HARRISON LYONS

A Novel Black Scroll Publications Ltd

Handsome, brew-guzzling American Dallas Beaudine encounters British playgirl Francesca Day on a backwoods English lane, and the two discover a chemistry that allows their respective natures--akin to oil and water--to mix. Reprint. 25,000 first printing.

Evening Stars Holiday House

The acclaimed author of *Duchess* and *Royal Harlot* returns with the unforgettable story of a king's last love and London's darling? BRNell Gwyn has never been a lady, nor does she pretend to be. Blessed with impudent wit and saucy beauty, she swiftly rises from the poverty of Covent Garden to become a sensation in the theater. Still in her teens, she catches the eye of King Charles II, and trades the stage for Whitehall Palace--and the role of royal mistress. Even though she delights the king, she must learn to negotiate the cutthroat royal court, where ambition and lust for power rule the hearts of all around her. For beneath her charm and light-heartedness, Nell has her own ambition--to become no less than the king's favorite.

Lust & Other Stories Xulon Press

Duncan Masterson has a secret. To keep it, he's got a few simple rules. Stay away from sunlight, never drink from the unwilling, and never, ever get involved with mortals. It was working, until the night he finds a lovely co-worker dazed and bleeding from a vampire attack. After decades as Duncan's guardian, Jared Evans has shared almost everything with Duncan, even regular doses of Duncan's blood to extend Jared's life. The only thing they've never shared was a woman...until Tabitha. Rocked by revelations and faced with temptations she never imagined, Tabitha Blacke is flung headlong into a world full of danger, monsters, and two men who want to claim to her for eternity. Keywords: vampire romance, menage romance, MFM, **Publisher's Note** This book was previously released with the same content and title. It has been released with a new publisher and cover.**

The Friend Simon and Schuster

Originally published in 1913, *The Custom of the Country* is a full length novel about the incessant rise of Undine Spragg, an attractive, vivacious woman of the American Mid-West who is fuelled by ambition, and greed, combined with an all too obvious disregard for the feelings of anyone else except herself. Using marriage and divorce as the means to an end, Undine is at once a loathsome creature yet at the same time one with whom the reader can associate with or even root for. She is an archetype anti-heroine; perhaps a step removed or rather a continent displaced from say Becky Sharpe. While Wharton's plot is almost by necessity presented as a complex web revolving around Undine's exploits, it is at the same time secondary to the presentation of Undine's character. There's no sense of evolution in the way she is presented, it's clear from the first words, Mrs Spragg's

impassioned and frankly rhetorical question, that Undine has a way about her.

Evening Open Road Media

Minot's bestselling debut: A moving novel of familial love and endurance in the face of shattering tragedy *Monkeys* is the remarkable story of a decade in the life of the Vincents, a colorful Irish Catholic family from the Boston suburbs. On the surface, they seem happy with their vivacious mother Rosie at the helm. But underneath, the Vincents struggle to maintain the appearance of wealth and stability while dealing with the effects of their father's alcoholism. When a sudden accident strikes, their love for one another is tested like never before. Written by the bestselling author of *Evening*, *Monkeys* is a powerful story of one family's struggle to overcome life-changing tribulations and Minot's wrenching ode to the ties that bind even the most wounded of families. This ebook features a new illustrated biography of Susan Minot, including artwork by the author and rare documents and photos from her personal collection.

A Novel Penguin

Unexpected change can be like a breath of fresh air-- a little brisk at first, but magic for body and soul Chicago cartoonist Sarah Moon tackles life's real issues with a healthy dose of sharp wit in her syndicated comic strip *Just Breathe*. As Sarah's cartoon alter ego, Shirl, undergoes artificial insemination, her situation begins to mirror Sarah's own difficult attempts to conceive. However, Sarah's dreams of the future did not include her husband's infidelity: snag number two in Sarah's so-called perfect life. With Chicago-- and her marriage-- in the rearview mirror, she flees to the small Northern California coastal town where she grew up, a place she couldn't wait to leave. Now she finds herself revisiting the past-- an emotionally distant father and the unanswered questions left by her mother's death. As she comes to terms with her lost marriage, Sarah encounters a man she never expected to meet again: Will Bonner, the high school heartthrob she'd skewered mercilessly in her old comics. Now a local firefighter, he's been through some changes himself. But just as her heart is about to reawaken, Sarah discovers she is pregnant. With her ex's twins. It's hardly the most traditional of new beginnings, but who says life and love are predictable or perfect? The winds of change have led Sarah here. Now all she can do is just close her eyes and breathe.

Lust & Other Stories Open Road Media

Is there anything sweeter than a first love? Don't ask Claire Keyes. The twenty - eight - year - old piano prodigy has never had a regular boyfriend, much less a real romance. Her music career has left little room for friends or family which is just part of the reason she hasn't seen the family bakery or her two sisters in years. But now Nicole is sick, and Jesse is AWOL. Despite the fact that Claire can't boil water, she's determined to play caretaker. Connecting with her sisters tops her to-do list along with falling in love, or at least in lust, for the first time. Ruggedly sexy Wyatt just might fit the bill. Although he keeps saying that he and Claire come from entirely different worlds, he lights up hotter than a bakery oven whenever Claire is near. If this keeps up, she just might sweet-talk him into her bed and her life.

And Other Stories Simon and Schuster

In this urgent outpouring of American voices, our poets speak to us as they shelter in place,

addressing our collective fear, grief, and hope from eloquent and diverse individual perspectives. As the novel coronavirus and its devastating effects began to spread in the United States and around the world, Alice Quinn reached out to poets across the country to see if, and what, they were writing under quarantine. Overwhelmed by the response, the onetime New Yorker poetry editor and recent former director of the Poetry Society of America began collecting the passionate verses that were arriving in her inbox, assembling this various, intimate, and intricate portrait of our suddenly altered reality. Whether grieving for relatives they are separated from, recovering from illness themselves, attending to suddenly complicated household tasks, or considering the bravery of medical workers and the inequities in our society that amplify sorrow and demand our engagement, our poets are just like us, but with the words to describe what can feel unspeakably difficult and strange. From fierce and resilient to wistful, darkly humorous, and emblematically reverent about the earth and the vulnerability of human beings in frightening times, the poems in this collection provide wisdom and companionship, depths of feeling that enliven our spirits, and a poignant summoning to the page of spring's inevitable return.

Stealing Beauty Simon and Schuster

An unexpected story of a woman's life and love living in the old American west.

The Incarnations Penguin

An entertaining, poignant, and neurotic memoir describes one woman's life at the edge of turning forty, her midlife crisis, her obsession with the five men she had lusted after and lost between the ages of thirteen and thirty-five, and the impact of that obsession on her marriage.

Lust and Other Stories Knopf

To overcome her painful past, baker Shelby Gilmore goes on the hunt for a friend - a male friend - to convince her stubborn psyche that men can be trusted. But where in a town as small as Fool's Gold will the petite blonde find a guy willing to not date her? Dark, charming Aidan Mitchell puts the "adventure" in Mitchell Adventure Tours ... and into the beds of his many willing female tourists. Until he realizes he's inadvertently become that guy - the one-night Casanova - and worse, everyone in town knows it. Maybe Shelby's boy/girl experiment will help him see women as more than just conquests so he can change his ways and win back his self-respect.

Baby Hearts HarperCollins Australia

Reluctantly agreeing to run the family bed and breakfast on Bayberry Island, Rowan Flynn meets a handsome stranger the night before the annual Mermaid Festival.

Against Our Will HarperCollins Australia

An upper-class Boston woman struggles through a life constrained by duty in this "dazzling" historical novel by a prize-winning author (Chicago Tribune). Born into an affluent New England family at the turn of the twentieth century, Lillian Eliot engages in the coming-of-age rituals traditional of her social status. But when she meets Walter Vail, a charming and spontaneous New Yorker, her world is opened to new possibilities. As the Great War erupts, Walter leaves for Europe and marries another woman, and Lillian marries Gilbert Finch, an innocuous bachelor within her social circle. As the years pass, Lillian acquiesces to a life devoid of passion until, one day, Walter returns. In the tradition of Edith Wharton and E.M. Forster, Susan Minot brings to vivid life the world of the early twentieth century and the story of a woman searching for love despite society's

constraints. This ebook features a new illustrated biography of Susan Minot, including artwork by the author and rare documents and photos from her personal collection.

Lust and Other Stories Houghton Mifflin

#1 New York Times bestselling author Susan Mallery welcomes you back to Fool's Gold, California for a fan-favorite story between a rancher and small-town librarian who prove opposites do attract! Horse whisperer Shane Stryker is done with passion. This time around, he's determined to meet someone interested in the quiet ranch life. And the fiery, pint-size redhead who dazzles him at the local bar definitely does not fit the bill. Small-town librarian Annabelle Weiss has always seen herself as more of a sweetheart than a siren, so she can't understand why Shane keeps pushing her away. Shane has formed the totally wrong impression of her but only he can help her with a special event for the next Fool's Gold festival. And maybe while he's at it, she can convince him to teach her a few things about kissing on hot summer nights, too... Previously published. Read more in the Fool's Gold series: Book 1: Chasing Perfect Book 2: Almost Perfect Book 3: Finding Perfect Book 4: Only Mine Book 5: Only Yours Book 6: Only His Book 7: Summer Days Book 8: Summer Nights Book 9: All Summer Long Book 10: A Fool's Gold Christmas And even more books available in the Fool's Gold series!

Visit Overcoming-Lust.com for information about the author, blog posts, book endorsements and additional resources for overcoming lust.

A Guide to Giving Your Child an Emotional Head Start Vintage

An erotic, provocative study of romantic love, human sexuality, and their reflections in the life of the mind focuses on a brief sexual encounter between two former lovers, each engaged on their own individual journeys through life. By the author of *Evening*. Reader's Guide available. Reprint. 40,000 first printing.

Why I Don't Write Createspace Independent Publishing Platform

The long-awaited novel from the best-selling, award-winning author of *Evening* is a literary tour de force set in war-torn Africa. Esther is a Ugandan teenager abducted by the Lord's Resistance Army and forced to witness and commit unspeakable atrocities, who is struggling to survive, to escape, and to find a way to live with what she has seen and done. Jane is an American journalist who has traveled to Africa, hoping to give a voice to children like Esther and to find her center after a series of failed relationships. In unflinching prose, Minot interweaves their stories, giving us razor-sharp portraits of two extraordinary young women confronting displacement, heartbreak, and the struggle to wrest meaning from events that test them both in unimaginable ways. With mesmerizing emotional intensity and stunning evocations of Africa's beauty and its horror, Minot gives us her most brilliant and ambitious novel yet.

Open Road Media

Susan Brownmiller's groundbreaking bestseller uncovers the culture of violence against women with a devastating exploration of the history of rape—now with a new preface by the author exposing the undercurrents of rape still present today. Rape, as author Susan Brownmiller proves in her startling and important book, is not about sex but about power, fear, and subjugation. For thousands of years, it has been viewed as an acceptable "spoils of war," used as a weapon by invading armies to crush the will of the conquered. The act of rape against women has long been cloaked in lies and false justifications. It is ignored, tolerated, even encouraged by governments and military leaders, misunderstood by police and security organizations, freely employed by domineering husbands and lovers, downplayed by medical and legal professionals more inclined to "blame the victim," and, perhaps most shockingly, accepted in supposedly civilized societies worldwide, including the United States. *Against Our Will* is a classic work that has been widely credited with changing prevailing attitudes about violence against women by awakening the public to the true and continuing tragedy of rape around the globe and throughout the ages. Selected by the New York Times Book Review as

an Outstanding Book of the Year and included among the New York Public Library's Books of the Century, *Against Our Will* remains an essential work of sociological and historical importance.

Sea of Love Random House Digital, Inc.

A haunting story of guilt and blame in the wake of a drowning, the first novel by the author of *Spectacle*. Susan Steinberg's first novel, *Machine*, is a dazzling and innovative leap forward for a writer whose most recent book, *Spectacle*, gained her a rapturous following. *Machine* revolves around a group of teenagers—both locals and wealthy out-of-towners—during a single summer at the shore. Steinberg captures the pressures and demands of this world in a voice that effortlessly slides from collective to singular, as one girl recounts a night on which another girl drowned. Hoping to assuage her guilt and evade a similar fate, she pieces together the details of this tragedy, as well as the breakdown of her own family, and learns that no one, not even she, is blameless. A daring stylist, Steinberg contrasts semicolon-studded sentences with short lines that race down the page. This restless approach gains focus and power through a sharply drawn narrative that ferociously interrogates gender, class, privilege, and the disintegration of identity in the shadow of trauma. *Machine* is the kind of novel—relentless and bold—that only Susan Steinberg could have written.
