CHURCH SHANE

Taylor & Francis

Focusing solely on well-known religions is an approach that impoverishes religious studies. Rather, this book introduces the diverse religious experience of Africans, Native Americans, and the indigenous peoples of Australia, providing a

comprehensive introduction to the study of religion and broadening the horizons of religious studies students.

The Aussie Hindu Monk Upper Room Books

The body of the law is an ambiguous phrase. Conventionally, it designates the law as a determinate corpus; legal codes, statutes, and the rulings of common law. But it can also refer to the subjected body that is produced by and is part of the law. This subjected body is necessary for the law's existence. Thinking Through the

Body of the Law reconceives the role of the body in the founding, maintaining, and regulation of our legal systems and social order and elaborates on its implications for issues of legal responsibility and justice. Taking into account and sometimes challenging the tenets of critical legal theory, critical race theory, and feminist jurisprudence, these essays examine the body and the law as they relate to surrogacy, the Holocaust, land-rights for Aboriginals, murder, the media and

insanity, taxation, genetic engineering, and sexy dressing and sexual harassment.

Introduction to Religious Studies

Himalayan Academy Publications

This pioneering book is the first full-length study of the matha, or Hindu monastery, which developed in India at the turn of the first millennium. Rendered monumentally in stone, the matha represented more than just an architectural innovation: it signaled the institutionalization of asceticism into a formalized monastic practice, as well as the emergence of the guru as an influential public figure. With entirely new primary research, Tamara I. Sears examines the architectural and archaeological histories of six little-known monasteries in Central India and reveals the relationships between political power, religion, and the production of sacred space. This important work of scholarship features scrupulous original measured drawings, providing a vast amount of new material and a much-needed contribution to the fields of Asian art, religious studies, and cultural history. In introducing new categories of architecture, this book illuminates the potential of buildings to reconfigure not only social and ritual

relationships but also the fundamental ontology of the world.

The Contemplative Life Univ of South Carolina Press

Hindu Monastic Life Manohar Publishers
A Monk in the World Advaita Ashrama (A publication branch of Ramakrishna Math, Belur Math)

This study analyzes the role of asceticism, icons, and the guru in South India. Tracing the development of Hindu monastic orders, the author analyzes the growth of these institutions from educational establishments to centers of traditional socio-religious authority, centering her argument on the phenomenon of guru whole-body relics.--Sthaneshwar

Timalsina, San Diego State University
Life in Indian Monasteries Advaita Ashrama (A Publication House of Ramakrishna Math, Belur Math)

Describes the daily life of monks and nuns living in monasteries in the Middle Ages, covering such activities as prayer, reading and writing, book making, and hygiene.

How to Become a Hindu Taylor & Francis

"A history-making manual, interreligious study and names list, with stories by

Westerners who entered Hinduism and Hindus who deepened their faith"--Cove

A Comparative Sociology of World Religions

Troubador Publishing Ltd

Every religion provides for monastics.

Monasticism may be a way of life only for a few, but the spirit of monasticism must animate the soul of every spiritual seeker. This collection of essays explains the ideals of monasticism and its practice in various eastern and western traditions. Contributors include: Swamis Vivekananda, Lokeshwarananda, and Swahananda along with western writers Stuart Elkman and Father Gregory Elmer, O.S.B. These articles were originally published in the 1990 Special Number of the Vedanta Kesari and are now presented in book form so that its message may reach a wider audience.

Hinduism For Dummies Manohar Publishers

A Monk's Tale chronicles the life of Philip Johnson (later named Muni Natarajan) as he meets his spiritual teacher, Subramuniaswami, affectionately known as Gurudeva, and spends 37 years living as a monk, practicing an ancient and traditional system of yoga. As a story that

is true, fascinating and full of much more adventure than one might expect from a monk's tale, this book provides a candid, behind-the-scenes look at a modern-day yogic lifestyle that is still thriving today within the walls of the first and only fully orthodox Hindu monastery in the West. A Monk's Tale is also a story about Gurudeva, the beloved Sat Guru and spiritual head of Kauai's Hindu Monastery, the founder of the international magazine, Hinduism Today, and the winner of the U Thant Peace award in the year 2000.

Hindu-Christian Dialogue Motilal Banarsidass Publishe

First Published in 1959, Hinduism written specifically for the modern readers describes and interprets one of the world's chief religions. For thousands of years Indian sages have speculated on man, creation, and the universe. One result has been an astonishing amount of myth and ritual, of art, asceticism, and philosophy. Swami Nikhilananda provides a brief account of Hinduism in both its theoretical and its practical aspects. It is written mainly from the point of view of non-dualism which the author argues is the highest achievement of India's mystical

insights and philosophical speculation, and her real contribution to world culture. The volume deals with themes like Hindu Ethics; Karma-Yoga; Bhakti-Yoga; Jnana-Yoga; Raja-Yoga; and Tantra. This complete survey of Hindu beliefs and customs is indispensable for scholars and researchers of Hinduism, religion, Indian philosophy, Indian culture, and heritage.

Hinduism Hindu Monastic Life

In *A Monk in the World*, Teasdale explores what Griffiths' charge has meant for him -- to live as a monk outside the monastery, to integrate teachings from the world's religions with his own Catholic training, to combine his vigorous spiritual practice with the necessities of making a living and pursuing a course of social justice in a big American city--as well as how readers can find their own spiritual path amidst the rigors of everyday life. Along the way, Teasdale explores the real world topics of friendship; time, work, and money; the problem and opportunity of the homeless; a contemplative understanding of suffering; the struggle to promote personal and social change; as well as the as the role of the church and nature in building spiritual understanding. Building

on the success and insights of his first book, *The Mystic Heart*, Teasdale gives a compelling glimpse of the unique spiritual path he has followed, and how everyone can find their own internal monastery and bring spiritual practice into their busy lives.

Buddhist Monks and Monasteries of India
BRILL

The book focuses on the problems faced by modern societies and offers answers that can bring about a transformation by which all can benefit. It sets out principles that are simple to practice with immediate effect in changing our attitude and behaviour pattern.

Hindu Monastic Life Sri Ramakrishna Math
Yoga. Karma. Reincarnation. Most Americans are familiar with a few basic ideas of Hinduism, but are unfamiliar with the big picture. This beginner's guide covers the major Hindu thinkers and their philosophies as well as the dharma, the moral way of life that Hindus practice. In a straightforward style, the authors explain the philosophy, gods, texts, and traditions of the world's third-largest religion, including: the power of karma; Yoga as a path to God; the authority of the Vedas;

the development of Jainism, Buddhism, and Sikhism; the legacy of Mohandas Gandhi; Hinduism in popular culture; and more. This guide is stimulating reading for westerners who want to learn the basics of this ancient and mystic religion.

Encyclopedia of Monasticism: A-L Crabtree Publishing Company

On the monastic life of Americans belonging to the religious order of Ramakrishna, 1836-1886, Hindu saint.

The Bhagavad Gita John Wiley & Sons
Your hands-on guide to one of the world's major religions The dominant religion of India, "Hinduism" refers to a wide variety of religious traditions and philosophies that have developed over thousands of years. Today, the United States is home to approximately one million Hindus. If you've heard of this ancient religion and are looking for a reference that explains the intricacies of the customs, practices, and teachings of this ancient spiritual system, *Hinduism For Dummies* is for you! Provides a thorough introduction to this earliest and popular world belief system Information on the rites, rituals, deities, and teachings associated with the practice of Hinduism Explores the history and

teachings of the Vedas, Brahmins, and Upanishads Offers insight into the modern daily practice of Hinduism around the world Continuing the *Dummies* tradition of making the world's religions engaging and accessible to everyone, *Hinduism For Dummies* is your hands-on, friendly guide to this fascinating religion.

Christian Ashrams, Hindu Caves and Sacred Rivers New World Library

This is the extraordinary true tale of a middle-class, gay American's path to encounters with the Great Mystery that is God/dess/Self. The way to the Great Unknown was intricately intertwined with his humanity with all its foibles, and with human relationships. Therefore this story has to include those relationships, revealing ultimately how a one's personal identity and relationships become vehicles for enlightenment. This inspiring account of struggle, travel to exotic lands, suffering, and transcendence holds out hope for anyone who has ever felt outcaste, broken, or unworthy, demonstrating for our modern times that enlightenment lies within reach of us all. *Encyclopædia of Religion and Ethics: Life and death-Mulla* Dog Ear Publishing

First published in 2000. Routledge is an imprint of Taylor & Francis, an informa company.

Monasticism - Ideal and Traditions NYU Press

This book surveys both the part women have played in Buddhism historically and what Buddhism might become in its post-patriarchal future. The author completes the Buddhist historical record by discussing women, usually absent from histories of Buddhism, and she provides the first feminist analysis of the major concepts found in Buddhist religion. Gross demonstrates that the core teachings of Buddhism promote gender equity rather than male dominance, despite the often sexist practices found in Buddhist institutions throughout history.

God's Dog: Memories, Confessions, Dreams & Revelations of a Modern Mystic Yale University Press

The *Encyclopedia of Religious and Spiritual Development* is the first reference work to focus on the developmental process of religion and spirituality across the human life span. Spiritual development is an important part of human development that has links to identity development, moral

development, and civic engagement. This innovative Encyclopedia offers insight into the characteristics of people and their contexts that interact to influence religious and spiritual development over time. Editors Elizabeth M. Dowling and W.

George Scarlett provide readers with glimpses into the religious and spiritual developmental trajectories of people from all over the world, from many different religious and spiritual backgrounds.
