Deep within, every woman longs for her own Cinderella experience: to rise from her humble past, discover the best in herself, and be appreciated by a true, lasting love. Yet, her own efforts to fill the yearning often end in tatters. And no man can rescue her. In *Dancing in the Arms of God*, the Cinderella fairy tale provides a powerful allegory for women's deepest hopes and dreams and the God who longs to fill them. It's a message proved true in the life of author Connie Neal. For all of us who have wrestled with disillusionment, abandonment, our own limitations,

and the lies that whisper we're not beautiful, Connie's true-life insights reveal what it means to dance with God . . . following his lead until every promise he's ever made proves true.

Offering concise coverage of essential job-hunting and career strategies, this flexible guidebook can supplement any business course or serve as the foundation for a career development class. The Seventh Edition focuses on real-world applications through experiential exercises and hands-on activities that provide a comprehensive how-to for anyone beginning a job search. It delivers practical advice in a straightforward style along with action-oriented examples that can easily be followed. Students are taught to look beyond traditional resources like classified ads to find potential employers. For example, this edition includes a new, information-packed chapter on using social networks such as LinkedIn, Facebook and Twitter in the job search. As in previous editions, the text offers many samples of job hunting tools, such as resumes and cover letters from a wide variety of career fields. Students can use these samples as virtual templates, substituting their own information into the established format. Throughout each chapter is heavy emphasis on employing the latest technologies and online tools at every phase of the job hunt. The techniques covered in *The Ultimate Job Hunter's Guidebook* will prove useful to students as they embark on their new career and in years to come as they progress in their chosen profession. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Married people need sex and companionship too. Every human being needs the warmth of a human touch and the acceptance of a kind word. And sometimes, after many years, and much effort and contemplation, these things can only be found by going outside of your marriage. Many people who have affairs will do so because they feel themselves dying a little inside every day for lack of sexual touch, emotional connection or a general understanding in their home situation. Though if you scanned the internet or newspaper, it would seem that anyone who has had an affair, or ever contemplated having one, is akin to something you'd scrape off your shoe. We disagree. In fact, we feel that the reality is altogether much different. Our intention in writing *The Ultimate Guide to Having a Smart Affair* is to acknowledge and affirm that there is nothing wrong with wanting these things for yourself. The difference in our approach is to help you to find these things in such a way as to reduce risk to your family and children's stability, with the goal of keeping your family unit intact for the greater good. Ultimately, respecting yourself and your home situation is paramount. Each and every one of us is looking for a safe, satisfying and life-affirming connection. It's time to find your passion and feel the pleasure of being alive again
