 From a legendary music journalist with four decades of unprecedented access, an insider's behind-the-scenes look at the major personalities of rock and roll. Lisa Robinson has interviewed the biggest names in music—including Led Zeppelin, the Rolling Stones, John Lennon, Patti Smith, U2, Eminem, Lady Gaga, Jay Z, and Kanye West. She visited the teenage Michael Jackson many times at his Encino home. She spent hours talking to John Lennon at his Dakota apartment—and in recording studios just weeks before his murder. She introduced David Bowie to Lou Reed at a private dinner in a Manhattan restaurant, helped the Clash and Elvis Costello get their record deals, was with the Rolling Stones on their jet during a frightening storm, and was mid-flight with Led Zeppelin when their tour manager pulled out a gun. For forty years Rob Roth has collected rare examples of rock tour posters, advertising posters, rock memorabilia, original artwork and items of merchandise. His spectacular collection is so vast that it has never all been put on public display but when visitors to his spacious New York loft apartment - visitors like Elton John and Alice Cooper - caught a glimpse of some of the material Rob has collected over the years, they were amazed and urged him to let rock fans see the dazzling array of artefacts from the 70s and 80s. For many, the images lovingly catalogued in the pages of this book will evoke nostalgic memories of the blazing lights, drifting smoke and all-pervading audio power of the rock concerts of their youth. It is also, however, a lavishly produced presentation of some of the most vivid and exciting artwork from the rock world featuring bands such as The Rolling Stones, Queen,

Pink Floyd, The Who, Led Zeppelin and every other major rock act of the era. Each section of the book features a particular band covering different tours and different albums to show how design and graphic styles changed and to provide an overview of rock history from the period. An introduction to the section puts the images in context, outlining the stage the bands and acts had reached in their development and discussing the art and artists. Each piece that is portrayed carries a caption describing exactly what it is, while items with a particular story to tell are accompanied by longer, more detailed texts.

One woman's misguided quest for love, sex, and as much airtime as possible. . . . On The Howard Stern Show, radio personality Lisa Glasberg, aka Lisa G., is painted as a violin-playing, cookie-baking cat lady, but that's all about to change. This alleged wallflower once used her skills in the kitchen to show up at a suitor's doorstep wearing nothing but a fur coat and carrying a plate of freshly baked cookies. Now, in her unrated memoir, Lisa G. reveals all about her adventures and misadventures growing up and looking for love in all the wrong places. Her journey begins in the only place where she felt comfortable—behind the microphone. Lisa became a workaholic with a larger-than-life radio personality. But when the "on air" lights switched off, she struggled to find her true self. Through therapy and some soul-searching, she transformed from an insecure young woman who attempted to win over men with her culinary prowess into an independent adult who finally learned to love herself. Lisa's story is full of inspiration and lots of laughs. Smart, sassy, and stacked, Lisa always put her career first. While searching for the perfect job, the aspiring radio star dated her way through an urban bachelorette's predictable gallery of potential mates. In *Sex, Lies, and Cookies*, Lisa details her hilarious sexcapades, which include everyone from a nice Jewish doctor with a unique fetish to the classic unavailable type who wants an "open relationship." Lisa G. also shares behind-the-scenes stories from her A-list celebrity interviews, friendships, and time hanging with hip-hop royalty like P. Diddy, Will Smith, and Flavor Flav. Along the way, Lisa G. became known for having the hottest ticket in town—entry into her exclusive and legendary cookie parties. The book includes the recipes for more than twenty-five of Lisa G.'s famous desserts, like "Losing my Cherry Cookies" and "Double D-licious Oatmeal Cookies," as well as tips for hosting your own fabulous cookie party. *Sex, Lies and Cookies* is a tasty read that proves why the most satisfying relationship you'll ever have starts with learning to love yourself (and how a little cookie dough can help).

**Memoirs of a Rock 'n' Roll Survivor** Candlewick Press For the generation coming of age in the years from 1987 to 1994, RIP magazine was every bit as crucial as Rolling Stone. Life on Planet Rock describes how Friend, the editor of RIP, became the Zelig-like chronicler of the biggest musical moments of that time—from introducing Guns N' Roses (in nothing but a top hat, underwear, and cowboy boots) to sitting in during the making of Metallica's "Black Album." Life on Planet Rock provides revealing

portraits of artists as varied as Kurt Cobain, Gene Simmons, Alice Cooper, Axl Rose, James Hetfield, Steven Tyler, and many more. Part oral history, part candid and humorous memoir, it is a wormhole back to a fast-moving time in music that saw tastes flash from new wave to hair metal to grunge, told as only someone who was there through it all could tell it.

One of the funniest rock memoirs ever, Al Kooper's legendary Backstage Passes is available again! There has never been a more wickedly humorous and honest book by a man who has made such rock history.

In 1978, when music found its way into Russ DiBella's life largely by way of external circumstances, a natural progression of sorts began to unfold which would eventually marry his affection for words with a nascent interest in drumming and lyric writing. What began as a teenage rite of passage — his first rock concert — would spawn a lifelong passion for all things music, manifesting itself in ways both deliberate and unanticipated. Part memoir and part backstage pass, *From the Inside* is actually written from the perspective of an outsider looking in — although very often and surreptitiously from within. With a detailed history of how music became such an actively integral part of his life (even before an awareness of his parents' unintended influence) and an in-depth, behind-the-scenes look at several concerts (to include a respectable gathering of drumsticks along the way), DiBella recounts with enthusiasm and occasional humility more than thirty years of experiences as admirer, accomplice and collector. Less a narrative about unofficial access to "rock stars," *From the Inside* sneaks a peek behind the proverbial curtain to discover some of the inner workings of live concerts. Meeting drum techs, guitar techs and other assorted crew and band members and observing load-ins, soundchecks and even a few shows from the other side of the stage offers an intimate look at activities otherwise inaccessible to the typical concert-goer. Not wanting for moments of rock'n'roll flash, encounters with rockers Mick Jagger, Eddie Van Halen and Neil Peart as well as country artists Brad Paisley and Montgomery Gentry among many others provide additional insight and add elements of celebrity to this otherwise personal account. Clearly written with an appreciation both for music and those artists who've inspired, *From the Inside* is the story of a life examined through the lens of music.
