopher and novelist Rebecca Newberger Goldstein provides a dazzlingly original plunge into the drama of philosophy, revealing its hidden role in today's debates on religion, morality, politics, and science.

*CliffsNotes on Euthyphro, Apology, Crito and Phaedo* HarperCollins
