When God speaks, darkness trembles and death shudders; his voice is the most powerful force in the universe! And he has given his children the mandate to declare what he speaks, to say what he says. It's time for believers to counter the attacks of the enemy--always the liar--with God's word of truth and bring freedom to the captives. Each chapter is a study of prophetic words Jane has received--promises every believer can claim. She explains what Scripture says about these messages, and how she has witnessed miracles and breakthrough from them. She also provides a series of prayers and decrees to help you activate breakthrough in your own life. God wants to set in motion the breakthrough you and your family need. Take hold of the life-changing action of speaking forth God's own declarations for his people!

Ministries More than a devotional book, Forty Days of Prophetic Miracles will propel you to a prophetic journey that will help you step into the realm of miracles. It will equip even the weakest person for an astounding supernatural experience. The book was born out of three decades of prophetic praying for the body of Christ. The author has seen God work great things through prayer; but at the same time, he has great concern that the ministry of tears through prayer is gone from the church. If the righteous will commit to vehement, earnest and heartfelt prayer they will once again produce wonderful miracles.

A much neglected field of study has been opened by the research of the author into the history of the Christian church from its apostolic origins to the close of the eighteenth century. Taking as his thesis the prominence given to the Church in the Wilderness in Bible prophecy, and the fact that "'the Church in the Wilderness,' and not the proud hierarchy enthroned in the world's great capital, was the true church of Christ," he has spent years developing this subject. In its present form, Truth Triumphant represents much arduous research in the libraries of Europe as well as in America. Excellent ancient sources are most difficult to obtain, but the author has been successful in gaining access to many of them. To crystallize the subject matter and make the historical facts live in modern times, the author also made extensive travels throughout Europe and Asia. The doctrines of the primitive Christian church spread to Ireland, Scotland, and Wales. As grains of a mustard seed they lodged in the hearts of many Godly souls in southern France and northern Italy — people known as the Albigenses and the Waldenses. The faith of Jesus was valiantly upheld by the Church of the East. This term, as used by the author, not only includes the Syrian and Assyrian Churches, but is also the term applied to the development of apostolic Christianity throughout the lands of the East. The spirit of Christ, burning in the hearts of loyal men who would not compromise with paganism, sent them forth as missionaries to lands afar. Patrick, Columbanus, Marcos, and a host of others were missionaries to distant lands. They braved the ignorance of the barbarian, the intolerance of the apostate church leaders, and the persecution of the state in order that they might win souls to God. To unfold the dangers that were ever present in the conflict of the true church against error, to reveal the sinister working of evil and the divine strength by which men of God made truth triumphant, to challenge the Remnant Church today in its final controversy against the powers of evil, and to show the holy, unchanging message of the Bible as it has been preserved for those who will "fear God, and keep His commandments" — these are the sincere aims of the author as he presents this book to those who know the truth. MERLIN L. NEFF.

The ability to make decrees and have them established and manifested unto us is a very powerful tool given to us by God to rule as Kings here in the earth and to chart the course of our lives. In biblical times, the King's decree was the law and final word on any matter. The Word of God in Revelation 5:10 declares that we are Kings and Priests unto God. The idea of biblical decrees is that when it is made, there was nothing anyone (Devil or Man) could do about it. The person whom the decree was made in respect of cannot ignore it. He has no further say in the matter. You just had to obey it or face the consequences. The devil is a defeated enemy and he cannot oppose our decrees. When we make decrees the devil cannot ignore it, neither does he have any further say against the matter for which the decree was made. It becomes the final law, rule, authority, verdict and command. The same is true with decrees we make over personal areas of our lives. When we decree God's provision and blessings over our lives, anything that is assigned to work or stand against our provision and blessing can have no further say in the matter. It is also true when we decree our healing, peace, joy and promotion, no force has any form of valid objection or standing to come against us or oppose the manifestation of the blessings in our lives. The establishment of our decrees is backed up by God. You can decree God's blessings upon your life. You can destroy the plans and operations of the devil against you by making decrees. Through decrees you can institute and pass a verdict which the enemy cannot oppose. You can use decrees to recreate your life and chart a new course for your life. Through decrees, you can manifest the blessings of God in your life. You can also use decrees to maintain the manifestation and easy flow of those blessings everyday of your life. That is the power of decrees! Nothing can stop a Christian who knows how to effectively use and execute decrees. This book was therefore written to show and guide you on how you can attain and remain in God's blessings by making daily supernatural decrees that are based on the Word of God. The prophetic decrees in this book are Word of God based and spans a period of 31 Days. It covers personal needs for good success, favours, prosperity, health, healing, peace, divine protection, longevity and much more. I trust that it would help you to a very large extent to chart your course through life in the pursuit of manifesting and living

ME note: There were two words that the Lord commanded me to use in writing this message about this book's discussions, and they are exasperating and abundantly. Therefore, I have waited on Him to instruct me how to best utilize them in this first and last words to you, the very fortunate reader whom God has targeted to receive this special message. The word exasperating denotes an infuriating, annoying, irritating, maddening, antagonizing, provoking, irksome, vexing, galling, trying, troublesome, etc., experience or happening, and this word can be appropriately used to discern and describe portions of your very engaging experience in reading the twelve articles inside. However, the Lord Jesus' attempt to be "abundantly" transparent with you about His will and intentions to reach you with these truths were the only motives He had for commissioning the writing of this book, God's Decrees. Jesus so loved the world that He sacrificed His own life's blood, that whoever believes in Him will not perish but that they have everlasting life. For God did not send Him into the world to condemn the world, but that the world through Him might be saved. Won't you please accept the Keys to the Kingdom of Heaven for all eternity?
