DAKOTA DEACON

Designing and Curating a Home Library Experiences &
Experiments Books Pte Ltd

by Marshall Chamberlain, author of the Ancestor Series of Sci-Tech-Mystery-Thrillers. "An indispensable companion to the Self-Publishing Manual."-Dan Poynter. This book explains the tools and options for effectively designing, manufacturing, distributing, and promoting any book. It reveals important resources to keep informed and find vital information; teaches how to easily create a supportive, author/self-publishing website; delineates methods for designing and implementing dynamic promotion plans; and outlines the knowledge, skills, and creative thinking necessary to

take control of key publishing functions, eliminate financial risks, conserve resources, and set parameters for a purposeful writing lifestyle. <http://www.gracepublishing.org>.

Notebooks for School (Back to School Notebook, Composition College Ruled)(8. 5 X 11)(School Memory Book) Createspace Independent Publishing Platform

A thought-provoking guide to help you lean in to the discomfort of the unknown to turn creative opportunities into intentional design, from Stanford University's world-renowned d.school.

"Navigating Ambiguity reminds us not to run from uncertainty but rather see it as a defining moment of opportunity."—Yves Béhar, Founder and CEO, fuseproject A design process presents a series of steps, but in real life, it rarely plays out this neatly. Navigating Ambiguity underscores how the creative process isn't formulaic. This book shows you how to surrender control by being

adaptable, curious, and unbiased as well as resourceful, tenacious, and courageous. Designers and educators Andrea Small and Kelly Schmutte use humor and clear steps to help you embrace uncertainty as you approach a creative project. First, they explain how the brain works and why it defaults to certainty. Then they show you how to let go of the need for control and instead employ a flexible strategy that relies on the balance between acting and adapting, and the give-and-take between opposing approaches to make your way to your goal. Beautiful cut-paper artwork illustrations offer ways to rethink creative work without hitting the usual roadblocks. The result is a more open and satisfying journey from assignment or idea to finished product.

Isla to Island Createspace Independent Publishing Platform

This stunning wordless graphic novel follows a young girl in the 1960s who immigrates from Cuba to the United States and must redefine what home means to her. Marisol loves her colorful island home. Cuba is vibrant with flowers and food and people...but things are changing. The home Marisol loves is no longer safe—and then it's no longer her home at all. Her parents are sending her to the United States. Alone. Nothing about Marisol's new life in cold, gray Brooklyn feels like home—not the language, school, or even her foster parents. But Marisol starts to realize that home isn't always a place. And finding her way can be as simple as staying true to herself.

This is Pay It Forward meets the #BeKind movement, as seen through a Jewish principle. It's Grandpop's birthday, and all he wants is one little thing: for Sophie to change the world. He wants Sophie to do a mitzvah—something kind for others. But what exactly does that mean? As Sophie shares, teaches, helps her friends, takes care of birds, and picks up litter, she wonders which of these acts, if any, might change the world. By performing this sequence of poignant mitzvahs with an open heart, unending empathy, and a big imagination, Sophie's about to discover that what sounds like an impossible task just might be the best way to live life. In this exploration of an essential part of Jewish traditional teaching, Sophie's efforts to grant Grandpop's wish show that the smallest acts of kindness are what truly change the world. TIMELESS: Mitzvahs are a time-honored tradition and a central part of Judaic practice. This universal, timeless picture book shares a meaningful message about doing good in the world that will always be welcome and needed. A

JEWISH PERSPECTIVE: This story explores an aspect of Jewish culture that is applicable to anyone interested in improving their world, making it a book that is both relevant and relatable to kids who are Jewish and non-Jewish alike. **SPREAD KINDNESS:** This book shows a variety of kind actions and engages with how kindness and good deeds can affect and lift up friends, family, and entire communities. **BEAUTIFUL ILLUSTRATIONS:** The art in this book is bright and cheerful, perfect for engaging kids and getting them excited to learn how they, too, can change the world! Perfect for: • Jewish families • Jewish schools and learning centers • Teachers • Parents looking for books about kindness Creative Acts for Curious People Jupiter Kids (Childrens & Kids Fiction)

From Newbery Medalist Meg Medina comes the bittersweet story of two girls who will always be each other's número uno, even though one is moving away. A big truck with its mouth wide open is parked at the curb, ready to gobble up Evelyn's mirror with the stickers around the edge . . . and the sofa that we bounce on to get to the moon. Evelyn Del Rey is Daniela's best friend. They do everything together and even live in twin apartments across the street from each other: Daniela with her mami and hamster, and Evelyn with her mami, papi, and cat. But not after today—not after Evelyn moves away. Until then, the girls play amid the moving boxes until it's time to say goodbye, making promises to

keep in touch, because they know that their friendship will always be special. The tenderness of Meg Medina's beautifully written story about friendship and change is balanced by Sonia Sánchez's colorful and vibrant depictions of the girls' urban neighborhood.

A celebration of the meaning and comfort printed books bring to our homes and lives, from the curation and design experts at Juniper Books. Explore the significance of the home library, embellished with alluring photography and illustrations, in a keepsake worthy of any bibliophile's collection. For the Love of Books shares the vision of Juniper Books, a business that embraces the roles that books fulfill in our lives and their staying power. It recounts the history of books and private libraries, and champions the resilience of books in the digital era. Dive into the nuances that define books for reading, books for decoration, and books for inspiration. Instructive chapters provide useful details for creating and curating one's own home library, whether it be a single shelf or multiple rooms each with their own collection. You will never look at your bookshelves the same way again. For the Love of Books is about storytelling beyond the pages of our favorite books. Our books—the ones we choose to keep—tell the

story of who we are. They remind us who we once were and who we aspire to be. Thatcher Wine founded Juniper Books in 2001. The company creates custom libraries and has perfected the art of turning books inside out to allow for books to tell stories not just to us, but about us. Working with booklovers, homeowners, and designers, Juniper Books has provided the world with a fresh new approach to the printed book. Thatcher grew up in New York City where his parents owned and operated The Quilted Giraffe, one of the most innovative restaurants in America. Thatcher graduated from Dartmouth College with a degree in history and art history and lives in Boulder, Colorado. Elizabeth Lane is the founder of Quarterlane, a quarterly subscription book service which merged with Juniper Books in 2018. She is also the book buyer for her local independent bookstore, Partners Village Store and Kitchen in Westport, Massachusetts. Prior to working in books, Elizabeth worked in contemporary visual art—in galleries, nonprofit initiatives and museums in New York, Austin, and Chicago. Elizabeth graduated from Davidson College with a degree in art history and received her masters degree from the School of the Art Institute of Chicago.
