BAKER MAHONEY

The Seeker Redemption Press

In his book *In Search of the Beginning* pastor and author Dean Davis provides seekers with an in-depth introduction to cosmology: the study of the origin, structure, purpose, and final goal of the universe. For a number of reasons, this book is unique. Putting first things first, it begins by exploring the proper method for arriving at solid cosmological truth. Secondly, it examines the main modern options in cosmology, looking closely at naturalistic, pantheistic, and theistic views. Finally, it surveys and defends the traditional biblical cosmology, paying special attention to biblical teaching on cosmic geo-centrism and recent creation. *In Search of the Beginning* is not like any other book on cosmology you have ever read: informed, readable, spiritually minded, and at times even poetic. But above else, it is a book that actually goes somewhere: back to the beginning, and to the One who began it all.

Let Go of What's Holding You Back So You Can Live the Life You Were Made For Ballantine Books

Having been rejected by the Nomana--the revered warrior-monk order they long to join--sixteen-year-olds Seeker and Morning Star, along with a curious pirate named Wildman, attempt to prove that they are worthy of joining the community, after all.

The world around us is changing. While everything familiar and dependable seem to fall apart, we tend to question our beliefs about life. What is life? Who

am I? How do I face the uncertainties of life? Will I be able to overcome the problems that look impossible to me? A 'Seeker' is a person who wants to find the answers to these questions and sets out to find them. A seeker wants to know the truth for himself/ herself and will not settle until they find it. *The Seeker - 1* was written to meet the need each person has to reach the truth. It is a tool to help you move forward. This book will strengthen your desire to reach the truth and inspire you to continue this journey till you get there. The author had to grapple with being rejected at birth for being a girl, suffering due to loneliness and lack of confidence, feeling suicidal and having to start life over again after everything fell apart. In her journey she came across many precious nuggets of truth in the Bible that she shares in this book. She hopes that these writings will help a lost or confused seeker find his/ her way home and reach a place of peace in their lives.

Wonder Seeker Houghton Mifflin Harcourt

We are witnessing an unprecedented technological revolution. Every sphere of life from communications, work, economy, leisure, our homes, and health care is being digitised. These far-reaching changes demand careful consideration and discernment by churches participating in God's redemptive work around the world. Digitalization of society is radically changing both the methods and conditions of missions. For the first time, this book explores the implications of digitality for *Missio Dei* in thought and practice. Bringing together theologians, missiologists, computer scientists and practitioners, the book considers a diverse range of topics from evangelism to pastoral care, cyber pilgrimages to

biases in algorithms, public theology to homiletics and inculturation to contextualization. Chapters include: Worship, Community and Missio Dei in a Digital Age - Maggie Dawn Finding Jesus Online: Digital Evangelism and the Future of Christian Mission - Steve Hollinghurst 'Digital Inculturation - Katherine G. Schmidt Mission: An adventure of the (digital) imagination - Jonny Baker Interactive technologies, Missio Dei and grassroots activism - Erkki Sutinen Strategic and Pastoral Reflections on Digital Media and Contemporary Spirituality - John Drane Public Faith, Shame, and China's Social Credit System - Alexander Chow

Maze Activity Book Penguin UK
A New York Times Bestseller A New York Times and NPR Best Book of 2020 "This hushed suspense tale about thwarted dreams of escape may be her best one yet...its own kind of masterpiece." -- Maureen Corrigan, The Washington Post A "taut, chiseled and propulsive" (Vogue) new novel from the bestselling mystery writer who "is in a class by herself." (The New York Times) Cal Hooper thought a fixer-upper in a bucolic Irish village would be the perfect escape. After twenty-five years in the Chicago police force and a bruising divorce, he just wants to build a new life in a pretty spot with a good pub where nothing much happens. But when a local kid whose brother has gone missing arm-twists him into investigating, Cal uncovers layers of darkness beneath his picturesque retreat, and starts to realize that even small towns shelter dangerous secrets. "One of the greatest crime novelists writing today" (Vox) weaves a masterful, atmospheric tale of suspense, asking what we sacrifice in our search for truth and justice, and what we risk if we don't.

Individual Motion and Swarm Dynamics

HarperCollins

Charlotte Vance is a young woman who knows what she wants. But when the man she planned to marry joins the Shakers--a religious group that does not marry--she is left dumbfounded. And when her father brings home a new wife who is young enough to be Charlotte's sister, it is more than she can bear. With the country--and her own household--on the brink of civil war, this pampered gentlewoman hatches a plan to avoid her new stepmother and win back her man by joining the Shaker community at Harmony Hill. Little does she know that this decision will lead her down a road toward unforeseen peace--and a very unexpected love. Ann H. Gabhart brings alive the strikingly different worlds of the Southern gentry, the simple Shakers, and the ravages of war to weave a touching story of love, freedom, and forgiveness that sticks with readers long after they have turned the last page.

Are you a seeker, wondering if there's a God, or struggling to find purpose in your life? Are you a Christian, glad to be one but distressingly uncertain about what you really believe and why you believe it? If so, this book is for you. Yes, it's big, incorporating equal parts of Philosophy, Apologetics, and Systematic Theology. But it's also warm and readable, full of charts, diagrams, story, adventure, and the joy of discovery. Over a decade in the writing, "The Test" is a heartfelt invitation to seekers everywhere (especially the young), that they should embark--with a sympathetic companion at their side--upon the ultimate journey to the ultimate destination: the meaning of life.

A bloody murder. An open and shut case? In Oliver Cromwell's London, nothing is as it seems - Captain Damian Seeker must battle to find justice, when an innocent man's life hangs in the balance. 'Challenges CJ Sansom for dominion of historical crime' Sunday Times 'The best historical crime novel of the year' Sunday Express London, 1654. Oliver Cromwell is at the height of his power and has declared himself Lord Protector. Yet he has many enemies, at home and abroad. London is a complex web of spies and merchants, priests and soldiers, exiles and assassins. One of the web's most fearsome spiders is Damian Seeker, agent of the Lord Protector. No one knows where Seeker comes from, who his family is, or even his real name. All that is known of him for certain is that he is utterly loyal to Cromwell, and that nothing can be long hidden from him. In the city, coffee houses are springing up, fashionable places where men may meet to plot and gossip. Suddenly they are ringing with news of a murder. John Winter, hero of Cromwell's all-powerful army, is dead, and the lawyer, Elias Ellingworth, found standing over the bleeding body, clutching a knife. Yet despite the damning evidence, Seeker is not convinced of Ellingworth's guilt. He will stop at nothing to bring the killer to justice: and Seeker knows better than any man where to search.

A Mystery at Walden Pond Weiser Books
"A beautifully rendered epic journey

The novel works on many levels and excels at them all." —New York Journal of Books In this captivating and surprising novel of spiritual discovery—a No. 1 bestseller in India—a young American travels to India and finds himself tested physically, emotionally, and spiritually. Max Pzoras is the poster child for the American Dream. The child of Greek immigrants who grew up in a dangerous New York housing project, he triumphed over his upbringing and became a successful Wall Street analyst. Yet on the frigid December night he's involved in a violent street scuffle, Max begins to confront questions about suffering and mortality that have dogged him since his mother's death. His search takes him to the farthest reaches of India, where he encounters a mysterious night market, almost freezes to death on a hike up the Himalayas, and finds himself in an ashram in a drought-stricken village in South India. As Max seeks answers to questions that have bedeviled him—can yogis walk on water and live for 200 years without aging? Can a flesh-and-blood man ever achieve nirvana?—he struggles to overcome his skepticism and the pull of family tugging him home. In an ultimate bid for answers, he embarks on a dangerous solitary meditation in a freezing Himalayan cave, where his physical and spiritual endurance is put to its most extreme test. By turns a gripping adventure story and a journey of tremendous inner transformation, *The Yoga of Max's Discontent* is a contemporary take on man's classic quest for transcendence.

One of our most iconic childhood games receives a creepy twist as it becomes the gateway to a nightmare world.

Journey of a Broken Seeker Scholastic Inc.

Hermann Hesse, the author, has narrated a lot about Siddhartha and his spiritual journey. A lot has been discussed about Siddhartha. He is loved by everyone. He is a source of joy for everybody, but he, Siddhartha, is not a source of joy for himself, he finds no delight in himself. Siddhartha has started to nurse discontent in himself, he has started to feel that the love of his father and his mother, and love of his friend, will not bring him joy forever and ever, will not nurse him, freed him, satisfy him. Siddhartha has many queries in his mind like as, "Do the sacrifices give a happy fortune?", "What about the Gods?", "Was it really Prajapati who had created the world?" "Was it not the Atman, the singular one?" Siddhartha meets his father and says, "With your permission, my father, I have come to tell you that it is my longing to leave your house tomorrow and go to ascetics. My desire is to become a Samara." His father says-"You will go into the go forest and be a Samara, when you will find blissfulness in the forest, come back and teach me to be blissful." This is just an excerpt, the whole book consists of spiritualistic way of narration, thus becomes interesting one. Once you start reading can't resist to leave the book in the mid.

Everyday Conversations with Thomas Merton Penguin

When a new family moves in next door, Joe's mum explains that they are asylum seekers. Joe hears that they are silence seekers, especially as Mum adds that they need peace and quiet. When he sees a young boy from the family sitting disconsolately on the steps, Joe decides to help him find a quiet place in the noisy and chaotic city. A simple, moving

story which is the perfect way to gently open discussion around the refugee crisis.

Light Upon Light BoD – Books on Demand

One of the greatest spiritual teachers of the twentieth century shares his wisdom about building loving relationships in *Intimacy: Trusting Oneself and the Other*. "Hit-and-run" relationships have become common in our society as it has grown more rootless, less tied to traditional family structures, and more accepting of casual sex. But at the same time, there arises an undercurrent of feeling that something is missing—a quality of intimacy. This quality has very little to do with the physical, though sex is certainly one possible door. Far more important is a willingness to expose our deepest feelings and vulnerabilities, with the trust that the other person will treat them with care. Ultimately, the willingness to take the risk of intimacy has to be grounded in an inner strength that knows that even if the other remains closed, even if that trust is betrayed, we will not suffer any permanent damage. In this gentle and compassionate guide, Osho takes his readers step-by-step through what makes people afraid of intimacy, how to encounter those fears and go beyond them, and what they can do to nourish themselves and their relationships to support more openness and trust. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the *Sunday Times of London* as one of the "1000 Makers of the 20th Century" and by *Sunday Mid-Day (India)* as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny

of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

Join award-winning author Phil Cousineau for a sacred journey around the globe. First published in 1998 and updated with a new preface by the author, *The Art of Pilgrimage* is a sacred travel guide in book form that is full of inspiration for the spiritual traveler. Award-winning writer and filmmaker and host of the acclaimed *Global Spirits* series seen on PBS and Link TV, Phil Cousineau weaves stories, myths, parables, and quotes from famous travelers with practical suggestions and accounts of modern-day pilgrims to show that there is something sacred waiting to be discovered in virtually every journey. Connecting these voices is a series of meditations that suggest different ways to practice what pilgrims and poets have done for centuries, to see with the "eyes of the heart." With over 70 illustrations, this book is for the traveler who longs for something more than diversion and escape. *The Art of Pilgrimage* shows that every journey can be sacred, soulful, and transformative if it is undertaken with a desire for spiritual risk and renewal. Whether traveling to Mecca or Memphis, Stonehenge or Cooperstown, one's journey becomes meaningful when the traveler's heart and imagination are open to experiencing the sacred.

The Seeker and the Finding Gildan Media LLC aka G&D Media

A woman in the audience once handed Elvis a crown saying, "You're the King." "No, honey," Elvis replied. "There is only one king — Jesus Christ. I'm just a singer." Gary Tillery presents a coherent view of Elvis's thoughts through such anecdotes and other recorded facts. We learn, for instance, that Elvis read thousands of books on religion; that his crisis over making bimbo movies like *Girl Happy* led him to writers such as Gurdjieff, Krishnamurti, and Helena Blavatsky; and that, while driving in Arizona, an epiphany he had inspired him to learn Hindu practice. Elvis came to believe that the Christ shines in everyone and that God wanted him to use his light to uplift people. And so he did. Elvis's excesses were as legendary as his generosity, yet, despite his lethal reliance on drugs, he remained ever spiritually curious. When he died, he was reading *A Scientific Search for the Face of Jesus*. This intimate, objective portrait inspires new admiration for the flawed but exceptional man who said, "All I want is to know and experience God. I'm a searcher, that's what I'm all about."

Hide and Seeker Independently Published

What is life when seeking ends? Just what is, nothing more or less— an ordinary person doing ordinary things, not wishing to be more or less, content to simply be herSelf. —Dorothy Hunt, *Only This* Do you ever feel as if your spiritual search is getting you nowhere? That despite sincere intention and effort, you're reaping frustration instead of fruit? In *Ending the Search*, Dorothy Hunt unravels a dilemma that has vexed countless people on a spiritual path. "You may have tried all manner of practices, meditation, guru shopping, chanting, prayer, and still you have not attained your heart's desire," she writes.

“This book is about the ego’s spiritual ambition, its search for its idea of ‘enlightenment,’ its struggles and its eventual fate as seeker becomes the sought.” Ending the Search explores the deep spiritual impulse to awaken and the ways a future-focused mind “co-opts” or veils what is timelessly free, loving, and ever present. Dorothy invites us to follow our longing for truth, love, or enlightenment back to their source—the Heart that is beckoning us beyond separation. While describing and honoring different practices and paths taken in one’s search for Truth, she emphasizes the practice of self-inquiry as taught by Ramana Maharshi. We are invited to search not for an idea of something “out there,” but for the true identity of the seeker, the unnamable Mystery that is compassionately aware, existing right now in each of us. The book also looks at the processes of embodiment and surrender, the need for “ruthless honesty” without self-judgment, and in its concluding section, shares a vision of life lived authentically. “The spiritual search is a call to remember who or what you essentially are,” explains Dorothy Hunt. “What ends the search is actually present from the very beginning, beckoning you to come Home. In truth, you are what you seek, yet you must make the discovery for yourself.” This is your invitation, with Ending the Search. Highlights: • The nature of spiritual ambition • When practice becomes problematic • How the thinking mind separates us from the moment • Silence and stillness, our greatest teachers • Ego and the trance of separation • The human heart as a doorway to the infinite • The freedom of Presence • The price of Realization • Gurus, spiritual teachers, and charlatans • Undoing core egoic beliefs • Resting

the mind in the Heart of Awareness
The Seeker Bloomsbury Publishing USA
 The fate of the queendom rests in her hands. One month has passed since Valor broke her twin sister Sasha out of jail. But the girl responsible for her imprisonment, Princess Anastasia, has gone missing, and Valor still longs for justice. So when the queen, desperate to find her daughter, asks Valor and Sasha to track Anastasia down, they don't hesitate to accept the perilous assignment. But just as the girls team up with old friends to embark on the search, the queen vanishes without a trace. If Valor can't restore the rightful ruler, she risks getting sent back to prison . . . and tearing her newly reunited family apart. Relying on her own instincts-and some allies she can't quite trust-Valor must navigate twisting city streets, bustling docks, and hidden passages to foil Anastasia' nefarious plot before it's too late. Set once again in the icy and dangerous queendom of Demidova, Ruth Lauren sweeps readers on another unforgettable adventure alongside an equally unforgettable heroine.

 “The PERFECT guide to help us slow down and find the beauty and wonder right in front of us.”—Brené Brown Spark your sense of wonder and lift your spirits with this collection of fun, creative activities and ideas to help cultivate daily joy, illustrated with full-color photographs, artful watercolors, and inspiring stories. Do you remember the first time you saw the night sky blanketed in stars? Or that feeling of magic when you found your first sand dollar on the beach? Maybe it’s when you rode a bicycle for the first time and it felt like flying. Wonder taps us into the joy of being alive, opening our eyes to how much beauty there is in the world

and how life can surprise us in the most delightful of ways. Wonder Seeker reminds us that no one is too busy (or too old) to experience daily gratitude and delight. Filled with 52 fun, easy, and incredibly creative prompts and activities, this guide to joy helps us to step out of our ordinary lives, even for just a moment or two each day, to witness the magic all around us. Andrea provides simple practices that bridge creativity and mindfulness and allow the imagination to play. These activities can be done anywhere and can be enjoyed solo, or with friends, family, and even

strangers. The fun activities and suggestions in Wonder Seeker include: Taking a curiosity walk Writing a banana love note Going on a wonder date Writing a paint chip poem Hosting a bubble flash mob Making a wish tree Choosing a superhero name And much, much more! As Andrea makes clear, you don't need to be an artist or consider yourself "creative." All you need is an open heart and a clear intention to find wonder and awe. It will renew your creative spirit, remind you of the marvels around you, and make your soul sing. Reclaim your inner happiness—let Wonder Seeker show you how.
