BOND LILLIANNA

Sweeping Up the Heart Hachette Books

Luisa is repeatedly teased and called "weird" by her classmate Sam, even though she is simply being herself—laughing with her friends, answering questions in class, greeting her father in Spanish, and wearing her favorite polka-dot boots. Luisa initially reacts to the bullying by withdrawing and hiding her colorful nature. But with the support of her teachers, parents, classmates, and one special friend named Jayla, she is able to reclaim her color and resist Sam's put-downs. The *Weird!* Series These three books tell the story of an ongoing case of bullying from three

third graders' perspectives. Luisa describes being targeted by bullying in *Weird!* Jayla shares her experience as a bystander to bullying in *Dare!* And in *Tough!*, Sam speaks from the point of view of someone initiating bullying. Kids will easily relate to Luisa, Jayla, and Sam, as each girl has her own unique experience, eventually learning how to face her challenges with the help of friends, peers, and caring adults. Part of the Bully Free Kids™ line [The Life You Can Save](#) HarperCollins
Kennedy Conrad is everything he needs. Graham Black has two rules in life. Play baseball, so he can get the hell out of Tennessee, and leave your shirt on when you drop your panties. He's a typical all-American pitcher with the world at his fingertips. His devilish good looks and charm help him crawl into the beds and hearts of the girls at his high school. With secrets

no one knows, he has every intention of running away from his hometown the minute he graduates. Nothing can get in his way. Until poor choices collide him into Kennedy Conrad. Graham Black is everything she wants. Kennedy Conrad has her own set of rules. Dance with your whole heart, and make it through each day without being noticed. She's sweet and reserved, everything Graham's not. After one fated night, she can't stop him from noticing her anymore. She knows there's a chance of heartache by letting him in. When the unthinkable happens to Kennedy, Graham realizes what he's been fighting is what causes Kennedy to end up hurt. Can their love survive one more thing that is meant to pull them apart?

The Queen of Stone John Wiley & Sons

In that moment, I felt closer to whiteness than not. I was completely complicit and didn't think twice about entering a space that could cover their walls with images of contemporary Indigenous perspectives, but exclude their physical bodies from entering and experiencing. In that moment, I felt like a real Canadian. *Before I Was a Critic I Was a Human Being* is the debut collection of nonfiction essays by Amy Fung. In it, Fung takes a closer examination at Canada's mythologies of multiculturalism, settler colonialism, and identity through the lens of a national art critic. Following the tangents of a foreign-born perspective and the complexities and complicities in participating in ongoing acts of colonial violence, the book as a whole takes the form of a very long land acknowledgement. Taken individually, each essay roots itself in the learning and unlearning process of a first generation settler immigrant as she unfurls each region's sense of place and identity. Praise for *Before I Was a Critic I Was a Human Being*:

"The hours I've spent with this knowing and moving book about place and placelessness are among the most valuable of my reading life. Wow, thank you, Amy." --Eileen Myles "As an Indigenous/Haudenosaunee writer and reader, I recognize that Amy Fung's book does not try to convince us that she is a native rights ally but shows us with language how to mould the term ally into a verb." --Janet Rogers, author of *Totem Poles and Railroads* "In this compelling work, Amy Fung breathes life and relevance into criticality. This visitor's guide is integral reading." --Cecily Nicholson, author of *Wayside Sang*, winner of the Governor General's Literary Award for Poetry.

Drawn from a thousand photos taken over fifteen years, *We Animals* illustrates and investigates animals in the human environment: whether they're being used for food, fashion and entertainment, or research, or are being rescued to spend their remaining years in sanctuaries. Award-winning photojournalist and animal advocate Jo-Anne McArthur provides a valuable lesson about our treatment of animals, makes animal industries visible and accountable, and widens our circle of compassion to include all sentient beings.

After moving from her home in Haiti to her uncle's home in Brooklyn, ten-year-old Gabrielle, feeling bullied and out of place, makes a misguided deal with a witch.

An Introduction to Language and Linguistics Elsevier Health Sciences

New York Times comedy critic Jason Zinoman delivers the definitive story of the life and artistic legacy of David Letterman, the greatest television talk show host of all time and the signature comedic voice of a generation. In a career spanning more than thirty years, David Letterman redefined the modern talk show with an ironic comic style that transcended traditional television. While he remains one of the most famous stars in America, he is a remote, even reclusive, figure whose career is widely misunderstood. In *Letterman*, Jason Zinoman, the first comedy critic in the history of the New York Times, mixes groundbreaking reporting with unprecedented access and probing critical analysis to explain the unique entertainer's titanic legacy. Moving from his early days in Indiana to his retirement, Zinoman goes behind the scenes of Letterman's television career to illuminate the origins of his revolutionary comedy, its overlooked influences, and how his work intersects with and reveals his famously eccentric personality. Zinoman argues that Letterman had three great artistic periods, each distinct and part of his evolution. As he examines key broadcasting moments—"Stupid Pet Tricks" and other captivating segments

that defined *Late Night with David Letterman*—he illuminates Letterman's relationship to his writers, and in particular, the show's co-creator, Merrill Markoe, with whom Letterman shared a long professional and personal connection. To understand popular culture today, it's necessary to understand David Letterman. With this revealing biography, Zinoman offers a perceptive analysis of the man and the artist whose ironic voice and caustic meta-humor was critical to an entire generation of comedians and viewers—and whose singular style ushered in new tropes that have become clichés in comedy today.

Victoria's Voice BRILL

Going gray in your thirties is not easy. It's not what society says is right or OK. I wanted to share my journey with women all over the world and let you know by example that it's OK to be your authentic self no matter what society says. It's time to break the beauty rules Ladies and embrace your authentic self. It's time that we stop making excuses, stop being insecure and buying into the advertisements, glossy magazines, and commercials that only show women with colored hair. In this book, I will show you how to conquer your fear of the unknown and taboo world of going gray, build self-confidence that stands out in a crowd and embrace your authentic self. You will be one strong, fierce, bold woman ready to welcome your gorgeous gray once you finish this book. I will hold your hand through all of the emotional ups and downs because I have been there, I will give you the strength to keep moving forward when you are down and feeling "frumpy and old" I will pick you up and make you feel alive and beautiful again. Packed with self-assessments, humor, and grit. I will share my expert beauty secrets that will help you with your transition

into new makeup color palettes, and of course, the best skin care and hair care tips to keep you on point. I am sharing interviews with real women that have gone gray and what their experiences have been and great advice for you in your gray hair journey. Sit back, get comfortable and celebrate yourself with one of my signature cocktails at the beginning of each chapter. I am not going to tell you that going gray will be an easy journey but I am here for you every step of the way, and together you will be able to get encouraging new advice that will allow you to push through the bumps in the uncomfortable gray road ahead. Are you ready to say YES to your gray hair journey? Well then, Ladies. Let's Get This Beauty Started.

The Year I Flew Away Random House

NEW YORK TIMES BESTSELLER • Pierce Brown's relentlessly entertaining debut channels the excitement of *The Hunger Games* by Suzanne Collins and *Ender's Game* by Orson Scott Card. "Red Rising ascends above a crowded dystopian field."—USA Today ONE OF THE BEST BOOKS OF THE YEAR—Entertainment Weekly, BuzzFeed, Shelf Awareness "I live for the dream that my children will be born free," she says. "That they will be what they like. That they will own the land their father gave them." "I live for you," I say sadly. Eo kisses my cheek. "Then you must live for more." Darrow is a Red, a member of the lowest caste in the color-coded society of the future. Like his fellow Reds, he works all day, believing that he and his people are making the surface of Mars livable for future generations. Yet he toils willingly, trusting that his blood and sweat will one day result in a better world for his children. But Darrow and his kind have been betrayed. Soon he discovers that

humanity reached the surface generations ago. Vast cities and lush wilds spread across the planet. Darrow—and Reds like him—are nothing more than slaves to a decadent ruling class. Inspired by a longing for justice, and driven by the memory of lost love, Darrow sacrifices everything to infiltrate the legendary Institute, a proving ground for the dominant Gold caste, where the next generation of humanity's overlords struggle for power. He will be forced to compete for his life and the very future of civilization against the best and most brutal of Society's ruling class. There, he will stop at nothing to bring down his enemies . . . even if it means he has to become one of them to do so. Praise for *Red Rising* "[A] spectacular adventure . . . one heart-pounding ride . . . Pierce Brown's dizzyingly good debut novel evokes *The Hunger Games*, *Lord of the Flies*, and *Ender's Game*. . . . [Red Rising] has everything it needs to become meteoric."—Entertainment Weekly "Ender, Katniss, and now Darrow."—Scott Sigler "Red Rising is a sophisticated vision. . . . Brown will find a devoted audience."—Richmond Times-Dispatch Don't miss any of Pierce Brown's *Red Rising* Saga: RED RISING • GOLDEN SON • MORNING STAR • IRON GOLD • DARK AGE • LIGHT BRINGER

Her Last Flight Yale University Press

On June 6, 2015, David and Jackie Siegel received the call that no parent should ever get. Victoria, their beautiful, vibrant 18-year-old daughter, had died of a drug overdose. The Siegels vowed to do whatever it takes to prevent this from happening to other parents. Right after Victoria passed away, Jackie received a text from one of Victoria's friends, directing her to look in Victoria's bedroom nightstand for a secret diary Victoria had kept-and

suggesting they publish it. The Siegels decided to honor Victoria's wish. Victoria's diary, in her own hand and featuring her own art, is bookended by intros by her parents before it and tips and resources after it. Victoria's Voice is a gripping peek inside the mind of a sometimes happy, healthy teen and other times a teen dramatically influenced by drugs and alcohol. This is Victoria's voice-from beyond the grave. It could save your child's life.

Before I was a Critic I was a Human Being Random House Trade Paperbacks

Every royal has their dirty little secret. His was... me. It should have been simple. Go to the ball, meet the prince, and secure his patronage for my favorite charity. But beneath the mask, the brooding beast of a man was not at all who I expected. He was dark and intense and eerily quiet. When I left, I could still feel the ghost of his touch branded into my skin. He haunted my dreams, but I never expected to see him again. Then he came for me. And he took me. And I learned that his darkness was a void I never could have conceived. He's the crown prince. And, now, I'm his captive. This is a full length standalone with dark themes.

Red Rising Free Spirit Publishing

The founder and president of PETA, Ingrid Newkirk, and bestselling author Gene Stone explore the wonders of animal life with "admiration and empathy" (The New York Times Book Review) and offer tools for living more kindly toward them. In the last few decades, a wealth of new information has emerged about who animals are: astounding beings with intelligence, emotions, intricate communications networks, and myriad abilities. In Animalkind, Ingrid Newkirk and Gene Stone present these findings in a concise and awe-inspiring way, detailing a range of

surprising discoveries, like that geese fall in love and stay with a partner for life, that fish "sing" underwater, and that elephants use their trunks to send subsonic signals, alerting other herds to danger miles away. Newkirk and Stone pair their tour through the astounding lives of animals with a guide to the exciting new tools that allow humans to avoid using or abusing animals as we once did. Whether it's medicine, product testing, entertainment, clothing, or food, there are now better options to all the uses animals once served in human life. We can substitute warmer, lighter faux fleece for wool, choose vegan versions of everything from shrimp to marshmallows, reap the benefits of animal-free medical research, and scrap captive orca exhibits and elephant rides for virtual reality and animatronics. Animalkind provides a fascinating look at why our fellow living beings deserve our respect, and lays out the steps everyone can take to put this new understanding into action.

A vision to address our environment, economy, politics, culture, and to catalyze the radical whole-system change we need now. Recasting current problems as emergent opportunities, Terry Patten offers creative responses, practices, and conscious conversations for tackling the profound inner and outer work we must do to build an integral future. In practical and personal terms, he discusses how we can all become active agents of a

transformation of human civilization and why that is necessary to our continued survival. Patten's narrative focuses on two aspects of existence--our dynamic but fractured and threatened world, and our underlying wholeness and unity. Only by honoring both of these realities simultaneously can we make sustainable changes in ourselves, our communities, our body politic, and our planetary life-support system. *A New Republic of the Heart* provides a comprehensive understanding and inspiring vision for "being the change" in a way that can address the most intractable problems of our time. Patten shows how we can come together in our communities for conversations that matter and describes new communities, enterprises, and forms of dialogue that integrate both inner personal growth work with outer awareness, activism, and service.

Overcoming Spiritual Discouragement EWTN Publishing

From two-time Newbery Honor and New York Times–bestselling author Kevin Henkes, this timeless novel about loss, loneliness, and friendship tells the story of the spring break that changes seventh-grader Amelia Albright's life forever. Amelia Albright dreams about going to Florida for spring break like everyone else in her class, but her father—a cranky and stubborn English professor—has decided Florida is too much adventure. Now Amelia is stuck at home with him and her babysitter, the beloved Mrs. O'Brien. The week ahead promises to be boring, until Amelia meets Casey at her neighborhood art studio. Amelia has never been friends with a boy before, and the experience is both fraught and thrilling. When Casey claims to see the spirit of Amelia's mother (who died ten years before), the pair embarks on an altogether different journey in their attempt to find her.

Using crisp, lyrical, literary writing and moments of humor and truth, award-winning author Kevin Henkes deftly captures how it feels to be almost thirteen. With themes of family, death, grief, creativity, and loyalty, *Sweeping Up the Heart* is for readers of Kate DiCamillo, Rebecca Stead, Lauren Wolk, Kimberly Brubaker Bradley, and Pam Muñoz Ryan.

Letterman HarperCollins

Argues that for the first time in history we're in a position to end extreme poverty throughout the world, both because of our unprecedented wealth and advances in technology, therefore we can no longer consider ourselves good people unless we give more to the poor. Reprint.

When Our Worlds Collide Versify

From the New York Times bestselling author of *Democracy Awakening*, "the most comprehensive account of the GOP and its competing impulses" (Los Angeles Times) When Abraham Lincoln helped create the Republican Party on the eve of the Civil War, his goal was to promote economic opportunity for all Americans, not just the slaveholding Southern planters who steered national politics. Yet, despite the egalitarian dream at the heart of its founding, the Republican Party quickly became mired in a fundamental identity crisis. Would it be the party of democratic ideals? Or would it be the party of moneyed interests? In the century and a half since, Republicans have vacillated between these two poles, with dire economic, political, and moral repercussions for the entire nation. In *To Make Men Free*, celebrated historian Heather Cox Richardson traces the shifting ideology of the Grand Old Party from the antebellum era to the Great Recession, revealing the insidious cycle of boom and bust

that has characterized the Party since its inception. While in office, progressive Republicans like Teddy Roosevelt and Dwight Eisenhower revived Lincoln's vision of economic freedom and expanded the government, attacking the concentration of wealth and nurturing upward mobility. But they and others like them have been continually thwarted by powerful business interests in the Party. Their opponents appealed to Americans' latent racism and xenophobia to regain political power, linking taxation and regulation to redistribution and socialism. The results of the Party's wholesale embrace of big business are all too familiar: financial collapses like the Panic of 1893, the Great Depression in 1929, and the Great Recession in 2008. With each passing decade, with each missed opportunity and political misstep, the schism within the Republican Party has grown wider, pulling the GOP ever further from its founding principles. Expansive and authoritative, *To Make Men Free* is a sweeping history of the Party that was once America's greatest political hope -- and, time and time again, has proved its greatest disappointment.

Weird! Del Rey

#1 NEW YORK TIMES BESTSELLER • Discover Jane Fonda, in her own words—and now experience the story of her life in the HBO documentary *Jane Fonda in Five Acts*. “To hold this book in your hands is to be astonished by how much living can be packed into sixty-plus years.”—Los Angeles Times America knows Jane Fonda as actress and activist, feminist and wife, workout guru and role model. In this extraordinary memoir, Fonda shows that she is

much more. From her youth among Hollywood's elite to her film career and her activism today, Fonda reveals intimate details and personal truths she hopes “can provide a lens through which others can see their lives and how they can live them a little differently.” Surprising, candid, and wonderfully written, *My Life So Far* is filled with insights into the personal struggles of a woman living a remarkable life. “In the process of writing this book I discovered there were clear, broad, even universal themes that ran through my life, a coherent arc to my journey that, if I could be truthful in the telling, might provide a road map for other women as they face the challenges of relationships, self-image, and forgiveness. What I did not anticipate was how my journey would also resonate with men.”—From the Introduction
This eBook includes the full text of the book plus the following additional content: • 50 new photos from Jane Fonda's personal and family archives, many often never seen in public • A free chapter from Jane Fonda's *Prime Time Praise for My Life So Far* “[A] sisterly, enveloping memoir . . . an intimate, haunting book that might as well be catnip from its ever controversial author.”—Janet Maslin, *The New York Times* “Terrific . . . rich . . . unexpectedly quite moving.”—*San Francisco Chronicle* “Fiercely intelligent, detailed, probing, rigorously revealing.”—*O: The Oprah Magazine* “Fonda possesses a raw and affecting candor. . . . Her honesty [is] a force.”—*The Philadelphia Inquirer* “A fearless book . . . fascinating.”—*Chicago Sun-Times* “Truly compelling.”—*The Atlanta Journal-Constitution* “Riveting.”—*Seattle Post-Intelligencer*
