A Drop of Chinese

Blood Public Affairs
A gripping and original account of how the Civil War began and a second American revolution unfolded, setting Abraham Lincoln on the path to greatness and millions of slaves on the road to freedom. An epic of courage and heroism

beyond the battlefields, 1861 introduces us to a heretofore little-known cast of Civil War heroes—among them an acrobatic militia colonel, an explorer's wife, an idealistic band of German immigrants, a regiment of New York City firemen, a community of Virginia slaves, and a young college professor who would one day become president. Their stories take us from the

corridors of the White House to the slums of Manhattan, from the waters of the Chesapeake to the deserts of Nevada, from Boston Common to Alcatraz Island, vividly evoking the Union at its moment of ultimate crisis and decision. Hailed as "exhilarating....Inspiring...Irresistible..." by The New York Times Book Review, Adam Goodheart's bestseller 1861 is an important addition to the Civil War canon. Includes black-and-white photos and illustrations.

The Empty Mirror

Biota Publishing
 "TO READ THEM IS TO LOVE THEM" --The Oklahoman "DE CASTELL HAS MANAGED YET AGAIN TO TOP HIS PREVIOUS BOOK BY CREATING WHAT WILL SURELY BE

ONE OF THE BEST FANTASY BOOKS OF THE YEAR." --Tattooed Book Geek The Greatcoats are back-- and this time it's personal. How do you kill a Saint? Falcio, Kest, and Brasti are about to find out, because someone has figured out a way to do it and they've started with a friend. The Dukes were already looking for ways out of their agreement to put Aline on the throne, but with the Saints turning up dead, rumors are spreading that the Gods themselves oppose her ascension. Now churches are looking to protect themselves by bringing back the military orders of religious soldiers, assassins, and (especially) Inquisitors - a move that could

turn the country into a theocracy. The only way Falcio can put a stop to it is by finding the murderer. He has only one clue: a terrifying iron mask which makes the Saints vulnerable by driving them mad. But even if he can find the killer, he'll still have to face him in battle. And that may be a duel that no swordsman, no matter how skilled, can hope to win.

 Phlebotomy uses large, hollow needles to remove blood specimens for lab testing or blood donation. Each step in

the process carries risks - both for patients and health workers. Patients may be bruised. Health workers may receive needle-stick injuries. Both can become infected with bloodborne organisms such as hepatitis B, HIV, syphilis or malaria. Moreover, each step affects the quality of the specimen and the diagnosis. A contaminated specimen will produce a misdiagnosis. Clerical errors can prove fatal. The new WHO guidelines provide recommended steps for safe phlebotomy and reiterate accepted principles for drawing, collecting blood and transporting blood to laboratories/blood banks.

In the tradition of Wills's "Lincoln at Gettysburg, Lincoln's Greatest Speech" combines impeccable scholarship and lively, engaging writing to reveal the full meaning of one of the greatest speeches in the nation's history.

War Comes to Willy Freeman Minotaur Books

From #1 New York Times bestselling author Jennifer L. Armentrout comes a new novel in her Blood and Ash series... Is Love Stronger Than Vengeance? A Betrayal... Everything Poppy has ever believed in is a lie, including the man she was falling in love with. Thrust among those who see her as a symbol of a monstrous kingdom, she barely knows who she is

without the veil of the Maiden. But what she does know is that nothing is as dangerous to her as him. The Dark One. The Prince of Atlantia. He wants her to fight him, and that's one order she's more than happy to obey. He may have taken her, but he will never have her. A Choice.... Casteel Da'Neer is known by many names and many faces. His lies are as seductive as his touch. His truths as sensual as his bite. Poppy knows better than to trust him. He needs her alive, healthy, and whole to achieve his goals. But he's the only way for her to get what she wants—to find her brother Ian and see for herself if he has become a soulless Ascended. Working with Casteel instead of

against him presents its own risks. He still tempts her with every breath, offering up all she's ever wanted. Casteel has plans for her. Ones that could expose her to unimaginable pleasure and unfathomable pain. Plans that will force her to look beyond everything she thought she knew about herself—about him. Plans that could bind their lives together in unexpected ways that neither kingdom is prepared for. And she's far too reckless, too hungry, to resist the temptation. A Secret... But unrest has grown in Atlantia as they await the return of their Prince. Whispers of war have become stronger, and Poppy is at the very heart of it all. The King wants to use her to

send a message. The Descenters want her dead. The wolveren are growing more unpredictable. And as her abilities to feel pain and emotion begin to grow and strengthen, the Atlantians start to fear her. Dark secrets are at play, ones steeped in the blood-drenched sins of two kingdoms that would do anything to keep the truth hidden. But when the earth begins to shake, and the skies start to bleed, it may already be too late.

1861 SIU Press

The first book in an epic new series about a princess hiding a dark secret and the con man she must trust to clear her name for her father's murder. In the Cyrilian Empire, Affinites are reviled. Their varied gifts to control the world

around them are unnatural—dangerous. And Anastacya Mikhailov, the crown princess, has a terrifying secret. Her deadly Affinity to blood is her curse and the reason she has lived her life hidden behind palace walls. When Ana's father, the emperor, is murdered, her world is shattered. Framed as his killer, Ana must flee the palace to save her life. And to clear her name, she must find her father's murderer on her own. But the Cyrilia beyond the palace walls is far different from the one she thought she knew. Corruption rules the land, and a greater conspiracy is at work—one that threatens the very balance of her world. And there is only one

person corrupt enough to help Ana get to its core: Ramson Quicktongue. A cunning crime lord of the Cyrilian underworld, Ramson has sinister plans—though he might have met his match in Ana. Because in this story, the princess might be the most dangerous player of all. “Cinematic storytelling at its best.”—Adrienne Young, *New York Times* bestselling author of *Sky in the Deep* and *The Girl the Sea Gave Back* “Zhao shines in the fast-paced and vivid combat scenes, which lend a cinematic quality that pulls readers in.”—*The New York Times Book Review* “Zhao is a master writer who weaves a powerful tale of loyalty, honor, and

courage through a strong female protagonist. . . . Readers will love the fast-paced energy and plot twists in this adventure-packed story.”—SLJ

WHO Guidelines on Drawing Blood

TEACH Services, Inc. In this succinct study, Edna Greene Medford examines the ideas and events that shaped President Lincoln’s responses to slavery, following the arc of his ideological development from the beginning of the Civil War, when he aimed to pursue a course of noninterference, to his championing of slavery’s destruction before the conflict ended. Throughout, Medford juxtaposes the president’s motivations for advocating freedom with the aspirations of

African Americans themselves, restoring African Americans to the center of the story about the struggle for their own liberation. Lincoln and African Americans, Medford argues, approached emancipation differently, with the president moving slowly and cautiously in order to save the Union while the enslaved and their supporters pressed more urgently for an end to slavery. Despite the differences, an undeclared partnership existed between the president and slaves that led to both preservation of the Union and freedom for those in bondage. Medford chronicles Lincoln’s transition from advocating gradual abolition to campaigning for

immediate emancipation for the majority of the enslaved, a change effected by the military and by the efforts of African Americans. The author argues that many players—including the abolitionists and Radical Republicans, War Democrats, and black men and women—participated in the drama through agitation, military support of the Union, and destruction of the institution from within. Medford also addresses differences in the interpretation of freedom: Lincoln and most Americans defined it as the destruction of slavery, but African Americans understood the term to involve equality and full inclusion into American society. An

epilogue considers Lincoln's death, African American efforts to honor him, and the president's legacy at home and abroad. Both enslaved and free black people, Medford demonstrates, were fervent participants in the emancipation effort, showing an eagerness to get on with the business of freedom long before the president or the North did. By including African American voices in the emancipation narrative, this insightful volume offers a fresh and welcome perspective on Lincoln's America. Lincoln and Slavery Vintage

The last words Ash hears her mother say are, "When you fall in love, you will carve out your heart and throw it

into the deepest ocean. You will be all in—blood and salt.” Determined to find her mother when she disappears, Ash follows her to Quivara, Kansas, the spiritual commune she escaped long ago. But something sinister and ancient waits among the rustling cornstalks of this village lost to time. Her mother is nowhere to be found, but Ash is plagued by memories of her ancestor, Katia, which harken back to the town’s history of unrequited love, murder, alchemy, and immortality. Charming traditions give way to a string of deaths. And Ash feels herself drawn to Dane, a mysterious, forbidden boy with secrets of his own. As the community prepares for a ceremony five hundred

years in the making, Ash fights to save her mother, her lover, and herself. She must discover the truth about Quivara before it’s too late. Before she’s all in—blood and salt.

Shotguns and Stagecoaches Blue Box Press

The true stories of the Wild West heroes who guarded the iconic Wells Fargo stagecoaches and trains, battling colorful thieves, vicious highwaymen, and robbers armed with explosives. The phrase "riding shotgun" was no teenage game to the men who guarded stagecoaches and trains the Western frontier. Armed with sawed-off, double-barreled shotguns and an occasional revolver, these express

messengers guarded valuable cargo through lawless terrain. They were tough, fighting men who risked their lives every time they climbed into the front boot of a Concord coach. Boessenecker introduces soon-to-be iconic personalities like "Chips" Hodgkins, an express rider known for his white mule and his ability to outrace his competitors, and Henry Johnson, the first Wells Fargo detective. Their lives weren't just one shootout after another—their encounters with desperadoes were won just as often with quick wits and memorized-by-heart knowledge of the land. The highway robbers also get their due. It wouldn't be a book about the Wild West without Black Bart, the most

infamous stagecoach robber of all time, and Butch Cassidy's gang, America's most legendary train robbers. Through the Gold Rush and the early days of delivery with horses and saddlebags, to the heyday of stagecoaches and huge shipments of gold, and finally the rise of the railroad and the robbers who concocted unheard-of schemes to loot trains, Wells Fargo always had courageous men to protect its treasure. Their unforgettable bravery and ingenuity make this book a thrilling read.

A Few Drops of Blood AuthorHouse Includes story "Her" - along with three never before published works. Whether we are following WB through a

grim future where human meat is on the market, or trailing slowly behind while she introduces us to Marie Laveua's daughter, you can be certain of one thing: you will be surprised. The best and the most brutal of WB's work has been brought together in this all-too-believable collection. Includes a total of eighteen tales. Stories include: Her, Undo, Slipping, Siren, Alone in the House, Antics, House Arrest, Mall Food, Meat Aisle, The Water Stain, Heart Problems, Laveau, The Birth, The Look, Love/Death, Beneath the Surface, Nighttime Terror, and Girl in the Pink Coat.

A Stray Drop of Blood
Blackstone Publishing
James Church's
Inspector O novels
have been hailed as

"crackling good" (The Washington Post) and "tremendously clever" (Tampa Tribune), while Church himself has been embraced by critics as "the equal of le Carré" (Publishers Weekly, starred). Now Church—a former Western intelligence officer who pulls back the curtain on the hidden world of North Korea in a way that no one else can—comes roaring back with a new novel introducing Inspector O's nephew, Major Bing, the long-suffering chief of the Chinese Ministry of State Security operations on the border with North Korea. The last place Bing expected to find the stunningly beautiful Madame Fang—a woman Headquarters wants closely watched—was

on his front doorstep. Then, as suddenly as she shows up, Madame Fang mysteriously disappears across the river into North Korea, leaving in her wake both consternation and a highly sensitive assignment for Bing to bring back from the North a long missing Chinese security official. Concerned for his nephew's safety, O reluctantly helps him navigate an increasingly complex and deadly maze, one that leads down the twisted byways of O's homeland. In the tradition of Philip Kerr's Berlin Noir trilogy, and the Inspector Arkady Renko novels, *A Drop of Chinese Blood* presents an unfamiliar world, a perplexing universe where the rules are an enigma to the reader and even,

sometimes, to Inspector O. Once again, James Church has crafted a story with beautifully spare prose and layered descriptions of a country and a people he knows by heart. *Lincoln and the Abolitionists* HarperCollins Since Abraham Lincoln's death, generations of Americans have studied his life, presidency, and leadership, often remaking him into a figure suited to the needs and interests of their own time. This illuminating volume takes a different approach to his political thought and practice. Here, a distinguished group of contributors argue that Lincoln's relevance today is best

expressed by rendering an accurate portrait of him in his own era. They seek to understand Lincoln as he understood himself and as he attempted to make his ideas clear to his contemporaries. What emerges is a portrait of a prudent leader who is driven to return the country to its original principles in order to conserve it. The contributors demonstrate that, far from advocating an expansion of government beyond its constitutional limits, Lincoln defended both the Declaration of Independence and the Constitution. In his introduction, Justice Clarence Thomas discusses how Lincoln used the ideological and structural underpinnings of those founding documents to

defeat slavery and secure the liberties that the Republic was established to protect. Other chapters reveal how Lincoln upheld the principle of limited government even as he employed unprecedented war powers. Featuring contributions from leading scholars such as Michael Burlingame, Allen C. Guelzo, Fred Kaplan, and Matthew Pinsker, this innovative collection presents fresh perspectives on Lincoln both as a political thinker and a practical politician. Taken together, these essays decisively demonstrate that the most iconic American president still has much to teach the modern-day student of politics.

“This funny and fresh
take on a classic tale

manages to comment on gender roles, racial disparities, and white privilege all while creeping me all the way out. So good.”—Zakiya Dalila Harris, author of *The Other Black Girl* Steel Magnolias meets Dracula in this New York Times best-selling horror novel about a women's book club that must do battle with a mysterious newcomer to their small Southern town. Bonus features: • Reading group guide for book clubs • Hand-drawn map of Mt. Pleasant • Annotated true-crime reading list by Grady Hendrix • And more! Patricia Campbell's life has never felt smaller. Her husband is a workaholic, her teenage kids have their own lives, her senile

mother-in-law needs constant care, and she's always a step behind on her endless to-do list. The only thing keeping her sane is her book club, a close-knit group of Charleston women united by their love of true crime. At these meetings they're as likely to talk about the Manson family as they are about their own families. One evening after book club, Patricia is viciously attacked by an elderly neighbor, bringing the neighbor's handsome nephew, James Harris, into her life. James is well traveled and well read, and he makes Patricia feel things she hasn't felt in years. But when children on the other side of town go missing, their deaths written off by local police, Patricia has

reason to believe James Harris is more of a Bundy than a Brad Pitt. The real problem? James is a monster of a different kind—and Patricia has already invited him in. Little by little, James will insinuate himself into Patricia's life and try to take everything she took for granted—including the book club—but she won't surrender without a fight in this blood-soaked tale of neighborly kindness gone wrong.

Bad Blood Jo Fletcher Books

"High stakes, big heart, and lots of Black Girl Magic...unputdownable." —Aiden Thomas, New York Times bestselling author of Cemetery Boys A rich, dark urban fantasy debut following a teen witch who is given a

horrifying task: sacrificing her first love to save her family's magic. The problem is, she's never been in love—she'll have to find the perfect guy before she can kill him. After years of waiting for her Calling—a trial every witch must pass to come into their powers—the one thing Voya Thomas didn't expect was to fail. When Voya's ancestor gives her an unprecedented second chance to complete her Calling, she agrees—and then is horrified when her task is to kill her first love. And this time, failure means every Thomas witch will be stripped of their magic. Voya is determined to save her family's magic no matter the cost. The problem is, Voya has never been in love, so

for her to succeed, she'll first have to find the perfect guy—and fast. Fortunately, a genetic matchmaking program has just hit the market. Her plan is to join the program, fall in love, and complete her task before the deadline. What she doesn't count on is being paired with the infuriating Luc—how can she fall in love with a guy who seemingly wants nothing to do with her? With mounting pressure from her family, Voya is caught between her morality and her duty to her bloodline. If she wants to save their heritage and Luc, she'll have to find something her ancestor wants more than blood. And in witchcraft, blood is everything.

The Blood Gospel
Lincoln's Greatest Speech With Every Drop of Blood
A brilliantly conceived and vividly drawn story—Washington, D.C. on the eve of Abraham Lincoln's historic second inaugural address as the lens through which to understand all the complexities of the Civil War By March 4,

1865, the Civil War had slaughtered more than 700,000 Americans and left intractable wounds on the nation. After a morning of rain-drenched fury, tens of thousands crowded Washington's Capitol grounds that day to see Abraham Lincoln take the oath for a second term. As the sun emerged, Lincoln rose to give perhaps the greatest inaugural address in American history, stunning the nation by arguing, in a brief 701 words, that both sides had been wrong, and that the war's unimaginable horrors—every drop of blood spilled—might well have been God's just verdict on the national sin of slavery. Edward Achorn reveals the nation's capital on that momentous day—with its mud,

sewage, and saloons, its prostitutes, spies, reporters, social-climbing spouses and power-hungry politicians—as a microcosm of all the opposing forces that had driven the country apart. A host of characters, unknown and famous, had converged on Washington—from grievously wounded Union colonel Selden Connor in a Washington hospital and the embarrassingly drunk new vice president, Andrew Johnson, to poet-journalist Walt Whitman; from soldiers' advocate Clara Barton and African American leader and Lincoln critic-turned-admirer Frederick Douglass (who called the speech "a sacred effort") to

conflicted actor John Wilkes Booth—all swirling around the complex figure of Lincoln. In indelible scenes, Achorn vividly captures the frenzy in the nation's capital at this crucial moment in America's history and the tension-filled hope and despair afflicting the country as a whole, soon to be heightened by Lincoln's assassination. His story offers new understanding of our great national crisis, and echoes down the decades to resonate in our own time.

The Cerebral

Circulation Zondervan
 The Chemistry of the Blood is one of Dr. M. R. De Haan's most widely read books. In it, his scientific background is uniquely combined with his skillful exposition of Scripture to correlate Scripture and science. In addition to the title chapter on The Chemistry of the Blood, Dr. De Haan also discusses such intriguing themes as 'The Chemistry of Tears, ' 'The Chemistry of the Bible, ' 'The Chemistry of Man, ' and other striking truths.
