A woman trying to
outrun her past is
drawn to a coastal
village in Maine—and
to a string of unsolved
murders—in this novel
of romance and
psychological suspense
from New York Times

bestselling author Tess
Gerritsen.

“Suspenseful, sexy,
and soulful.”—J. R.
Ward, bestselling
author of the Black
Dagger Brotherhood
series After an
unspeakable tragedy in
Boston, Ava Collette
flees to a remote
village in Maine, where
she rents an old house
named Brodie’s Watch.
In that isolated seaside
mansion, Ava finally
feels at peace . . . until

she glimpses the long-dead sea captain who still resides there. Rumor has it that Captain Jeremiah Brodie has haunted the house for more than a century. One night, Ava confronts the apparition, who feels all too real, and who welcomes her into his world—and into his arms. Even as Ava questions her own sanity, she eagerly looks forward to the captain's ghostly visits. But she soon learns that the house she loves comes with a terrible secret, a secret that those in the village don't want to reveal: Every woman who has ever lived in Brodie's Watch has also died there. Is the ghost of Captain Brodie responsible, or is a flesh-and-blood killer at work? A killer who is

even now circling closer to Ava? Praise for *The Shape of Night* "Gerritsen is at her atmospheric best in this spine-tingling tale of a lone woman, an old house, and all the secrets everyone tries to hide."—Lisa Gardner, #1 New York Times bestselling author "With a twisty mix of dangerous passion, obsession, and suspense, Tess Gerritsen reinvents the Gothic novel, giving it a razor-sharp, modern edge."—Jayne Ann Krentz, New York Times bestselling author of *Untouchable* "Curl up in your favorite reading chair and let Tess Gerritsen whisk you away to a coastal town reminiscent of Daphne du Maurier's best settings. You are in for a dark and sexy night,

and you will be up very late with Tess's twisted, haunting tale."—Iris Johansen, #1 New York Times bestselling author

NEW YORK TIMES
BESTSELLER Rizzoli & Isles now a series on TNT In the murky shadows of Boston's Chinatown lies a severed hand. On the tenement rooftop above is the corpse belonging to that hand, a red-haired woman dressed in black, her head nearly decapitated. Two strands of silver hair—not human—cling to her body. They are homicide cop Jane Rizzoli's only clues, but they're enough for her and medical examiner Maura Isles to make the startling discovery: that this violent death had a chilling prequel. Nineteen years earlier, a horrifying murder-suicide in a Chinatown restaurant left five people dead. One woman connected to that massacre is still

alive—a mysterious martial arts master who is now the target of someone, or something, deeply and relentlessly evil. Cracking a crime with bone-chilling echoes of an ancient Chinese legend, Rizzoli and Isles must outwit an unseen enemy with centuries of cunning—and a swift, avenging blade. Don't miss Tess Gerritsen's short story "Freaks" in the back of the eBook.

African Glory MIRA From the acclaimed author of *Forest of a Thousand Lanterns* comes a fantastical new tale of darkness and love, in which magical bonds are stronger than blood. Will love break the spell? After cruelly rejecting Bao, the poor physician's apprentice who loves her, Lan, a

wealthy nobleman's daughter, regrets her actions. So when she finds Bao's prized flute floating in his boat near her house, she takes it into her care, not knowing that his soul has been trapped inside it by an evil witch, who cursed Bao, telling him that only love will set him free. Though Bao now despises her, Lan vows to make amends and help break the spell. Together, the two travel across the continent, finding themselves in the presence of greatness in the forms of the Great Forest's Empress Jade and Commander Wei. They journey with Wei, getting tangled in the webs of war, blood magic, and romance along the way. Will Lan and Bao begin to break the spell that's been

placed upon them? Or will they be doomed to live out their lives with black magic running through their veins? In this fantastical tale of darkness and love, some magical bonds are stronger than blood.

In this classic medical thriller filled with harrowing suspense and brilliantly crafted plot twists, Tess Gerritsen—the author of the acclaimed Rizzoli & Isles series that inspired the hit television show—delivers a pulse-pounding tale that “will make your heart skip a beat” (USA TODAY). For Dr. Abby DiMatteo, the long road to Boston’s Bayside Hospital has been anything but easy. Now, immersed in the

grinding fatigue of her second year as a surgical resident, she's elated when the hospital's elite cardiac transplant team taps her as a potential recruit. But Abby soon makes an anguished, crucial decision that jeopardizes her entire career. A car crash victim's healthy heart is ready to be harvested; it is immediately cross-matched to a wealthy private patient, Nina Voss. Abby hatches a bold plan to make sure that the transplant goes instead to a dying seventeen-year-old boy who is also a perfect match. The repercussions are powerful and swift and Abby is shaken but unrepentant—until she meets the frail, tormented Nina. Then a new heart for Nina

Voss suddenly appears, her transplant is completed, and Abby makes a terrible discovery: Nina's heart has not come through the proper channels. Defying Bayside Hospital's demands for silence, Abby plunges into an investigation that reveals an intricate, and murderous, chain of deceptions. Every move Abby makes spawns a vicious backlash and, in a ship anchored in the stagnant waters of Boston Harbor, a final, grisly discovery lies waiting...

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY LOS ANGELES TIMES AND SUSPENSE MAGAZINE In a

shadowy antiques shop in Rome, violinist Julia Ansdell happens upon a curious piece of music—the Incendio waltz—and is immediately entranced by its unusual composition. Full of passion, torment, and

chilling beauty, and seemingly unknown to the world, the waltz, its mournful minor key, its feverish arpeggios, appear to dance with a strange life of their own. Julia is determined to master the complex work and make its melody heard. Back home in Boston, from the moment Julia's bow moves across the strings, drawing the waltz's fiery notes into the air, something strange is stirred—and Julia's world comes under threat. The music has a terrifying and inexplicable effect on her young daughter, who seems violently transformed. Convinced that the hypnotic strains of Incendio are weaving a malevolent spell, Julia sets out to discover the man and the meaning

behind the score. Her quest beckons Julia to the ancient city of Venice, where she uncovers a dark, decades-old secret involving a dangerously powerful family that will stop at nothing to keep Julia from bringing the truth to light. Praise for *Playing with Fire* “Compelling . . . I defy you to read the first chapter and not singe your fingers reading the rest.”—David Baldacci “One of the best and most original thrillers of the year.”—Providence Journal “[A] novel brimming with emotion, literary description, and psychological suspense.”—The Huffington Post “Will make readers drop everything to immerse themselves in its

propulsive dual narrative.”—Los Angeles Times

Sparks fly and twists abound in this electrifying thriller from #1 New York Times bestselling crime author Patricia Cornwell.
Massachusetts state investigator Win Garano is called home from Knoxville, Tennessee, where he is completing a course at the National Forensic Academy. His boss, the district attorney, attractive but hard-charging, is planning to run for governor, and as a showcase she's planning to use a new crime initiative called *At Risk*—its motto: “Any crime, any time.” In particular, she's been looking for a way

to employ cutting-edge DNA technology, and she thinks she's found the perfect subject in an unsolved twenty-year-old murder in Tennessee. If her office solves the case, it ought to make them all look pretty good, right? Win isn't so sure—not sure about anything to do with this woman, really—but before he can open his mouth, a shocking piece of violence intervenes, an act that shakes up both their lives and the lives of everyone around them. It's not a random event. Is it personal? Is it professional?

Whatever it is, the implications are very, very bad indeed...and they're about to get much worse.

In this Rizzoli & Isles
short story from New
York Times bestselling
author Tess Gerritsen,
a bizarre death comes
with a supernatural
twist. Homicide cop
Jane Rizzoli and
medical examiner
Maura Isles have seen
their fair share of
mortal crimes, but the
death of Kimberly
Rayner may qualify as
inhuman in more ways
than one. When corpse
of the emaciated
seventeen-year-old girl
is discovered next to
an empty coffin in an
abandoned church,
mysterious bruises
around the throat
suggest foul play.
Caught fleeing the
scene is the victim's
closest friend, Lucas
Henry, an equally
skeletal, pale teenager
who claims he's guilty
only of having a taste
for blood—a craving he

shared with Kimberly. But the victim's distraught father doesn't believe in vampires, only vengeance. And now, another life may be at risk unless Rizzoli and Isles can uncover the astonishing truth. Includes an excerpt from Tess Gerritsen's Rizzoli & Isles novel The Silent Girl The Third Sister Simon and Schuster Set in a Lower East Side tenement in the early days of the pandemic, *Fourteen Days* is a dazzling, heartwarming novel with an unusual twist: each character has been secretly written by a different, major literary voice - from Margaret Atwood and Douglas Preston to Dave Eggers and Celeste Ng. One week into the COVID-19

shutdown, tenants of a Lower East Side apartment building in Manhattan have begun to gather on the rooftop and tell stories. With each passing night, more and more neighbours gather, bringing chairs and milk crates and overturned pails. Gradually the tenants - some of whom have barely spoken to each other - become real neighbours. In this Decameron-like serial novel, general editor Margaret Atwood, Authors Guild president Douglas Preston, and a star-studded list of contributors create a beautiful ode to the people who couldn't get away from the city when the pandemic hit. A dazzling, heartwarming collection, *Fourteen Days* reveals how

beneath the loss and suffering, some communities managed to become stronger. [Try Not to Breathe](#)

This ebook edition contains a special preview of Tess Gerritsen's *I Know a Secret*. Not even the icy temperatures of a typical New England winter can match the bone-chilling scene of carnage discovered at the chapel of Our Lady

of Divine Light. Within the cloistered convent lie two nuns—one dead, one critically injured—victims of an unspeakably savage attacker. The brutal crime appears to be without motive, but medical examiner Maura Isles's autopsy of the dead woman yields a shocking surprise: Twenty-year-old Sister Camille gave birth before she was murdered. Then another body is found, mutilated beyond recognition. Together, Isles and homicide detective Jane Rizzoli uncover an ancient horror that connects these terrible slaughters. As long-buried secrets come to light, Maura Isles finds herself drawn inexorably toward the heart of an investigation that

strikes close to home—and toward a dawning revelation about the killer's identity too shattering to consider.

 Ever wonder why we are losing the war on terror? Or how Russia took out more ISIS targets in two days than the US coalition did in two years? ISIS is us tells what's really behind the rise of ISIS. Why the mess in the Middle East is no failure, it's the result of a "divide and chaos" policy. A panel of authors tells the incredible story with impeccable references. Strategy, motive, historical background, it's all here. You'll see why the wars on Iraq, Libya, and Syria were not for democracy, but to break them into quarreling mini-states:

divide and rule.

A compelling call to apply Buckminster Fuller's creative problem-solving to present-day problems

A self-professed "comprehensive anticipatory design scientist," the inventor Buckminster Fuller (1895-1983) was undoubtedly a visionary. Fuller's creations often bordered on the realm of science fiction, ranging from the freestanding geodesic dome to the three-wheel Dymaxion car to a bathroom requiring

neither plumbing nor sewage. Yet in spite of his brilliant mind and life-long devotion to serving mankind, Fuller's expansive ideas were often dismissed, and have faded from public memory since his death. *You Belong to the Universe* documents Fuller's six-decade quest to "make the world work for one hundred percent of humanity." Critic and experimental philosopher Jonathon Keats sets out to revive Fuller's unconventional practice of comprehensive anticipatory design, placing Fuller's philosophy in a modern context and dispelling much of the mythology surrounding Fuller's life. Keats argues that Fuller's life and ideas, namely doing "the

most with the least," are now more relevant than ever as humanity struggles to meet the demands of an exploding world population with finite resources. Delving deeply into Buckminster Fuller's colorful world, Keats applies Fuller's most important concepts to present-day issues, arguing that his ideas are now not only feasible, but necessary. From transportation to climate change, urban design to education, *You Belong to the Universe* demonstrates that Fuller's holistic problem-solving techniques may be the only means of addressing some of the world's most pressing issues. Keats's timely book challenges each of us to become

comprehensive anticipatory design scientists, providing the necessary tools for continuing Fuller's legacy of improving the world.

In addition to his groundbreaking contributions to pure economic theory, F. A. Hayek also closely examined the ways in which the knowledge of many individual market participants could culminate in an overall order of economic activity. His attempts to come to terms with the "knowledge problem" thread through his career and comprise the writings collected in the fifteenth volume of Routledge's Collected Works of F. A. Hayek series. The Market and Other

Orders brings together more than twenty works spanning almost forty years that consider this question. Consisting of speeches, essays, and lectures, including Hayek's 1974 Nobel lecture, "The Pretense of Knowledge," the works in this volume draw on a broad range of perspectives, including the philosophy of science, the physiology of the brain, legal theory, and political philosophy. Taking readers from Hayek's early development of the idea of spontaneous order in economics through his integration of this insight into political theory and other disciplines, the book culminates with Hayek's integration of his work on these topics into an

overarching social theory that accounts for spontaneous order in the variety of complex systems that Hayek studied throughout his career. Edited by renowned Hayek scholar Bruce Caldwell, who also

contributes a masterly introduction that provides biographical and historical context, *The Market and Other Orders* forms the definitive compilation of Hayek's work on spontaneous order.
