*Myths and Stories of the Wild Woman Archetype* Bantam

In the world of Viking Magic, a girl can heal sword cuts with nettle stings and a boy can weave a wolfspell or make the lightning strike. An arrow of fire can end a dispute, but can two children stop the Sheriff from turning their families out of their homes? Oddo the farmer's son and Thora the spellworker's daughter are determined to stop the Sheriff. They set off to the Gula Thing to ask for help, never suspecting what dangers they're about to face. They will have to fight their way through raging rivers, wild wolves and treacherous swamps before they can return. And even then, it looks as though they may arrive too late. Courage, friendship and a dash of magic are the keys to this spellbinding adventure, the second in the acclaimed Viking Magic series. Like the first book, *Runestone*, it is ideal for readers who enjoy a strong story and a richly imagined world.

In this astounding account, Wall Street's notorious bad boy—the original million-dollar-a-week stock chopper—leads us through a drama worthy of *The Sopranos*, from the FBI raid on his estate to the deal he cut to rat out his oldest friends and colleagues to the conscience he eventually found. With his kingdom in ruin, not to mention his marriage, the Wolf faced his greatest challenge yet: how to navigate a gauntlet of judges and lawyers, hold on to his kids and his enraged model wife, and possibly salvage his self-respect. It wasn't going to be easy. In fact, for a man with an unprecedented appetite for excess, it was going to be hell. But the man at the center of one of the most shocking scandals in financial history soon sees the light of what matters most: his sobriety, and his future as a father and a man.

But Christian is close to the forest where the de Lagenays live, a mother and son that both servants and village people mysteriously avoid mentioning. Are they, as he comes to suspect, the children of the wolf? And are they the ones who, when darkness falls, throw out exquisite seductions which he cannot resist? MI CAUTIVA. MI COMPAÑERA. MI PREMIO. No ordené la captura de la hermosa loba americana. No se la compré a los traficantes. Ni siquiera pensaba reclamarla. Pero ningún cambiante masculino podría haber resistido la prueba de la luna llena y una habitación cerrada con Sedona, desnuda y encadenado a la cama. Perdí el control, no solo reclamándola, sino también marcándola y dejándola embarazada de mi cachorro. No la mantendré prisionera, aunque es lo que más deseo. La dejo escapar para que esté segura con la manada de su hermano. Pero una vez marcada, ninguna loba es realmente libre. La seguiré hasta los confines de la Tierra, si es necesario. Sedona me pertenece. Nota del editor: Alpha's Prize es un libro independiente de la serie Alfas Peligrosos. HEA garantizado, sin trampas. Este libro contiene un lobo alfa ardiente y exigente con una inclinación por proteger y dominar a su hembra. Si tal material le ofende, no compre este libro.
