Wake Up the  
Real You  
David C Cook  
Sooner or  
later, we all go

through our  
times of  
suffering and  
heartache,  
and the  
ancient story  
of Job offers  
timeless truth  
for us if we'll  
only listen.  
Now, in this

study guide to  
accompany  
Charles  
Swindoll's  
illuminating  
study of Job's  
life in the  
million-selling  
Great Lives  
series, readers  
will gain a new

understanding of the lessons to be learned from Job's story, and they will learn to develop their own heroic endurance. The Great Lives: Job Interactive Study Guide includes the following features: Digging Deeper: deeper insight into aspects of Christian belief and practice covered in the book Great Lives: Job Taking Truth to Heart: Personal reflection and application In	Other Words: Practical, applicable quotes from various authors, along with interactive questions to help readers absorb and apply the truth from each quote Treasures from the Text: Teaching, application and reflection to help readers glean important principles from God's Word Nuggets of Wisdom: Powerful application points to help connect to Chuck Swindoll's	teaching <u>An Interactive Workbook for Individual or Small-Group Study</u> Standing Near the Cross Incorporated As infants who only understood oneness with the mother, we were surrounded by people, attitudes, traumas, relationship dynamics and all manner of parental projections with which we identified. We, therefore, hung our name tags on our parents' old unresolved and projected

"stuff" in certain prescribed ways that formed a mask and a costume meant especially for us. Though we were mistaken in donning the mask and costume laid out for us, this mistake kept us attached to our caregivers, and/or helped us survive sometimes horrendous childhoods. But our survival technique has now become the albatross around our necks, while we walk the

planks laid out for us by the roles we play. Do we imagine that our problems are really the result of some external force? Again, we are mistaken. Most of the problems that we have today have come about as a result of the role we play, its script and the choices we have made out of that identity. The solution lies in finding the Authentic Self. And yet, our world teaches us that finding the Authentic Self is, at best,

a well-guarded secret passage of mythical proportions, and at worst, wasted time and effort, for it simply cannot be done. If we believe that, we are mistaken yet again. Not only is it possible to find and begin to live out of our authenticity, but it is the most hopeful journey we will ever take. It offers us the potential of a lasting peace, and yes, even joy. Working the pages of

this book offers a practical yet deeply spiritual guide to finding and living the Authentic Self. **The Workbook of Living Prayer** Upper Room From New York Times Best-Selling author Francis Chan comes fresh insight into the love of God. Chan's new thoughts and reflections on God's love in Living Crazy Love allows the book to stand alone or be used as a companion to Crazy Love.

This ten-week in-depth study of God's character helps readers embrace God's intense, relentless love and watch that love transform every aspect of their being. Designed for individuals or small groups, this study includes weekend retreat options and tips for small group leaders. However readers choose to use this book, Francis Chan's thought-provoking teaching will help them

pursue God as they never have before, digging deep into their thoughts and beliefs about the love of God and how that love should impact their lives. After all, the spiritual journey is about so much more than what Christians have made it to be—and once they truly encounter God's love, they will never be the same. WorkbookThe Art and Science of Reading the Bible Are you tired of living in fear? You know that great potential lies within you but you are too afraid to move forward. You know that there is a bright future ahead of you but you are concerned with what people will think. You know that God is calling you to do something great but because you cannot see the full picture, you

fearfully stand still. In this Releasing the Fear and Walking in Faith, Ranelli Williams shares biblical truths and practical steps to help you conquer your fears and step out on faith into a world of bright hope, contentment, joy, peace, love, and prosperity. Further, in this revised and expanded version, Ranelli has invited individuals to share their personal testimonies of faith and the light and

Is there someone God has laid on your heart that you've been unable

to reach with traditional methods? When sharing the gospel with your children, grandchildren, coworkers, and neighbors, does it feel like you are walking in a foreign land? If you said, yes, you have found your guide. Cheri Cowell reveals the cultural and relational differences making traditional faithsharing ineffective with this current generation, and then provides a

solution as ancient as the Scriptures, yet as fresh (and refreshing) as today's news. What is this new/old way? Through a fictional story thread running through each chapter, you will be introduced to an ancient/future way of sharing The Story. Here, you will meet eight people just like those you long to reach with the lifegiving message of Christ, and six people who speak this new language

of faith. Alongside these stories, you will also hear The Story retold as it relates directly to the needs of these eight and, likewise, to those in your own life.
