The Tony Hill and Carol Jordan Series, 1-4 Open Road + Grove/Atlantic

A chilling, high-velocity thriller featuring psychologist Dr. Tony Hill and detective Carol Jordan from the international bestselling crime writer. Tony Hill has had a good run. He and detective Carol Jordan have put away scores of dangerous criminals at a rate that colleagues envy. But there is one serial killer who has shaped and defined their careers, and whose evil surpasses all others: Jacko Vance, ex-celebrity and sociopath whose brilliance and utter lack of remorse have never left Tony's mind in the ten years since his imprisonment. Now Jacko has escaped from prison—even more twisted and cunning than before, he is focused on wreaking revenge on Tony and Carol for his years spent behind bars. Tony and Carol don't know when Jacko will strike, or where. All they know is that Jacko will cause them to feel fear like they've never known. An utterly gripping tour de force, *The Retribution* is the ideal introduction or re-introduction to the world of Tony Hill and Carol Jordan. It is an unforgettable read. "I love every word Val McDermid writes. If you haven't discovered her genius yet, you are in for a rare treat." —Harlan Coben

Meanwhile, Detective Sergeant Paula McIntyre and her partner Elinor must deal with a cruel cyber-blackmailer targeting their teenage ward. Impeccably plotted and intensely gripping, *Insidious Intent* comes from Val McDermid, Diamond Dagger Award winner, multiple Edgar Award nominee, and "one of crime fiction's most eminent writers" (Entertainment Weekly).

The Mermaids Singing (Tony Hill and Carol Jordan, Book 1) Simon and Schuster

Winter 1963: two children have disappeared off the streets of Manchester; the murderous careers of Myra Hindley and Ian Brady have begun. On a freezing day in December, another child goes missing: thirteen-year-old Alison Carter vanishes from her town, an insular community that distrusts the outside world. For the young George Bennett, a newly promoted inspector, it is the beginning of his most difficult and harrowing case: a murder with no body, an investigation with more dead ends and closed faces than he'd have found in the anonymity of the inner city, and an outcome which reverberates through the years. Decades later he finally tells his story to journalist Catherine Heathcote, but just when the book is poised for publication, Bennett unaccountably tries to pull the plug. He has new information which he refuses to divulge, new information that threatens the very foundations of his existence. Catherine is forced to re-investigate the past, with results that turn the world upside down. A Greek tragedy in modern England, Val McDermid's *A Place of Execution* is a taut psychological thriller that explores, exposes and explodes the border between reality and illusion in a multi-layered narrative that turns expectations on their head and reminds us that what we know is what we do not know. *A Place of Execution* is winner of the 2000 Los Angeles Times Book Prize and a 2001 Edgar Award Nominee for Best Novel.
