In November 1980, James Callaghan retired as leader of the Labour Party. He had been on the front line of British politics for many years and was the only person to hold all of the four great offices of state. However, his premiership is seen as a failure, the last gasp of Keynesian social democracy being smothered by the oncoming advent of Thatcherism. This book offers a timely reappraisal of Jim Callaghan's premiership and time as Leader of the Opposition in 1979-80.

"I know you're very busy, Mr. Harper. We're all busy. But every person has a space next to where they sleep, whether a patch of

pavement or a fine bedside table. In that space, at night, a book can glow. And in those moments of docile wakefulness, when we begin to let go of the day, then is the perfect time to pick up a book and be someone else, somewhere else, for a few minutes, a few pages, before we fall asleep." From the author of *Life of Pi* comes a literary correspondence—recommendations to Canada's Prime Minister of great short books that will inspire and delight book lovers and book club readers across our nation. Every two weeks since April 16th, 2007, Yann Martel has mailed Stephen Harper a book along with a letter. These insightful, provocative letters detailing what he hopes the Prime Minister may take from the books—by such writers as Jane Austen, Gabriel Garcia Marquez and Stephen Galloway—are collected here together. The one-sided correspondence (Mr. Harper's office has only replied once) becomes a meditation on reading and writing and the necessity to allow ourselves to expand stillness in our lives, even if we're not head of government.

A kinky Prime Minister, a vanilla intern, and a scandal that shouldn't feel so right or cost so much. Gavin: Ellie Montague is smart, sensitive, and so gorgeous it hurts to look at her. She's also an intern in my office. The office of the Prime Minister of Canada.* That's me. The PM. She calls me that because when she

calls me Sir, I get hard and she gets flustered, and as long as she's my intern, I can't twist my hands in her strawberry-blonde hair and show her what else I'd like her to do with that pretty pink mouth.** Ellie: How much I like the PM varies on a daily basis. He's intense, controlling, and a perfectionist in every way--and he demands the same of his staff. How much I want him never wavers. There's something about him that tugs at me deep inside, and makes me wish that just once he'd cross the line in a late night work session. I'd take that secret to the grave if it meant I got a taste of the barely restrained beast inside him.*** .

. . . FOOTNOTES: * This is a fictional romance. No prime ministers or interns were harmed in the making of this book. ** Except it's a kinky romance, so they were hurt a little. *** Spoiler alert: she gets more than a taste. And she likes it.

When *The Accidental Prime Minister* was published in 2014, it created a storm and became the publishing sensation of the year. The Prime Minister's Office called the book a work of 'fiction', the press hailed it as a revelatory account of Prime Minister Manmohan Singh's first term in UPA. Written by Singh's media adviser and trusted aide, the book describes Singh's often troubled relations with his ministers, his cautious equation with Sonia Gandhi and how he handled the big crises from managing the Left to pushing through the nuclear deal. Insightful, acute and packed with political anecdotes, *The Accidental Prime Minister* is one of the great insider accounts of Indian political life.

'We have had diaries from other Cabinet Ministers, but none I think which have been quite so illuminating... It is a fascinating diary... It is shorter than Barbara Castle's... and although it is rather more accurate than Dick Crossman's, it is distinctly funnier' - Lord Allen of Abbeydale (formerly Permanent Secretary at the Home Office) in *The Times* 'It has an entertainment and educational value which is unique. It is uproariously funny and passes the acid test of becoming more amusing at every subsequent reading... I will go so far as to claim that in the characters of Jim Hacker and Sir Humphrey Appleby, Messrs Lynn and Jay have created something as immortal as P.G.

This first volume of Margaret Thatcher's memoirs encompasses the whole of her time as Prime Minister - the formation of her goals in the early 1980s, the Falklands, the General Election victories of 1983 and 1987 and, eventually, the circumstances of

her fall from political power. She also gives frank accounts of her dealings with foreign statesmen and her own ministers.

Yes, Minister, and the equally successful sequel Yes, Prime Minister captured a niche in the political consciousness of the nation. First broadcast thirty years ago, the original writers of these classic series have reunited to create a bang up to date Yes, Prime Minister for the stage. Spin, blackberries, sexed-up dossiers, sleaze, global warming and a country on the brink of financial meltdown form the backdrop to mayhem at Chequers as the Foreign Minister of Kumranistan makes a seriously compromising offer of salvation. Prime Minister Jim Hacker remains in power with his coterie of close advisors including Cabinet Secretary Sir Humphrey Appleby and Principal Private Secretary Bernard Woolley, but for how long? They govern a whole new world. Yes, Prime Minister premiered in the Festival Theatre, Chichester, in May 2010.

One of the world's leading woman politicians tells her inspiring story At forty-one, Gro Harlem Brundtland, physician and mother of four, was appointed prime minister of Norway-the youngest person and the first woman ever to hold that office. In this refreshingly forthright memoir, Brundtland traces her unusual and meteoric career. She grew up with strong role models-her parents were active in the Norwegian resistance and involved in postwar politics. She became known as a pro-choice crusader in the seventies and entered politics as the minister of the environment. She appointed eight women to her second eighteen-member cabinet, to this day a world record, and was the leading figure in the process that led to the Earth Summit in

Rio in 1992. As director-general of the World Health Organization since 1997, Brundtland is the first woman elected to run a major UN institution. Along the way, she met a host of international politicians, including Margaret Thatcher-who did not share Brundtland's view on feminism-Mikhail Gorbachev, Nelson Mandela, Ronald Reagan, and Hillary Clinton. Brundtland writes candidly and with humor about raising children in the political limelight and about dealing with political opposition and stereotypes about women. Hers is a fascinating story of one person's ability to make a difference-globally.

A compendium of 101 book recommendations from Booker Prize-winning author Yann Martel (Life of Pi) to Prime Minister Stephen Harper—each with an accompanying letter, together

probing the question: what sort of mind, nourished by what, do we want our leaders to have? He completed the project in 2011 with 101 book recommendations. Now, from the mailbox of the Prime Minister's Office to your bookshelf comes a list of essential reading for all Canadians. This

largely one-sided correspondence from the "loneliest book club in the world" (Stephen Harper never personally responded to Yann Martel's gifts) is a valuable compendium for bibliophiles and those who follow the Canadian political scene.
