"When his best friend

Woody is arrested--an unwitting accomplice to a robbery--Theodore Boone must work to prove his innocence"--

*A Parker Novel* Puffin  
Deadly Edge bids a brutal adieu to the 1960s as Parker robs a rock concert, and the heist goes south. Soon Parker finds himself—and his woman, Claire—menaced by a pair of sadistic, drug-crazed hippies. Parker has a score to settle while Claire's armed with her first rifle—and they're both ready to usher in the end of the Age of Aquarius. "Richard Stark's Parker novels . . . are among the most poised and polished fictions of their time and, in fact, of any time." — John Banville, Bookforum "The Parkers read with the speed of pulp while unfolding with an almost Nabovokian wit and flair." — Richard Rayner, Los Angeles Times

Half the man, twice the lawyer. In the small city of Strattenburg, there are many lawyers, and though he's only thirteen years old, Theo Boone thinks he's one of them. Theo knows every judge, policeman, court clerk - and a lot about the law.

He dreams of being a great trial lawyer, of a life in the courtroom. But Theo finds himself in court much sooner than he expected. Because he knows so much - maybe too much - he is suddenly dragged into the middle of a sensational murder trial. A cold-blooded killer is about to go free, and only Theo knows the truth. The stakes are high, but Theo won't stop until justice is served.

Bank robberies should run like clockwork, right? If your name's Parker, you expect nothing less. Until, that is, one of your partners gets too greedy for his own good. The four-way split following a job leaves too small a take for George Uhl, who begins to pick off his

fellow hoisters, one by one. The first mistake? That he doesn't begin things by putting a bullet in Parker. That means he won't get the chance to make a second. One of the darkest novels in the series, this caper proves the adage that no one crosses Parker and lives "Whatever Stark writes, I read. He's a stylist, a pro, and I thoroughly enjoy his attitude."—Elmore Leonard "The non-hero: the ruthless, unrepentant, single-minded operator in a humorless and amoral world. . . . No one depicts this scene with greater clarity than Richard Stark."—The New York Times

never bring a dame along—especially not one you like—and never, ever, work with amateurs. Nevertheless, with the help of a creepy coin collector named Billy, and the lure of a classy widow, he agrees to set up a heist of a coin convention. But Billy's a rookie with no idea how to pull off a score, and the lady soon becomes a major distraction.
